Under Section 2155.004, Government Code, the vendor [Provider] certifies that the individual or business entity named in this bid or Contract is not ineligible to receive the specified Contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate.
5. Under Texas Family Code section 231.006, a child support obligor who is more than 30 days delinquent in paying child support and a business entity in which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive payments from state funds under a contract to provide property, materials, or services. Under Section 231.006, Texas Family Code, the vendor or applicant [Provider] certifies that the individual or business entity named in this Contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate.

Provider acknowledges that this Contract may be terminated at any time, and payments withheld, if this certification is false.
7. Provider agrees that any payments due under the Contract will be applied towards any debt, including but not limited to delinquent taxes and child support, Provider owes to the State of Texas.
8. The GLO is federally mandated to adhere to the directions provided in the President's Executive Order (EO) 13224, blocking property and prohibiting transactions with persons who commit, threaten to commit, or support terrorism and any subsequent changes made to it. The GLO will

11. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Provider shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Provider and the requirement to cooperate is included in any subcontract it awards.
12. Provider understands that the GLO does not tolerate any type of fraud. The GLO's policy is to promote consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken.
