- b) Except as otherwise expressly provided in this Work Order, terms defined in the Contract have the same meanings in this Work Order.
- c) If the Contract, this Work Order, or any Attachments conflict, such conflicts shall be resolved in the order of priority established in the Contract. **Re: Butterfield Trail MUDS 1 & 2
Utility Requirements Scope Description
TRE Proposal No. 24067**

Dear Ms. Long:

TRE & Associates, LLC (TRE) is pleased to present this proposal to the State of Texas General Land Office (GLO) for professional services to determine the water and wastewater facilities necessary to provide service to the approximately 1200 acres of GLO land located generally west and east of Loop 375 intersection north of Montana Boulevard (U.S. Highway 62 & 180) in El Paso County, Texas. TRE previously assisted the GLO with the delineation of land uses within the Development Tract, coordinated with the Texas Department of Transportation (TxDOT) regarding site access improvements, and provided engineering support for the creation of Butterfield Trail Municipal Utility District Nos. 1 and 2 (BTMUD1 & 2) through the Texas Commission on Environmental Quality.

It has been the intent of the GLO to prepare the property for sale or development partnership by creating entitlements on the property through the establishment of the municipal utility districts and construction of frontage roads abutting the property. TRE and members of the GLO staff have also met with the El Paso Water Utilities/Public Service Board (PSB) for the provision of wholesale water and wastewater service to BTMUD1 & 2 to support development demands.

PSB is currently in the process of preparing a study to evaluate the option of the construction of a wastewater treatment facility in close proximity to the subject property. TRE will continue to work with the PSB to evaluate and identify the potential costs for the provision of water and wastewater services to BTMUD1 & 2 on a wholesale basis and will prepare a summary memorandum to the GLO for its use in evaluating future plans for the property. TRE will provide the updated PSB study along with the cost summary memorandum as a conclusion to the development and entitlement study previously contracted for the property for the remaining contract amount of \$25,000.

TRE & Associates, LLC

Ms. Amber Long

Invoices will be submitted upon acknowledgement from the GLO representative as required for the billing milestone. The invoice will include any expenses that TRE has incurred for printing costs in reaching the milestone.

We appreciate the opportunity to present this proposal. Should it be acceptable, we look forward to receipt of an executed Engineering Services Contract to initiate the study.

Sincerely,

TRE & Associates, LLC

REQUIRED INSURANCE

GENERALLY. Provider shall, at its sole expense, acquire, maintain, and keep in force for the duration of this Contract, insurance in the amounts attached herein and under the requirements specified herein. Furthermore, unless specified or otherwise agreed to by the GLO, the required insurance shall be in effect prior to the commencement of work by Provider and shall continue in full force until the earlier as appropriate of (i) the expiration of this Contract; or (ii) such time as the GLO notifies Provider that such insurance is no longer required. Any insurance or self-insurance available to the GLO shall be in excess of, and non-contributing with, any insurance required from Provider. Provider's insurance policies shall apply on a primary basis. If, at any time during the Contract, an insurer or surety fails to provide insurance to Provider or otherwise fails to comply with the requirements of this Contract, Provider shall immediately notify the GLO and replace such insurance or bond with an insurer meeting such requirements. General aggregate limits of Provider's Commercial General Liability policy shall apply per project. Provider's auto insurance policy shall apply to "any auto."

Approval. Prior approval of the insurance policies by the GLO shall be a condition precedent to any payment of consideration under this Contract and insurance must be submitted for review and approval by the GLO prior to the commencement of work. Any failure of the GLO to timely approve or failure to disapprove the insurance furnished by Provider shall not relieve Provider of Provider's full responsibility to provide the insurance required by this Contract.

Continuing Coverage. The GLO's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent to this Contract.

Renewal. Provider shall provide the GLO with renewal or replacement certificates no less than thirty (30) days before the expiration or replacement of the required insurance.

Additional Insured Endorsement. The GLO, its officers, employees, and authorized agents shall be named as additional insureds for all liability arising under this Contract except on Workers' Compensation and Professional Liability policies. **An original additional insured endorsement signed by an authorized insurance company representative must be submitted to the GLO to evidence the endorsement of the GLO as an additional insured on all policies, and the certificate(s) must reference the related GLO Contract Number.**

Subrogation. Each liability insurance policy, except Professional Liability, shall provide for a waiver of subrogation as to the State of Texas, the GLO, and their officers, employees, and authorized agents, and shall be issued by insurance companies authorized to do business in the State of Texas, and currently rated by A.M. Best as "A-" or better.

Policy Cancellation Endorsement. Except for ten (10) days' notice for non-payment of premium, each insurance policy shall be endorsed to specify that without 30 days' prior

A copy of this signed endorsement must be attached to this Contract.

Alternative Insurability. Notwithstanding the requirements of this Attachment, the GLO reserves the right to consider reasonable alternative methods of insuring the contract in lieu of the insurance policies and/or bonds required. It will be Provider's responsibility to recommend to the GLO alternative methods of insuring the Contract. Any alternatives proposed by Provider should be accompanied by a detailed explanation regarding Provider's inability to obtain insurance coverage as described in this Contract. The GLO shall be the sole and final judge as to the adequacy of any substitute form of insurance coverage.
