Provider shall be liable to pay all costs of defense, including attorneys' fees. Provider must coordinate its defense with the GLO and the Office of the Texas Attorney General or other GLO legal counsel if the GLO is a named defendant in any lawsuit arising out of the execution or performance of the Contract. The defense shall be coordinated by Provider with the Office of the Texas Attorney General when Texas state agencies are named defendants in any lawsuit related to this Contract and Provider may not agree to any settlement without first obtaining the concurrence from the Office of the Texas Attorney General and/or GLO. Provider and the GLO agree to furnish timely written notice to each other of any such claim.

8.05 INTELLECTUAL PROPERTY INFRINGEMENT

- (a) Provider shall indemnify, defend, and hold harmless the State of Texas, the GLO, and their officers, agents, employees, representatives, contractors, assignees, and designees from liability for damage, including reasonable attorneys' fees, caused by or resulting from the Intellectual Property infringement of Provider or Provider's agent, consultant under contract, or another entity over which Provider

exercises control. Provider must coordinate its defense with the GLO and the Office of the Texas Attorney General or other GLO legal counsel if the GLO is a named defendant in any lawsuit arising out of such Intellectual Property infringement that Provider allegedly carries out in the execution or performance of the Contract. Provider may not agree to settle any such lawsuit without the concurrence of the GLO and, if applicable, the Office of the Texas Attorney General or other GLO legal counsel. The Parties must furnish timely written notice to each other of any action, claim, demand, or suit described herein.

- (b) If Provider becomes aware of an actual or potential claim of Intellectual Property infringement caused by or resulting from Provider's performance of this Contract or the GLO provides Provider with notice of such claim, Provider must, at Provider's sole expense: (i) procure for the GLO the right to continue to use the affected portion of the product or service or (ii) modify or replace the affected portion of the product or service with a functionally equivalent or superior product or service so that the GLO's use is non-infringing.

8.06 ASSIGNMENT AND SUBCONTRACTS

Provider must not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the prior written consent of the GLO. Any attempted assignment, transfer, or delegation in violation of this provision is void and without effect. Notwithstanding this provision, Provider may subcontract with others for some or all of the services to be performed. In any approved subcontracts, Provider must legally bind such Subcontractor to perform and make such Subcontractor subject to all applicable duties, requirements, and obligations of Provider as specified in this Contract. Nothing in this Contract shall be construed to relieve Provider of the responsibility for ensuring that the goods delivered and/or the services performed by Provider and/or any of its Subcontractors comply with all the terms and conditions of this Contract. Provider will provide written notification to the GLO of any such Subcontractor performing fifteen percent (15%) or more of the work under this Contract. Such notification must include the name and Texas Identification Number of Subcontractor, the task(s) being performed, and the number of Subcontractor employees expected to work on the task.

Provider irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of *forum non conveniens*, that it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Contract or any document related hereto. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

8.12 SEVERABILITY

If a court of competent jurisdiction determines any provision of this Contract is invalid, void, or unenforceable, the remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

8.13 FORCE MAJEURE

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure must promptly notify the other Party of the Force Majeure event in writing, and, if possible, such notice must set forth the extent and duration thereof. The Party claiming Force Majeure must exercise due diligence to prevent, eliminate, or overcome such Force Majeure event when it is possible to do so and must resume performance at the earliest possible date. However, if nonperformance continues for more than thirty (30) days, the GLO may terminate this Contract immediately upon written notification to Provider.

8.14 ENTIRE CONTRACT AND MODIFICATION

This Contract, its Attachments, its Amendments, and any Work Orders or Technical Guidance Letters issued in conjunction with this Contract constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements made in connection with the subject matter hereof. Any additional or conflicting terms in any Attachment, Amendment, Work Order, or Technical Guidance Letter shall be harmonized with this Contract to the extent possible. Except as provided herein, this Contract may be amended only by a mutual, written agreement executed by authorized representatives of the Parties.

8.15 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute one and the same Contract.

8.16 SURVIVAL OF TERMS AND CONDITIONS

The terms and conditions of this Contract related to the following subjects shall survive the termination of this Contract: definitions; interpretive provisions; consideration; General Affirmations, Federal Assurances, and Federal Certifications; state funding, prohibition on debts created on behalf of the State of Texas and/or the GLO, recapture of state funds, and overpayment of state funds; limitation of any Provider claim for damages to the amount of funds appropriated for payment but not yet paid to Provider; ownership, Intellectual Property, and copyright; records retention requirements; inspection and audit; confidentiality; public records; insurance; taxes; workers' compensation; unemployment insurance; Provider's obligation to procure and maintain, at its sole expense, all government licenses, authorizations, insurance, waivers, permits, and/or qualifications necessary for Provider or any Subcontractors to provide the goods or services described in this Contract; indemnification and liability; infringement of Intellectual Property rights; assignment and subcontracting; relationship of the Parties; compliance with laws; notices; governing law and venue; severability; dispute resolution; merger and integration; invoice and fee verification; property rights; default; Work Orders; and amendment. Terms and conditions that, explicitly or by their nature, evidence the

Parties' intent that they should survive the termination or expiration of this Contract shall so survive.

8.17 CONFIDENTIALITY

To the extent permitted by law, Provider and the GLO shall keep all information, in whatever form produced, prepared, observed, or received by Provider or the GLO, confidential to the extent that such information is: (a) confidential by law; (b) marked or designated "confidential" (or words to that effect) by Provider or the GLO; or (c) information that Provider or the GLO is otherwise required to keep confidential by this Contract. Provider must not advertise that it is doing business with the GLO, use this Contract as a marketing or sales tool, or make any communications or announcements relating to this Contract through press releases, social media, or other public relations efforts without the prior written consent of the GLO.

8.18 PUBLIC RECORDS

The GLO shall post this Contract to the GLO's website. Provider understands that the GLO will comply with the Texas Public Information Act (Texas Government Code Chapter 552, the "PIA"), as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas (the "Attorney General"). Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the PIA. Upon the GLO's written request, Provider will make any information the GLO requests that was created or exchanged by or on behalf of Provider with the GLO or State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (".pdf") format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or State of Texas. By failing to mark any information that Provider believes to be excepted from disclosure as "confidential" or a "trade secret," Provider waives any and all claims it may make against the GLO for releasing such information without prior notice to Provider. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Provider shall notify the GLO's Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. If a request for information was not written, Provider shall forward the third party's contact information to the above-designated e-mail address.

8.19 PREFERENCE AND PROCUREMENT OF MATERIALS

- (a) To the extent applicable, Provider shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired in the following manner:
 - (i) competitively within a timeframe allowing compliance with the Contract's performance schedule;
 - (ii) in a way that meets the Contract's performance requirements; or
 - (iii) at a reasonable price.

To ensure maximum use of recovered/recycled materials pursuant to 2 C.F.R. § 200.323, information about this requirement, along with the list of EPA designated items, is

available at the EPA's Comprehensive Procurement Guideline Program website, <https://www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program>.

- (b) As appropriate and to the extent consistent with law, Provider should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).
- (c) For purposes of section (b) above:
 - (i) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
 - (ii) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber."

8.20 INFORMATION AND DATA SECURITY STANDARDS

Provider must comply with all terms specified in the **GLO Information Security Appendix**, attached hereto and incorporated herein for all purposes as **Attachment C**.

8.21 COVERED TELECOMMUNICATIONS EQUIPMENT AND SERVICES

If subject to 2 CFR 200.216, Provider shall not obligate or expend funding provided under this Contract to: (a) procure or obtain; (b) extend or renew a contract to procure or obtain; or (c) enter into a contract to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services, as defined in Public Law 115-232, Section 889, as a substantial or essential component of any system, or as critical technology as part of any system.

Provider will perform technical advisory services, comprehensive engineering and design services, construction document preparation, and construction phase services. General Affirmations

To the extent they apply, Provider affirms and agrees to the following, without exception:

1. Provider represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Provider nor the firm, corporation, partnership, or institution represented by Provider, or anyone acting for such a firm, corporation, partnership, or institution has (1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws, or (2) communicated directly or indirectly the contents of this Contract or any solicitation response upon which this Contract is based to any competitor or any other person engaged in the same line of business as Provider.
2. If the Contract is for services, Provider shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts, but for contracts subject to 2 CFR 200, only to the extent such compliance is consistent with 2 CFR 200.319..
3. Under Section 231.006 of the Family Code, the vendor or applicant [Provider] certifies that the individual or business entity named in this Contract, bid or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate.
4. A bid or an application for a contract, grant, or loan paid from state funds must include the name and social security number of the individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application. Provider certifies it has submitted this information to the GLO.
5. If the Contract is for the purchase or lease of computer equipment, as defined by Texas Health and Safety Code Section 361.952(2), Provider certifies that it is in compliance with Subchapter Y, Chapter 361 of the Texas Health and Safety Code, related to the Computer Equipment Recycling Program and the Texas Commission on Environmental Quality rules in Title 30 Texas Administrative Code Chapter 328.
6. Pursuant to Section 2155.003 of the Texas Government Code, Provider represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.
7. Payments due under the Contract shall be directly applied towards eliminating any debt or delinquency Provider owes to the State of Texas including, but not limited to, delinquent taxes, delinquent student loan payments, and delinquent child support, regardless of when the debt or delinquency arises.
8. Upon request of the GLO, Provider shall provide copies of its most recent business continuity and disaster recovery plans.
9. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Provider certifies that it does not employ an individual who has been employed by The GLO or another agency at any time during the two years preceding the Provider's submission of its offer to provide consulting services to the GLO or, in the alternative, Provider, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.

10. If the Contract is not for architecture, engineering, or construction services, except as otherwise provided by statute, rule, or regulation, Provider must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract. NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.
11. If the Contract is for architecture, engineering, or construction services, subject to Texas Government Code, Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, and except as otherwise provided by statute, rule, or regulation, Provider shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. Except as otherwise provided by statute, rule, or regulation, in accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d). NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.
- a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if the Provider's claim for breach of contract cannot be resolved by the parties in the ordinary course of business, Provider may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against the Provider as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Provider must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount the Provider seeks as damages; and (3) the legal theory of recovery.
 - b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with the Provider in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the parties shall reduce the agreement or settlement to writing and each party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a party's rights under this Contract as to the parts of the claim that are not resolved.
 - d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the parties agree in writing to an extension of time, the parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is the Provider's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract.

- f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Provider: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.
12. If Chapter 2271 of the Texas Government Code applies to this Contract, Provider verifies that it does not boycott Israel and will not boycott Israel during the term of the Contract.
 13. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Provider understands that all obligations of the GLO under this Contract are subject to the availability of state funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.
 14. Provider certifies that it is not listed in the prohibited vendors list authorized by Executive Order No. 13224, "Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism", published by the United States Department of the Treasury, Office of Foreign Assets Control.
 15. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Provider certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the effective date of the Contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of the GLO.
 16. Provider represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
 17. Pursuant to Section 2155.004(a) of the Texas Government Code, Provider certifies that neither Provider nor any person or entity represented by Provider has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Provider certifies that the individual or business entity named in this Contract is not ineligible to receive the specified contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Provider from providing free technical assistance.
 18. Provider represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.
 19. In accordance with Section 2252.901 of the Texas Government Code, for the categories of contracts listed in that section, Provider represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the Contract, were employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the Contract. Solely for professional services contracts as described by Chapter 2254 of the Texas Government Code, Provider further represents and warrants that if a former employee of the GLO was employed by Provider within one year of the employee's leaving the GLO, then such employee will not perform services on projects with Provider that the employee worked on while employed by the GLO.
 20. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is

otherwise identified in a statute which directly names or otherwise identifies its applicability to the GLO.

21. IF THE CONTRACT IS FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, PROVIDER SHALL INDEMNIFY, DEFEND, AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED DAMAGES, COSTS, ATTORNEY FEES, AND EXPENSES TO THE EXTENT CAUSED BY, ARISING OUT OF, OR RESULTING FROM ANY ACTS OF NEGLIGENCE, INTENTIONAL TORTS, WILLFUL MISCONDUCT, PERSONAL INJURY OR DAMAGE TO PROPERTY, AND/OR OTHERWISE RELATED TO PROVIDER'S PERFORMANCE, AND/OR FAILURES TO PAY A SUBCONTRACTOR OR SUPPLIER BY THE PROVIDER OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, CONSULTANTS UNDER CONTRACT TO PROVIDER, OR ANY OTHER ENTITY OVER WHICH THE CONTRACTOR EXERCISES CONTROL, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY PROVIDER WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND PROVIDER MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. PROVIDER AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.
22. PROVIDER SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE GLO AND THE STATE OF TEXAS FROM AND AGAINST ANY AND ALL CLAIMS, VIOLATIONS, MISAPPROPRIATIONS OR INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHTS AND/OR OTHER INTANGIBLE PROPERTY, PUBLICITY OR PRIVACY RIGHTS, AND/OR IN CONNECTION WITH OR ARISING FROM: (1) THE PERFORMANCE OR ACTIONS OF PROVIDER PURSUANT TO THIS CONTRACT; (2) ANY DELIVERABLE, WORK PRODUCT, CONFIGURED SERVICE OR OTHER SERVICE PROVIDED HEREUNDER; AND/OR (3) THE GLO'S AND/OR PROVIDER'S USE OF OR ACQUISITION OF ANY REQUESTED SERVICES OR OTHER ITEMS PROVIDED TO THE GLO BY PROVIDER OR OTHERWISE TO WHICH THE GLO HAS ACCESS AS A RESULT OF PROVIDER'S PERFORMANCE UNDER THE CONTRACT. PROVIDER AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. PROVIDER SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEYS' FEES. THE DEFENSE SHALL BE COORDINATED BY PROVIDER WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL (OAG) WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND PROVIDER MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM OAG. IN ADDITION, PROVIDER WILL REIMBURSE THE GLO AND THE STATE OF TEXAS FOR ANY CLAIMS, DAMAGES, COSTS, EXPENSES OR OTHER AMOUNTS, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND COURT COSTS, ARISING FROM ANY SUCH CLAIM. IF THE GLO DETERMINES THAT A CONFLICT EXISTS BETWEEN ITS INTERESTS AND THOSE OF PROVIDER OR IF THE GLO IS REQUIRED BY APPLICABLE LAW TO SELECT SEPARATE COUNSEL, THE GLO WILL BE PERMITTED TO SELECT SEPARATE COUNSEL AND PROVIDER WILL PAY ALL REASONABLE COSTS OF THE GLO'S COUNSEL.
23. Provider has disclosed in writing to the GLO all existing or potential conflicts of interest relative to the performance of the Contract.

24. Sections 2155.006 and 2261.053 of the Texas Government Code prohibit state agencies from accepting a solicitation response or awarding a contract that includes proposed financial participation by a person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster, as defined by Section 418.004 of the Texas Government Code, occurring after September 24, 2005. Under Sections 2155.006 and 2261.053 of the Texas Government Code, Provider certifies that the individual or business entity named in this Contract is not ineligible to receive the specified contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate.
25. Provider understands that the GLO will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material related to this Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Provider shall make any information created or exchanged with the State/GLO pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State or the GLO.
26. The person executing this Contract on behalf of Provider certifies that he/she is duly authorized to do so and is legally empowered to contractually bind Provider to the terms and conditions of the Contract and related documents.
27. If the Contract is for architectural or engineering services, pursuant to Section 2254.0031 of the Texas Government Code, which incorporates by reference Section 271.904(d) of the Texas Local Government Code, Provider shall perform services (1) with professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license, and (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.
28. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Provider shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. The GLO may unilaterally amend the Contract to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.
29. Provider certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in the Contract by any state or federal agency.
30. Provider expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, Provider represents and warrants to the GLO that any technology provided to the GLO for purchase pursuant to this Contract is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of: providing equivalent access for effective use by both visual and non-visual means; presenting information, including prompts used for interactive

communications, in formats intended for non-visual use; and being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired. For purposes of this Section, the phrase “equivalent access” means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans With Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays, and customizable display appearance.

31. If the Contract is for the purchase or lease of covered television equipment, as defined by Section 361.971(3) of the Texas Health and Safety Code, Provider certifies its compliance with Subchapter Z, Chapter 361 of the Texas Health and Safety Code, related to the Television Equipment Recycling Program.
32. Pursuant to Section 572.069 of the Texas Government Code, Provider certifies it has not employed and will not employ a former state officer or employee who participated in a procurement or contract negotiations for the GLO involving Provider within two (2) years after the date that the contract is signed or the procurement is terminated or withdrawn. This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.
33. The GLO does not tolerate any type of fraud. GLO policy promotes consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. Provider shall report any possible fraud, waste, or abuse that occurs in connection with the Contract to the GLO’s Fraud Reporting hotline at (877) 888-0002.
34. Provider represents and warrants that it will comply with the requirements of Section 552.372(a) of the Texas Government Code. Except as provided by Section 552.374(c) of the Texas Government Code, the requirements of Subchapter J, Chapter 552 of the Government Code, may apply to the Contract and the Provider agrees that the Contract can be terminated if the Provider knowingly or intentionally fails to comply with a requirement of that subchapter.
35. If Provider, in its performance of the Contract, has access to a state computer system or database, Provider must complete a cybersecurity training program certified under Texas Government Code Section 2054.519, as selected by the GLO. Provider must complete the cybersecurity training program during the initial term of the Contract and during any renewal period. Provider must verify in writing to the GLO its completion of the cybersecurity training program.
36. Under Section 2155.0061, Texas Government Code, Provider certifies that the entity named in this contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.
37. Provider certifies that it does not require its customers to provide any documentation certifying the customer’s COVID-19 vaccination or post-transmission recovery on entry to, to gain access to, or to receive service from the Provider’s business. Provider acknowledges that such a vaccine or recovery requirement would make Provider ineligible for a state-funded contract.
38. Pursuant to Government Code Section 2274.0102, Provider certifies that neither it nor its parent company, nor any affiliate of Provider or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Government Code Section 2274.0103, or (2) headquartered in any of those countries.

39. If Provider is required to make a verification pursuant to Section 2274.002 of the Texas Government Code, Provider verifies that Provider does not boycott energy companies and will not boycott energy companies during the term of the Contract. If Provider does not make that verification, Provider must notify the GLO and state why the verification is not required.
40. If Provider is required to make a verification pursuant to Section 2274.002 of the Texas Government Code, Provider verifies that it (1) does not have a practice, policy, guidance, or directive that discriminates against a “firearm entity” or “firearm trade association” as those terms are defined in Texas Government Code section 2274.001 and (2) will not discriminate during the term of the contract against a firearm entity or firearm trade association. If Provider does not make that verification, Provider must notify the GLO and state why the verification is not required.
41. If Provider is a “professional sports team” as defined by Texas Occupations Code Section 2004.002, Provider will play the United States national anthem at the beginning of each team sporting event held at the Provider’s home venue or other venue controlled by Provider for the event. Failure to comply with this obligation constitutes a default of this Contract, and immediately subjects Provider to the penalties for default, such as repayment of money received or ineligibility for additional money. In addition, Provider may be debarred from contracting with the State. The GLO or the Attorney General may strictly enforce this provision.

GLO Information Security Appendix (CDBG)

The term encompasses both suspected and confirmed incidents involving GLO Data which raise a reasonable risk of harm to the GLO or an individual. A Breach of Security occurs regardless of whether caused by a negligent or intentional act or omission on part of Provider and/or aforementioned entities.

“**GLO Data**” means any data or information, which includes PII and/or SPI as defined below, collected, maintained, and created by the GLO, for the purpose of providing disaster assistance to an individual, that Provider obtains, accesses (via records, systems, or otherwise), receives (from the GLO or on behalf of the GLO), or uses in the performance of the Contract or any documents related thereto. GLO Data does not include other information that is lawfully made available to Provider through other sources.

“**Personal Identifying Information**” or “**PII**” means information that alone, or in conjunction with other information, identifies an individual as defined at Tex. Bus. & Com Code 521.002(a)(1).

“**Sensitive Personal Information**” or “**SPI**” means the personal information identifying an individual as defined at Tex. Bus. & Com. Code 521.002(a)(2).

All defined terms found in the Contract shall have the same force and effect, regardless of capitalization.

2. Security and Privacy Compliance

- 2.1. Provider shall keep all GLO Data received under the Contract and any documents related thereto strictly confidential.
- 2.2. Provider shall comply with all applicable federal and state privacy and data protection laws, as well as all other applicable regulations.
- 2.3. Provider shall implement administrative, physical, and technical safeguards to protect GLO Data that are no less rigorous than accepted industry practices including, without limitation, the guidelines in the National Institute of Standards and Technology (“NIST”) Cybersecurity Framework Version 1.1. All such safeguards shall comply with applicable data protection and privacy laws.
- 2.4. Provider will legally bind any contractor(s)/subcontractor(s) to the same requirements stated herein and obligations stipulated in the Contract and documents related thereto. Provider shall ensure that the requirements stated herein are imposed on any contractor/subcontractor of Provider’s subcontractor(s).
- 2.5. With the exception of contractors and subcontractors as they are addressed in Section 2.4, Provider will not share GLO Data with any third parties, except as necessary for

Provider's performance under the Contract and upon the express written consent of the GLO's Information Security Officer or his/her authorized designee.

- 2.6. Provider will ensure that initial privacy and security training, and annual training, thereafter, is completed by its employees or contractor/subcontractors that have access to GLO Data or who create, collect, use, process, store, maintain, disseminate, disclose, dispose, or otherwise handle PII and/or SPI on behalf of the GLO. Provider shall maintain and, upon request, provide documentation of training completion.
- 2.7 Any GLO Data maintained or stored by Provider or any contractor/subcontractor must be stored on servers or other hardware located within the physical borders of the United States and shall not be accessed outside of the United States.
- 2.8 Provider shall require that all individuals allowed to access GLO Data pursuant to this Contract sign a confidentiality and non-disclosure agreement ("NDA") before being given access to GLO Data. At a minimum, the NDA shall inform all individuals of the confidential nature of the GLO Data, the security and non-disclosure requirements of this Contract, and the potential criminal penalties and civil remedies specified in federal and state laws that may result from the unauthorized disclosure of GLO Data. The NDA shall require all individuals to acknowledge that the GLO or the United States government, including the U.S. Department of Housing and Urban Development, will seek any remedy available, including all administrative, disciplinary, civil, or criminal action(s) or penalties, as appropriate, for any unauthorized disclosure of GLO Data. Provider shall provide the GLO copies of any and all NDAs upon request or demand by the GLO.
- 2.9 Provider shall only use GLO Data for the purposes of administering the Project(s).

3. Data Ownership

- 3.1. The GLO shall retain full ownership of all GLO Data, which includes PII and/or SPI, disclosed to Provider or to which Provider otherwise gains access by operation of the Contract or any agreement related thereto.
- 3.2. If, at any time during the term of the Contract or upon termination of the Contract, whichever occurs first, any part of the GLO Data, in any form, provided to Provider ceases to be necessary for Provider's performance under the Contract, Provider shall within fourteen (14) days thereafter securely return such GLO Data to the GLO, or, at the GLO's written request, destroy, uninstall, and/or remove all copies of data in Provider's possession or control and certify to the GLO that such tasks have been completed. Provider shall provide certification of such destruction of GLO Data. If such return is infeasible, as mutually determined by the GLO and Provider, the obligations set forth in this Attachment, with respect to GLO Data, shall survive termination of the Contract and Provider shall prohibit any further use and disclosure of GLO Data.

4. Data Mining

- 4.1. Provider shall not use GLO Data for unrelated commercial purposes, advertising or advertising-related services, or for any other purpose not explicitly authorized by the GLO in this Contract.
- 4.2. Provider shall take all reasonable physical, technical, administrative, and procedural measures to ensure that no unauthorized use or access of GLO Data occurs.

5. Breach of Security

- 5.1. Provider shall provide the GLO with the name and contact information for an employee of Provider which shall serve as the GLO's primary security contact.
- 5.2. Upon Provider's discovery of a Breach of Security or suspected Breach of Security, Provider shall notify the GLO as soon as possible, but no later than 24 hours after discovery of the Breach of Security or suspected Breach of Security. Within 72 hours, Provider shall provide to the GLO, at minimum, a written preliminary report regarding the Breach or suspected Breach to the GLO with root cause analysis including a log detailing the data affected.
- 5.3. Provider shall submit the initial notification and preliminary report to the GLO Information Security Officer at informationsecurity@glo.texas.gov.
- 5.4. Provider shall take all reasonable steps to immediately remedy a Breach of Security and prevent any further Breach of Security.
- 5.5. Provider shall not inform any third party of any Breach of Security or suspected Breach of Security without first obtaining GLO's prior written consent unless such action is required by law or is limited to third party personnel that have a need to know for the sole purpose of containing or remediating the Breach of Security or suspected Breach of Security. However, while a third party may be informed of the Breach or suspected Breach for the sole purpose of containing or remediating it, no GLO Data shall be shared with such third party unless express written permission is obtained from the GLO in accordance with Section 2.5. Provider will legally bind such third party to the same requirements stated herein and obligations stipulated in the Contract and documents related thereto as soon as practicable upon securing such third party to contain or remediate the Breach of Security or suspected Breach of Security.
- 5.6. Notwithstanding the remedies provided in the Contract, if a Breach of Security includes SPI, Provider shall, at the discretion of the GLO, notify affected individuals of such Breach and provide affected individuals complimentary access to one (1) year of credit monitoring services.

6. Right to Audit

- 6.1 Upon the GLO's request and to confirm Provider's compliance with this Attachment, Provider grants the GLO, or a GLO-contracted vendor, permission to perform an assessment, audit, examination, investigation, or review of all controls in Provider's, or Provider's contractor/subcontractor's, physical and/or technical environment in relation to GLO Data. Provider shall fully cooperate with such assessment by providing access

to knowledgeable personnel, physical premises, documentation, infrastructure and application software that stores, processes, or transports GLO Data. In lieu of a GLO-conducted assessment, audit, examination, investigation, or review, Provider may supply, upon GLO approval, the following reports: SSAE18, ISO/ICE 27001 Certification, FedRAMP Certification, and PCI Compliance Report. Provider shall ensure that this clause concerning the GLO's authority to assess, audit, examine, investigate, or review is included in any contract/subcontract that Provider awards.

- 6.2 At the GLO's request, Provider shall promptly and accurately complete a written information security questionnaire provided by the GLO regarding Provider's business practices and information technology environment in relation to GLO Data and the GLO shall consider such information to be confidential to the extent allowed by law.
