ARTICLE I. EXECUTIVE SUMMARY, DEFINITIONS, AND AUTHORITY

1.1. EXECUTIVE SUMMARY

The Texas General Land Office (GLO) is statutorily responsible for removing debris or structures from public beaches following a weather-related disaster declaration, including hurricanes and other natural disasters. As part of its emergency response planning efforts, the GLO invites Statements of Qualifications (SOQs) from highly skilled Contractor(s) to remove debris and provide minor demolition services for damaged structures along the Texas coast following the declaration of a state of disaster. In the event of a declared disaster, work order(s) shall be awarded to Contractors qualified under this Solicitation in accordance with all applicable procurement and contracting laws and GLO policy. Cost proposals shall not be submitted with any SOQ submitted in response to this Solicitation; cost proposals and work plans specific to the scope of each work order shall be requested from the Contractor(s) qualified under this Solicitation at the time of the declared emergency.

Respondents to this Solicitation (i) must have demonstrated experience conducting large debris removal operations; (ii) must be able to deploy within seventy-two (72) hours after the occurrence of a natural disaster; and (iii) must have experience working with the Federal Emergency Management Agency (FEMA). Respondents must demonstrate the ability to remove, sort, handle, transport, and dispose of all types of debris, including hazardous debris, in accordance with all applicable federal, state, and local laws, codes, regulations, and procedures, including Occupational Safety and Health Administration (OSHA) requirements. All work shall be performed in accordance with the FEMA Public Assistance Program and Policy Guide, FP-104-009-2 (January 2016), <http://www.fema.gov/media-library/assets/documents/111781>.

Respondents must execute **Exhibit A**, *Affirmations and Solicitation Acceptance*, and **Exhibit B**, *Federal Affirmations* and complete other items listed on the *Submission Checklist* (Article VII) to be considered. Additional information on the GLO and its programs can be found at <http://www.glo.texas.gov>.

1.2. DEFINITIONS

“**Addendum**” means a written clarification or revision to the Request for Qualifications issued by the General Land Office. Respondents must acknowledge receipt of any addenda in the submission of the Solicitation Response.

“**Affiliate**” means any individual or entity that, directly or indirectly, is in control of, is controlled by, or is under common control with, Respondent. Respondent shall be deemed to control another entity if either possesses, directly or indirectly, the power to direct or cause the direction of the management and policies of the other entity, whether through the ownership of voting securities, membership interests, by contract, or otherwise.

“CFR” means the Code of Federal Regulations (CFR), the codification of the general and permanent rules and regulations (sometimes called administrative law) published in the Federal Register by the executive departments and agencies of the federal government of the United States.

“Contractor” means the Respondent(s) awarded contract(s) under this Solicitation.

“ESA” means Environmentally Sensitive Area.

“ESBD” means the Electronic State Business Daily, <http://esbd.cpa.state.tx.us/>.

“FEMA” means the Federal Emergency Management Agency.

“General Work Order” or “Work Order” means specific, written authorization to perform the task(s) listed therein.

“GLO” means the General Land Office.

“HUB” means Historically Underutilized Business as defined by Chapter 2161 of the Texas Government Code.

“HUB Subcontracting Plan” or “HSP” means the form required by Texas Government Code §2161.252 and Texas Administrative Code §20.14 for each contract with an expected value of \$100,000 or more, in which Respondents must demonstrate a Good Faith Effort to subcontract with HUBs. The HSP is posted to the ESBD as a separate file accompanying this Solicitation and must be included with the Solicitation Response.

“IDIQ” means Indefinite Delivery / Indefinite Quantity.

“OSHA” means the U.S. Occupational Safety and Health Administration.

“Project” means the work to be performed as described in any contracts and work orders awarded pursuant to this solicitation, Beach Debris Removal Services.

“Respondent” means the entity responding to this Solicitation.

“RFQ” means Request for Qualifications.

“Solicitation” means this RFQ.

“Solicitation Response” means the Respondent’s entire response to this Solicitation, including all documents requested in Articles III and V.

“SOQ” means Statement of Qualifications.

“State” means the State of Texas and any state agency; the GLO or state agency identified in this Solicitation, its officers, employees, or authorized agents.

1.3. AUTHORITY

The GLO is soliciting the services listed herein under Chapter 418 and Chapters 2155 – 2156 of the Texas Government Code, and Chapters 33, 51, and 61 of the Texas Natural Resources Code.

ARTICLE II. SCOPE OF WORK

2.1. SCOPE OF SERVICES REQUESTED

The GLO is seeking debris removal and minor demolition services, to consist of clearing and removing or demolishing, as applicable, any and all disaster-related debris or structures from the public beach or other areas under the control of the GLO along the Texas Gulf Coast. Contractor(s) will be subject to monitoring by the GLO's debris removal monitoring firm. All work shall be performed in accordance with the FEMA Public Assistance Program and Policy Guide, FP-104-009-2 (January 2016), <http://www.fema.gov/media-library/assets/documents/111781>.

The GLO intends to identify qualified Respondents capable of providing the services described in this Solicitation for the entire Texas Gulf Coast and the bays and estuaries in the gulf coast region, and shall award contracts that will ensure that Contractors are available to service all areas of the Texas Gulf Coast. Solicitation Responses shall describe in detail any geographic limitations on the Respondent's ability to provide the requested services. For example, a Respondent may be able to provide the requested services only in the Galveston area. Such a limitation will not preclude a Respondent from qualification, but information about any such limitation is critical to the emergency response planning efforts of the GLO.

In its Solicitation Response, Respondent(s) must demonstrate the ability to perform the services described under this section and specifically enumerated under this Article. The selected Respondent(s) shall be bound to specific terms and conditions found in **Exhibit C**, the GLO's sample contract, and **Exhibit D**, the GLO's sample work order. These terms and conditions are subject to change prior to the execution of any contract or work order that may result from this Solicitation.

2.2. DESCRIPTION OF SERVICES AND SPECIAL CONDITIONS

2.2.1 Services Required

Respondent must demonstrate to the GLO its ability to remove, sort, handle, transport, and dispose of all types of debris, including hazardous debris. Respondent shall also describe any experience with minor demolition of damaged structures. Solicitation Responses must specifically describe Respondent's experience performing the following tasks:

- a) examining debris to determine whether or not it is storm-related in accordance with the FEMA Public Assistance Program and Policy Guide, FP-104-009-2 (January 2016);
- b) removing large debris including, but not limited to, remnants of destroyed buildings and infrastructure such as wood pilings, appliances, concrete, and

road remnants (partially exposed debris, such as concrete and pilings, must be removed in its entirety);

- c) loading large debris;
- d) clearing the beach of small debris;
- e) sorting debris to separate recyclable debris from other debris; and
- f) demolishing small structures.

2.2.2 Debris Removal and Management Plan / Staffing Plan

In the event of a declared emergency, the GLO shall request proposals from qualified Contractor(s) selected under this Solicitation to perform the specific services required. At that time, Contractor(s) shall be required to submit a detailed debris removal and management project work plan, along with a cost proposal for the specific project. Contractor(s) must include in the work plan(s) the proposed location of sites for disposal of debris, including staging, temporary, permanent, backup, and hazardous sites. Contractor(s) must include the approximate size, location, and handling capacity of debris sorting sites for debris removed and the ground area that will be required for such sites. Any debris not listed in Section 2.2.5 shall be removed only after receipt of written approval from the GLO.

Contractor(s) will be required to describe in detail the staffing necessary to complete the project in accordance with its specific cost proposal. Contractor(s) must describe how personnel will be teamed with equipment to form work crews; how many cubic yards a work crew can generally remove per shift; and Contractor's plan for scheduling work crews in shifts to accelerate the completion of the project. Contractor(s) shall describe proposed alternate disposal methods, other than landfills, which may be used and what type of material will be considered. Contractor(s) will be required to provide a detailed unit price for each type of proposed activity in the cost proposal (i.e., retrieving wet debris, loading, hauling, processing, etc.).

2.2.3 OSHA Compliance

In its response to this Solicitation, Respondent must affirm that it shall observe the rules and regulations governing Occupational Safety and Health Standards as published by OSHA, Department of Labor, for all operations and all work that may be performed as requested in this Solicitation. 29 CFR 1910.120 describes OSHA requirements pertaining to hazardous waste operations and emergency response, including training requirements for personnel.

2.2.4 Environmental Considerations / Environmentally Sensitive Areas

Contractor shall provide all management, tools, supplies, equipment, labor, and applicable licenses and permits necessary for debris removal operations and to ensure that debris removal and disposal services are executed in a manner that will restore a safe and environmentally sound condition to the site. Contractor shall account for the special treatment of hazardous waste, as well as the environmental implications related to debris management. Contractor must: obtain all applicable rights-of-way; provide all applicable training to personnel; ensure the proper certification of all equipment; provide all applicable safety measures; locate and avoid all utility installations, public or private, that may be impacted by their operations; avoid causing damage to all cultural and natural resources and critical habitats; and provide for the observation of all other applicable state or federal regulatory requirements.

Removals from and work in Environmentally Sensitive Areas (ESAs), as identified by the GLO, located within the debris removal area of a proposed project, must be conducted in a manner that minimizes impacts to natural resources in accordance with any applicable United States Army Corps of Engineers permit. During removal operations, the Contractor shall comply with the requirements of the Texas Oil Spill Prevention and Recovery Act, Chapter 40 of the Texas Natural Resources Code, and the regulations thereunder. Additionally, debris removal actions shall be coordinated with federal and state natural resource trustees to minimize the impact to natural, historical, or cultural resources.

Any species of fish or wildlife injured or killed during debris removal activities, or discovery of these resources during operations, must be reported to the appropriate trustee agency for proper determination and action.

2.2.5 Classification of Debris

Debris shall be classified as construction and demolition debris (C&D); vessels/boats/barges; tanks; shipping containers; dumpsters; vegetative materials larger than one cubic foot that restrict flows or pose a health and safety risk; or various types of motor vehicles. Examples of debris to be removed and disposed of include the following:

- a) Vegetation such as leaves, branches, uprooted shrubs, and trees;
- b) Construction debris such as asphalt, blinds, brick, carpet, concrete, drywall, electrical wires, lamps, glass, insulation materials, copper, steel, aluminum, tile, pipe, plastic, vinyl, wood, and other building material;
- c) Personal items such as books, papers, clothing, all valuables, and cooking utensils;

- d) Vehicles, boats, or other motorized equipment;
- e) Firearms, ammunition, explosives, and any other weapons;
- f) Household or office items such as appliances, furniture, computer equipment, and telephones; and
- g) Hazardous wastes such as biomedical wastes, cleaning agents, combustibles, explosives, fertilizers, oils, paints, pesticides, and solvents.

2.2.6 Performance Schedule and Requirements

- a) Contractor will be required to commence mobilization immediately upon award of a General Work Order and shall be fully mobilized within five (5) days of award.
- b) Contractor shall manage the hauling operation to coincide with debris removal operations, not to exceed twelve (12) hours per day, seven (7) days per week or as governed by local ordinances and restrictions.
- c) Contractor must provide documentation of debris removal and the identification of debris by type and amount removed, as well as post-debris removal documentation.
- d) All work performed under a contract resulting from this Solicitation will be coordinated with the GLO's debris monitoring firm. The Contractor will be responsible for documenting debris removed in detail, and shall present detailed expense reports reflecting all costs of contract performance.
- e) Contractor will be responsible for ensuring complete debris removal, as determined by the GLO and the appropriate state and federal officials. If services in the area are determined to be incomplete, the Contractor shall return and complete the debris removal.
- f) The sorting of the collected debris into non-hazardous waste, appliances (white waste), electronic waste (e-waste), household hazardous waste, and other hazardous waste (tanks and drums) into separate, transportable containers suitable for over-the-road transportation of hazardous and non-hazardous waste is to be accomplished by personnel with appropriate training under applicable local, state and federal regulations.
- g) The disposal of all hazardous and non-hazardous wastes must be accomplished by approved disposal methods, including obtaining all applicable state and federal permits for the transportation and disposal of hazardous and non-hazardous wastes. **Hazardous waste items (orphan tanks, drums, household hazardous wastes, etc.) have top priority for**

removal. Contractor must use standard procedures for identifying and conducting removals of known and potential hazardous materials, using qualified personnel and approved procedures. All visible, or known, hazardous materials shall be removed from debris fields prior to the application of gross removal methods. The Contractor is responsible for obtaining all hazardous waste hauling and disposal permits, and will execute all required hazardous waste manifesting requirements.

- h) Contractor shall use approved hauling routes as designated by local, state, and federal authorities. In order to prevent problems with traffic, noise, wear and tear on roads, or other problems having the potential to adversely affect health, safety, or the environment, the GLO reserves the right to regulate route selection, intervals, delivery points, and times for collection. The landing of all collected debris to temporary staging areas is the responsibility of the Contractor.
- i) Contractor shall use caution when removing, transferring and hauling any salvageable items. Contractor is responsible for marking and reporting to the GLO and the U.S. Coast Guard any debris that cannot be recovered or removed for proper disposal during the operation and shall use equipment and techniques that will minimize damage to salvageable items.
- j) Contractor may be required to recycle certain debris for beneficial use. The GLO may allow the Contractor to take possession of recoverable debris materials and take a credit to reflect that value within the terms of the contract and work order(s). The recovery and disposal of abandoned or sunken vessels must be performed in accordance with the requirements of all federal, state, and local ordinances, laws, and regulations.
- k) Contractor must contain or enclose all debris to prevent leaking, spilling, or loss of debris, liquids, or dusts during overland transport. The debris shall be disposed of in approved landfills or temporarily staged areas provided by the Contractor. Disposal by burning is not allowed. Recycling is encouraged for both waste reduction and cost reduction purposes.
- l) Contractor must consult with the Texas State Historical Commission for archaeological sites eligible for the National Register of Historic Places within the proposed operation areas. Sites located must be avoided to protect them from adverse impacts during removal operations. Locations of these sites will be disclosed to key personnel performing the operations to ensure avoidance of the sites. If debris is located within an archaeological site, the Contractor is to notify the GLO. These recommendations will be coordinated with state and federally recognized American Indian tribes. If human remains and funerary objects are inadvertently discovered, the Contractor must cease operations in the immediate area, protect the discovery, and notify the GLO.

- m) Upon completion of the debris removal, the Contractor will repair all areas damaged by Contractor's vehicles/equipment to meet the appearance of the surrounding area.

2.2.7 Reporting Requirements

Contractor must submit daily reports to the GLO Project Manager, highlighting operations completed each day (accomplishments, issues, delays, etc.), as well as operations that are planned for the next day.

At the project's conclusion, Contractor must submit written certification to the GLO Project Manager that all project-related activities and all deliverables have been completed, and that they were performed in accordance with all applicable federal, state, and local laws, rules, regulations, statutes, and ordinances. Such certification shall be submitted on the GLO's Project Completion Report Form.

The GLO Project Manager will provide Contractor with a written notice of acceptance and approval to invoice, upon confirmation that all work has been inspected and completed, and all required documentation has been received. If Contractor fails to provide deliverables timely or to perform satisfactorily under conditions required by any contract or work order resulting from this Solicitation, the GLO may require Contractor, at its sole expense, to repair all defective or damaged deliverables and, in conjunction therewith, require Contractor to accept the return of such deliverables; and/or take necessary action to ensure that future performance and deliverables conform to the contract requirements.

2.3. CONTRACT AND TERM

The GLO intends to award one or more indefinite delivery / indefinite quantity contracts for the services requested under this Solicitation. The term of any contract resulting from this Solicitation shall be from contract execution until January 31, 2018. The GLO, at its own discretion, may extend any contract awarded pursuant to this Solicitation for up to three (3) additional one (1) year terms, subject to terms and conditions mutually agreeable to both parties.

2.4. NO GUARANTEE OF VOLUME OR USAGE

The GLO makes no guarantee of volume or usage under any contract resulting from this Solicitation.

2.5. WORK ORDER AUTHORIZATION

During the term of any contract awarded under this Solicitation, the GLO may request Contractor to perform certain tasks as described above, subject to specific work

authorization in the form of a General Work Order (work order), a sample of which is attached hereto and incorporated herein by reference for all purposes as **Exhibit D**. The terms and conditions in **Exhibit D** are subject to change prior to the execution of any work order that may result from any contract awarded under this Solicitation. There may be additional statutory requirements that Contractor must abide by that will be incorporated into the work order based on the specific source(s) of funding.

All work orders shall be in writing, signed by both parties, and shall include a scope of services, a list of tasks to be performed by Contractor, a time schedule, a list of deliverables if any, anticipated employee hours and hourly rates, and such other information or special conditions as may be necessary for the work requested.

2.6. EMERGENCY DECLARATION ACTIVATION

Contractor(s) will receive activation notice(s) from GLO personnel to proceed via e-mail or telephone, depending on the type of emergency and danger to the public or government property. Executed work order(s) are required prior to initiating mobilization at any work site for all work required during the declared emergency.

The only exception to the single point of contact is the HUB Coordinator. Should Respondents have questions regarding proper completion of the HUB Subcontracting Plan form, please contact Mindy Sue Cohen, HUB Coordinator at Mindy.Cohen@GLO.Texas.Gov.

3.2.2 Clarifications

The GLO will allow written requests for clarification of this Solicitation. Questions may be faxed or e-mailed to the point-of-contact listed in section 3.2.1 above. Respondents' names shall be removed from questions in the responses released. Questions shall be submitted in the following format. Submissions that deviate from this format may not be accepted:

- a) Identifying Solicitation number
- b) Section number
- c) Paragraph number
- d) Page number
- e) Text of passage being questioned
- f) Question

NOTE: The deadline for submitting questions is noted in Section 3.1 above. Please provide company name, address, phone number; fax number, e-mail address, and name of contact person when submitting questions.

3.2.3 Responses

All accepted questions will result in written responses with copies posted to the ESBD at: <http://esbd.cpa.state.tx.us/>. It is Respondent's responsibility to check the ESBD or contact the point-of-contact in Section 3.2.1 for updated responses.

3.2.4 Prohibited Communications

On issuance of this Solicitation, except for the written inquires described in Section 3.2.1 above, the GLO, its representative(s), or partners will not answer questions or otherwise discuss the contents of this Solicitation with any potential Respondent or their representative(s). Attempts to ask questions by phone or in person will not be allowed or recognized as valid. **Failure to observe this restriction may disqualify the Respondent.** Respondent shall rely only on written statements issued through or by the GLO's purchasing staff. This restriction does not preclude discussions between affected parties for the purposes of conducting business unrelated to this Solicitation.

3.2.5 Pre-Submittal Conference

The GLO will conduct an optional pre-submittal conference on November 30, 2016 at 9:30 AM Central Time in Room 940A (9th floor) of the Stephen F. Austin Building, located at 1700 N. Congress Avenue, Austin, Texas 78701. The pre-submittal conference is optional, and all Respondents are invited to attend.

3.3. SOLICITATION RESPONSE COMPOSITION

3.3.1 Generally

Respondent(s) shall complete and submit:

- a) One (1) original Statement of Qualifications (SOQ) marked “ORIGINAL” and four (4) copies;
- b) One (1) HUB Subcontracting Plan (HSP); and
- c) One (1) electronic copy of the entire Solicitation Response on a USB flash drive or CD in Portable Document Format (PDF), clearly labeled with the Respondent’s name and “GLO RFQ X0010955-SK.” USB flash drives/CDs will not be returned to the Respondent(s).

Failure to meet this condition may result in disqualification of the offer, and Respondent(s) shall receive no further consideration. The Solicitation Response must include all documents requested in the last Article of this Solicitation, the *Submission Checklist*. Expensive bindings, colored displays, promotional materials, etc., are not necessary or desired. Respondent(s) should focus on the instructions and requirements of the Solicitation. Respondent is responsible for all costs related to the preparation of its Solicitation Response.

3.3.2 Discrepancies

If discrepancies are found among copies of the Solicitation Response, the “ORIGINAL” will be the basis for resolving any discrepancies. If Respondent fails to designate an “ORIGINAL,” the GLO may reject the Solicitation Response. However, the GLO in its sole discretion may select a copy to be used as the original.

3.3.3 Solicitation Response Format

For ease of evaluation, the Solicitation Response shall be presented in a format that corresponds to, and references sections outlined within, this Solicitation and shall be presented in the same order. Responses to each section and subsection shall be labeled clearly to indicate the item being addressed. Exceptions to this will be considered during the evaluation process.

3.3.4 Page Limit and Supporting Documentation

Solicitation Responses should not exceed 40 pages in length, not including appendices or attachments, and should be formatted as follows: 8 ½” x 11” paper, 12-point font size, and single-sided. **Exhibit A**, **Exhibit B**, Dun & Bradstreet Report, Annual Report, and the HUB Subcontracting Plan are considered attachments and do not count towards the 40-page limit. If complete responses cannot be provided without referencing supporting documentation, such documentation must be provided with the Solicitation Response, with specific references made to the tab, page, section, and/or paragraph where the supporting information can be found.

3.4. SOLICITATION RESPONSE SUBMISSION AND DELIVERY

3.4.1 Deadline

Solicitation Responses must be received at the address in Section 3.4.3 and time-stamped no later than as specified in Section 3.1. Respondents may submit their Solicitation Responses any time prior to that deadline.

NOTE: A US Postal Service (USPS) postmark or round validation stamp; a mail receipt with the date of mailing stamped by the USPS; a dated shipping label, invoice, or receipt from a commercial carrier; or any other documentation in lieu of the GLO’s on-site time stamp WILL NOT be accepted.

3.4.2 Labeling

Solicitation Responses shall be placed in a sealed envelope or box and clearly labeled as follows:

REQUEST FOR QUALIFICATIONS NO: X0010955-SK
SUBMISSION DEADLINE: December 20, 2016
FOR: Beach Debris Removal Services

The GLO will not be held responsible for Solicitation Response envelopes mishandled as a result of being improperly prepared. It is Respondent’s responsibility to mark appropriately and deliver the Solicitation Response to the GLO by the specified date and time.

3.4.3 Delivery

Respondent must deliver Solicitation Responses by one of the methods below. Proposals submitted electronically or by facsimile will NOT be considered.

U.S. Postal Service	Overnight/Express Mail	Hand Delivery
Texas General Land Office P.O. Box 12873 Austin, Texas 78711-2873	Texas General Land Office 1700 North Congress Ave. Stephen F. Austin Bldg., Room B-30 Austin, Texas 78701 512.463.5186	Texas General Land Office 1700 North Congress Ave. Stephen F. Austin Bldg., Room B-30 Austin, Texas 78701

3.4.4 Alterations, Modifications, and Withdrawals

Solicitation Responses may be modified, altered, or withdrawn by written notice, provided such notice is received prior to the opening of the Solicitation Response.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

ARTICLE IV. SOLICITATION RESPONSE EVALUATION & AWARD PROCESS

4.1. EVALUATION CRITERIA

4.1.1 Conformance with State Law

Solicitation Responses shall be evaluated in accordance with Chapters 33, 51, and 61 of the Texas Natural Resources Code and Chapters 2155-2157 and Chapter 418 of the Texas Government Code as they relate to the “Best Value” standard and emergency management of coastal and public domain resources. The GLO shall not be obligated to accept the lowest priced proposal, but shall make an award to the Respondent that provides the “Best Value” to the State of Texas for each specific project identified by the GLO.

4.1.2 Minimum Qualifications

Respondents must meet the minimum qualifications listed below. Furthermore, Solicitation Responses that appear unrealistic in terms of technical commitment, that show a lack of technical competence, or that indicate a failure to comprehend the risk and complexity of a potential contract may be rejected.

Respondent shall submit a summary (not to exceed two (2) pages) that provides specific support for meeting the minimum qualifications outlined in this Section. This support can specifically state how the Respondent meets each minimum qualification or can direct the evaluators to the appropriate section of the Solicitation Response that provides support for the Respondent satisfying each minimum qualification.

4.1.2.1 Respondents must have been in business for a minimum of five (5) years, or the principals/owners must have had ownership/executive management experience in a previous company that provided beach debris removal services;

4.1.2.2 Respondents shall have demonstrated experience in conducting large beach debris removal operations within the past three (3) years;

4.1.2.3 Respondents must have experience working with the Federal Emergency Management Agency (FEMA), and;

4.1.2.4 Respondents must be financially solvent and adequately capitalized.

4.1.3 Selection Criteria

Solicitation Responses shall be consistently evaluated and scored in accordance with the following criteria:

- 4.1.3.1 Demonstrated Experience and Qualifications: evaluated based on the Respondent's ability to perform the services enumerated in Article II, *Scope of Work*, as demonstrated in the Solicitation Response; and on the information provided by Respondent in response to Article V of this Solicitation, *Required Respondent Information*. (80%)
- 4.1.3.2 References: specific experience documented by returned references with this particular type of work. References shall demonstrate successful working relationships, including customer service, communications, and reporting; Respondent's performance on similar projects; and timely and on-budget project completion. (20%)
- 4.1.3.3 The GLO will review the Texas Comptroller of Public Accounts Vendor Performance Tracking System to verify vendor performance on other State contracts, if available. The evaluation committee may utilize this information to:
- a) Identify vendors that have exceptional performance.
 - b) Aid purchasers in making a best value determination based on vendor past performance.
 - c) Protect the state from vendors with unethical business practices.

NOTE: In order to clarify any response, the Solicitation evaluation committee may contact references provided in response to this Solicitation, contact Respondent's clients, or solicit information from any available source concerning any aspect of the Solicitation deemed pertinent to the evaluation process.

4.2. SHORT LIST

The GLO expects to make an initial evaluation of the Solicitation Responses to develop a short list of finalists. However, the GLO is not obligated to develop this list. If a list is developed, all Respondents will be notified in writing whether or not they are finalists.

4.3. ORAL PRESENTATION

The GLO may require an oral presentation from any or all Respondents. Respondents will be provided with advance notice of any such oral presentation and are responsible for their own presentation equipment. Failure to participate in the requested presentation may eliminate a Respondent from further consideration. The GLO is not responsible for any costs incurred by the Respondent in preparation for the oral presentation.

4.4. MULTIPLE AWARDS

It is the intent of the GLO to award multiple contracts under this Solicitation. An award notice will be sent to the selected Respondent(s). Any award is contingent upon the successful negotiation of final contract terms and upon approval of the Chief Clerk of the GLO. Negotiations shall be confidential and not subject to disclosure to competing Respondents unless and until an agreement is reached. If contract negotiations cannot be concluded successfully, the GLO may negotiate a contract with the next highest scoring Respondent or may withdraw this Solicitation.

NOTE: Solicitation Responses are subject to the Texas Public Information Act, Chapter 552 of the Texas Government Code, and will be withheld from or released to the public only in accordance therewith.

ARTICLE V. REQUIRED RESPONDENT INFORMATION

5.1. RESPONDENT INFORMATION

Respondent must provide satisfactory evidence of its ability to manage and coordinate the types of activities described in this Solicitation and to produce the specified products or services on time. Respondent must complete the Solicitation Response requested in Article III and also provide the following information:

5.1.1 Company Narrative

Provide a detailed narrative explaining why Respondent is qualified to provide the services enumerated in Article II, focusing on its team's key strengths and competitive advantages.

5.1.2 Company Profile

Provide a company profile to include:

- a) The company ownership structure (corporation, partnership, LLC, or sole proprietorship), including any wholly-owned subsidiaries, affiliated companies, or joint ventures. (*Please provide this information in a narrative and as a graphical representation.*) If Respondent is an Affiliate of, or has a joint venture or strategic alliance with, another company, please identify the percentage of ownership and the percentage of the parent's ownership. Finally, please provide your proposed operating structure for the services requested under this Solicitation and which entities (i.e. parent company, Affiliate, Joint Venture, subcontractor) will be performing them;
- b) The year the company was founded and/or incorporated. If incorporated, please indicate the state where the company is incorporated and the date of incorporation;
- c) The location of your company headquarters and any field office(s) that may provide services for any resulting contract under this Solicitation, including subcontractors;
- d) The number of employees in your company, both locally and nationally, and the location(s) from which employees may be assigned;
- e) The name, title, mailing address, e-mail address, telephone number, and fax number of Respondent's point of contact for any resulting contract under this Solicitation; and

- f) Indicate whether your company has ever been engaged under a contract by any Texas state agency. If “Yes,” specify when, for what duties, and for which agency.

NOTE: If Respondent is an out-of-state company, proof of registration (formerly called a “Certificate of Authority”) to conduct business in Texas from the Secretary of State must be provided before contract award.

5.1.3 Key Staffing Profile

Respondent must provide a key staffing profile and resumes for staff that will be responsible for the performance of the services requested under this Solicitation.

5.2. REFERENCES

Respondent shall provide a minimum of three (3) **non-GLO** references for similar projects performed, preferably for state and/or local government entities, within the last three (3) years.

Respondent must verify current contacts. Information provided shall include:

- a) Client name;
- b) Project description;
- c) Total dollar amount of project;
- d) Key staff assigned to the referenced project that will be designated for work under this Solicitation; and
- e) Client project manager name, telephone number, fax number, and e-mail address.

NOTE: Please include one (1) extra copy of References and place, unbound, at the back of the Solicitation Response. The GLO checks references by e-mail. Respondents who do not provide accurate e-mail addresses for references waive the right to have those references considered in the evaluation of their Solicitation Response.

5.3. MAJOR SUBCONTRACTOR INFORMATION

In addition to the requirements of Article II, Respondent must identify any major subcontractors whom Respondent intends to utilize in performing fifteen percent (15%) or more of any project. Respondent must indicate whether or not Respondent holds any financial interest in any major subcontractor. It may be required as a condition of award that an authorized officer or agent of each proposed major subcontractor sign a statement to the effect that the subcontractor has read, and will agree to abide by, Respondent’s obligations under any contract awarded pursuant to this Solicitation.

5.4. LITIGATION HISTORY

Respondent must include in its Solicitation Response a complete disclosure of any alleged or significant contractual failures. In addition, Respondent must disclose any civil or criminal litigation or investigation pending over the last three (3) years that involves Respondent or in which Respondent has been judged guilty or liable. For each instance of litigation or investigation, Respondent shall list: the cause number; the state, county/parish, and court number in which the case was filed; the full and complete names of all parties; the nature (e.g., breach of contract, negligence, personal injury, etc.) and a detailed description of each claim alleged against Respondent or its parent, subsidiary, or other affiliate; for each resolved case, a description of the disposition of the case as to Respondent (e.g., dismissed following settlement, dismissed following motion for summary judgment, final judgment entered against Respondent, etc.).

Failure to comply with the terms of this provision may disqualify any Respondent. Solicitation Responses may be rejected based upon Respondent's prior history with the State of Texas or with any other party that demonstrates, without limitation, unsatisfactory performance, adversarial or contentious demeanor, or significant failure(s) to meet contractual obligations.

5.5. HISTORICALLY UNDERUTILIZED BUSINESS (HUB)

In accordance with Texas Government Code §2161, it is the GLO's policy to facilitate the participation of HUBs in providing goods or services to the agency. The GLO encourages Respondents with whom it contracts to adhere to the same philosophy when selecting subcontractors. To be considered responsive to this Solicitation, Respondents must submit a HUB Subcontracting Plan (HSP) as attached to the posting on the ESD associated with this RFQ.

The GLO has provided a list from the state's Centralized Master Bidders List (CMBL) of potential HUB subcontractors, which may be able to assist a Respondent in fulfilling its good faith efforts as required by law. In addition to the list provided by the GLO, Respondents may access the CMBL for additional HUB firms that may be able to provide services to the Respondent. The CMBL may be accessed through the following web site:

<https://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>

Should Respondents have questions regarding proper completion of the HUB Subcontracting Plan form, please contact Mindy Sue Cohen, HUB Coordinator at Mindy.Cohen@GLO.Texas.Gov or (512) 936-1487.

5.6. CONFLICTS

Respondent must disclose any potential conflict of interest it may have in providing the services described in this Solicitation, including all existing or prior arrangements. Please

include any activities of affiliated or parent organizations and individuals who may be assigned to manage this account.

5.7. DUN AND BRADSTREET REPORT

Respondents with a Dun and Bradstreet number must include a Comprehensive Insight Plus Report, Business Information Report or Credit eValuator Report with their Solicitation Response.

5.8. ANNUAL REPORT

Respondent shall submit an annual report, which must include:

- a) Last two (2) years of audited financial statements;
- b) If applicable, last two (2) years of consolidated statements for any holding companies or affiliates;
- c) An un-audited financial statement of the most recent quarter of operation; and
- d) A full disclosure of any events, liabilities, or contingent liabilities that could affect Respondent's financial ability to perform this contract.

If Respondent is unable to provide the annual report specified above, Respondent may, at the discretion of the GLO, provide the following annual report:

- a) Last two (2) years of un-audited financial statements;
- b) An un-audited financial statement of the most recent quarter of operation; and
- c) A full disclosure of any events, liabilities, or contingent liabilities that could affect Respondent's financial ability to perform this contract.

5.9. SAFETY INFORMATION

Respondent shall provide its workers' compensation experience modification rate (EMR) for the last five (5) years, submitted on Respondent's insurance carrier's signed letterhead.

Respondent shall also submit the name and job title of the person in its organization who manages its safety program, and a description of that program that demonstrates compliance with the written safety and health program requirement stated in 29 CFR 1910.120(b). A copy of Respondent's safety manual may be submitted as an attachment to the Solicitation Response to fulfill this requirement, provided it contains the requested information.

ARTICLE VI. TERMS, CONDITIONS AND EXCEPTIONS

6.1. GENERAL CONDITIONS

6.1.1 Amendment

The GLO reserves the right to alter, amend, or modify any provision of this Solicitation, or to withdraw this Solicitation, at any time prior to the award, if it is in the best interest of the GLO.

6.1.2 Informalities

The GLO reserves the right to waive minor informalities and irregularities in any Solicitation Response received.

6.1.3 Rejection

The GLO reserves the right to reject any or all Solicitation Responses received prior to contract award.

6.1.4 Irregularities

Any irregularities or lack of clarity in this Solicitation should be brought to the attention of the point-of-contact listed in Section 3.2.1 as soon as possible, so that corrective addenda may be furnished to prospective Respondents.

6.1.5 Open Records

The GLO is a government agency subject to the Texas Public Information Act (PIA), Chapter 552, Gov't Code. The Solicitation Response and other information submitted to the GLO by the Respondent are subject to release as public information. The Solicitation Response and other submitted information shall be presumed to be subject to disclosure unless a specific exception to disclosure under the PIA applies. If it is necessary for the Respondent to include proprietary or otherwise confidential information in its Solicitation Response or other submitted information, the Respondent must clearly label that proprietary or confidential information and identify the specific exception to disclosure of that information in the PIA. Merely making a blanket claim that the entire Solicitation Response is protected from disclosure because it contains some proprietary information is not acceptable, and shall make the entire Solicitation Response subject to release under the PIA. In order to trigger the process of seeking an Attorney General opinion on the release of proprietary or confidential information, the specific provisions of the Solicitation Response the Respondent considers proprietary or confidential must be clearly labeled as described above. Any information which is not clearly identified as proprietary or confidential shall be deemed to be subject to disclosure pursuant to the PIA, except as provided by law.

Respondents are required to make any information created or exchanged with the state pursuant to this solicitation and any contract that may result from this solicitation, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state.

Information related to the performance of this Contract may be subject to the PIA and will be withheld from public disclosure or released only in accordance therewith. Respondent shall make any information required under the PIA available to the GLO in portable document file (".pdf") format or any other format agreed between the parties. The original copy of each Solicitation Response shall be retained in the official files of the agency as a public record.

Solicitation Responses and all other documents associated with this Solicitation will be withheld or released upon written request only in accordance with the PIA. To the extent that a Respondent wishes to prevent the disclosure of portions of its Solicitation Response to the public, Respondent shall be responsible for demonstrating the applicability of any exception to disclosure provided under the PIA in accordance with the procedures prescribed by the PIA. Respondent may clearly label individual documents "confidential" or "trade secret" to demonstrate that it believes certain information is excepted from disclosure and may legally be withheld from the public. Respondent thereby agrees to indemnify and defend the GLO for honoring such a designation. The failure of Respondent to clearly label such documents shall constitute a complete waiver of any and all claims for damages caused by the GLO's release of these records.

Pursuant to Texas Gov't Code Chapter 2261, any Contract that results from this Solicitation, including selected Respondent's Solicitation Response, shall be posted to the GLO's website.

6.1.6 Contract Responsibility

Respondent shall be solely responsible for the performance of all contractual obligations that may result from an award based on this Solicitation. Respondent shall not be relieved of its obligations for any nonperformance by its subcontractors.

6.1.7 Public Disclosure

Respondent will not advertise that it is doing business with the GLO or use a contract resulting from this Solicitation as a marketing or sales tool without prior written consent of the GLO. Furthermore, Respondent may not distribute or disclose this Solicitation to any other vendors or companies without permission from the GLO.

6.1.8 Substitutions

Substitutions are not permitted without written approval of the GLO.

6.1.9 Remedies

All remedies available to the GLO for breach or anticipatory breach of any contract that results from this Solicitation are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies. Liquidated damages, actual damages, cost projections, and/or injunctive relief may also be invoked either separately or combined with any other remedy in accordance with applicable law.

6.2. INSURANCE

6.2.1 Required Coverages

For the duration of any contract resulting from this Solicitation, Respondent shall acquire insurance with financially sound and reputable independent insurers, in the type and amount as follows:

6.2.1.1 Workers Compensation & Employers Liability

Contractor must maintain Workers' Compensation insurance coverage in accordance with statutory limits.

Workers Compensation: Statutory Limits
Employers Liability: Each Accident \$1,000,000
Disease - Each Employee \$1,000,000
Disease - Policy Limit \$1,000,000

This website (coverage starts with 406 of the Labor code) addresses what Texas requires of Workers Compensation:

<http://www.tdi.texas.gov/wc/act/index.html>

6.2.1.2 Commercial General Liability: Occurrence based:

Bodily Injury and Property Damage
Each occurrence limit: \$1,000,000
Aggregate limit: \$2,000,000
Medical Expense each person: \$5,000
Personal Injury and Advertising Liability: \$1,000,000
Products / Completed Operations Aggregate Limit: \$2,000,000
Damage to Premises Rented to You: \$50,000

6.2.1.3 Commercial Automobile Liability – coverage of \$1,000,000 Combined Single Limit

6.2.1.4 U.S. Longshore and Harbor Workers’ Insurance – Statutory amount in compliance with the United States Longshore and Harbor Workers’ Act

6.2.1.5 Contractor’s Pollution Liability – coverage of \$500,000 per occurrence

6.2.1.6 Marine Contractor’s Liability – coverage of \$500,000 per occurrence

The required coverage is to be with companies licensed in the state of Texas, with an “A” rating from A.M. Best, and authorized to provide the corresponding coverage. Work on any contract shall not begin until after Respondent has submitted acceptable evidence of insurance. Failure to maintain insurance coverage or acceptable alternative methods of insurance shall be deemed a breach of contract.

6.2.2 Alternative Insurability

Notwithstanding the preceding, the GLO reserves the right to consider reasonable alternative methods of insuring the contract in lieu of the insurance policies customarily required. It will be Respondent’s responsibility to recommend to the GLO alternative methods of insuring the contract. Any alternatives proposed by Respondent should be accompanied by a detailed explanation regarding Respondent’s inability to obtain the required insurance and/or bonds. The GLO shall be the sole and final judge as to the adequacy of any substitute form of insurance coverage.

6.3. PROTEST

Any Respondent unsuccessful or aggrieved in connection with this Solicitation may file a protest in accordance with Title 31, Section 3.50 of the Texas Administrative Code.

6.4. CONTRACT AND EXCEPTIONS

6.4.1 Terms and Conditions

The GLO reserves the right to negotiate final contract terms with any selected Respondent; however, **Exhibit C** is provided as a courtesy to Respondents interested in responding to this Solicitation. Please review the terms and conditions in **Exhibit C**, as it is the standard contract used by the GLO for services. The terms and conditions in **Exhibit C** are subject to change prior to the execution of any contract that may result from this RFQ.

6.4.2 Exceptions

Execution of **Exhibit A** of this Solicitation shall constitute an agreement to all terms and conditions specified in this Solicitation, including, but not limited to, **Exhibits B, C, and D**, and all terms and conditions therein, except such terms and conditions as Respondent expressly excludes. Exceptions will be taken into consideration as part of the evaluation process.

6.5. **VENDOR PERFORMANCE REPORTING**

The GLO is required by rule (34 TAC Section 20.108 (b)) to report vendor performance through the Vendor Performance Tracking System on every purchase over \$25,000. Additional information on this system can be found on the Texas Comptroller of Public Accounts website through this link:

http://comptroller.texas.gov/procurement/prog/vendor_performance/

A Respondent's past performance will be measured based upon pass/fail criteria in compliance with applicable provisions of §§2155.074, 2155.075, 2156.007, 2157.003, and 2157.125, Gov't Code. Respondents may fail this selection criterion for any of the following conditions: a score of less than 90% in the Vendor Performance System; currently under a Corrective Action Plan through the CPA; having repeated negative Vendor Performance Reports for the same reason; having purchase orders that have been cancelled in the previous 12 months due to non-performance (e.g., late delivery, etc.).

The GLO may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Vendor Performance Tracking System (as authorized by 34 Texas Administrative Code §20.108), the GLO may examine other sources of vendor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of the GLO, and any negative findings, as determined by the GLO, may result in non-award to the Respondent.

EXHIBIT A. AFFIRMATIONS AND SOLICITATION ACCEPTANCE

GENERAL AFFIRMATIONS AND SOLICITATION ACCEPTANCE

Execution of this **Exhibit A**, shall constitute an agreement to all terms and conditions specified in the Solicitation, including, without limitation, **Exhibit A** and all terms and conditions therein, except such terms and conditions that the Respondent expressly excludes. Failure to sign this **Exhibit A** or signing it with a false statement shall void the submitted Solicitation Response and/or any resulting contracts. Respondent agrees without exception to the following general affirmations and acknowledges that any contract resulting from this Solicitation may be terminated and payment withheld if any of the following affirmations or certifications are inaccurate:

1. All statements and information prepared and submitted in the response to this Solicitation are current, complete, and accurate.
2. The Respondent has not given, offered to give, nor intends to give at anytime hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted Solicitation Response.
3. Section 2155.004 of the Texas Government Code prohibits the GLO from awarding a contract that includes proposed financial participation by a person who received compensation from the GLO to participate in preparing the specifications or request for proposals on which the contract is based. Under Section 2155.004, Government Code, the vendor [Respondent] certifies that the individual or business entity named in this bid or contract [Solicitation Response] is not ineligible to receive any contract resulting from this Solicitation.
4. Under the Texas Family Code, Section 231.006, a child support obligor who is more than 30 days delinquent in paying child support and a business entity in which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive payments from state funds under a contract to provide property, materials, or services. Under Section 231.006, Texas Family Code, the vendor or applicant [Respondent] certifies that the individual or business entity named in this contract, bid, or application [Solicitation Response] is not ineligible to receive the specified grant, loan, or payment. The Solicitation Response must include the name and social security number of any individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application. This information must be provided prior to execution of any offer.
5. The GLO is federally mandated to adhere to the directions provided in the President's Executive Order (EO) 13224, blocking property and prohibiting transactions with persons who commit, threaten to commit, or support terrorism and any subsequent changes made to it. The GLO will cross-reference Respondents/vendors with the federal System for Award Management (<https://www.sam.gov/>), which includes the United States Treasury's Office of Foreign Assets Control (OFAC) Specially Designated National (SDN) list. Respondent certifies: 1) that the responding entity and its principals are eligible to participate in this transaction and have not been subjected to suspension, debarment, or similar ineligibility determined by any federal, state, or local governmental entity; 2) that Respondent is in compliance with the State of Texas statutes and rules relating to procurement; and 3) that Respondent is not listed on the federal government's terrorism watch list as described in Executive Order 13224. Entities ineligible for federal procurement are listed at <https://www.sam.gov/>. This provision shall be included in its entirety in Respondents' subcontracts.
6. Respondent agrees that any payments due under any contract resulting from this Solicitation will be applied towards any debt, including, but not limited to, delinquent taxes and child support Respondent owes to the State of Texas.
7. Respondent certifies it is in compliance with Texas Government Code Section 669.003, relating to contracting with the executive head of a state agency. If this Section applies, Respondent will complete the following information in order for the bid to be evaluated:

Name of Former Executive: _____
Name of State Agency: _____
Date of Separation from State Agency: _____
Position with Respondent: _____
Date of Employment with Respondent: _____

8. If any contract resulting from this Solicitation is for services, Respondent, in performing the contract, shall purchase products and materials produced in the State of Texas when they are available at a price and time comparable to

products and materials produced outside this state.

9. Respondent shall maintain all documents and other related records relating to the State's property and any contract resulting from this Solicitation for a period of seven (7) years after the date of the submission of final invoices or until a resolution of billing questions, whichever is later. Respondent acknowledges that the State has a right of access to information in Respondent's possession relating to State property and agrees to make such information reasonably available upon request of the State.
10. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under a contract or indirectly through a subcontract under the contract. Acceptance of funds directly under any contract resulting from this Solicitation or indirectly through a subcontract under such contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Respondent shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Respondent and the requirement to cooperate is included in any subcontract it awards.
11. Respondent certifies that if it employs any former employee of the GLO, such employee will perform no work in connection with any contract resulting from this Solicitation during the twelve (12) month period immediately following the employee's last date of employment at the GLO.
12. The Respondent shall not discriminate against any employee or applicant for employment because of race, disability, color, religion, sex, age, or national origin. The Respondent shall take affirmative action to ensure that applicants are employed and that employees are treated without regard to their race, disability, color, sex, religion, age, or national origin. Such action shall include, but is not be limited to, the following: employment, promotion, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Respondent agrees to post notices, which set forth the provisions of this non-discrimination article, in conspicuous places available to employees or applicants for employment. The Respondent shall include the above provisions in all subcontracts pertaining to the work.
13. Respondent certifies that neither Respondent nor any firm, corporation, partnership, or institution represented by Respondent or anyone acting for such firm, corporation, partnership, or institution has (1) violated the antitrust laws of the State of Texas under Texas Business & Commerce Code, Chapter 15, or federal antitrust laws; or (2) communicated the contents of the Solicitation Response either directly or indirectly to any competitor or any other person engaged in the same line of business during the procurement process for the Solicitation.
14. By signing this Solicitation Response, Respondent certifies that if a Texas address is shown as the address of the Respondent, Respondent qualifies as a "Texas Bidder" as defined in Texas Administrative Code, Title 34, §20.32 (68).
15. Respondent understands that the GLO does not tolerate any type of fraud. The agency's policy is to promote consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. Respondents are expected to report any possible fraudulent or dishonest acts, waste, or abuse to the agency's Internal Audit Director at 512.463.6078 or tracey.hall@glo.texas.gov.
16. Respondent certifies that it will comply with the federal Immigration Reform and Control Act of 1986, the Immigration Act of 1990, and the Immigration Act of 1996 regarding employment, employment verification, and retention of verification forms of individuals who will prospectively perform work described in this proposal.
17. Under Section 2155.006(b) of the Texas Government Code, a state agency may not accept a bid or award a contract, including a contract for which purchasing authority is delegated to a state agency, that includes proposed financial participation by a person who, during the five-year period preceding the date of the bid or award, has been: (1) convicted of violating a federal law in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Rita, as defined by Section 39.459, Utilities Code, Hurricane Katrina, or any other disaster occurring after September 24, 2005; or (2) assessed a penalty in a federal civil or administrative enforcement action in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Rita, as defined by Section 39.459, Utilities Code, Hurricane Katrina, or any other disaster occurring after September 24, 2005. Under Section 2155.006 of the Texas Government Code, the Respondent certifies that the individual or business entity named in this Solicitation

Response is not ineligible to receive the specified contract.

- 18. Respondent represents and warrants that it shall comply with the applicable provisions of and rules and regulations related to the Drug-Free Work Place Act of 1988 (41 U.S.C. §§ 8101-8106).
- 19. The Respondent represents that payment to the Respondent and the Respondent's receipt of appropriated or other funds under any contract resulting from this Solicitation are not prohibited by Section 556.005 or Section 556.008 of the Texas Government Code.

Check below if preference claimed under Title 34 TAC § 20.38.

EXHIBIT B. FEDERAL AFFIRMATIONS

FEDERAL AFFIRMATIONS AND SOLICITATION ACCEPTANCE

In the event federal funds are used for payment of part or all of the consideration due under any contract resulting from this Solicitation Response, Respondent must execute this **Exhibit B**, which shall constitute an agreement, without exception, to the following affirmations:

1. Debarment and Suspension

Respondent certifies, by signing this Attachment, that neither it nor any of its principals or subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program-specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.

2. Americans with Disabilities Act

Respondent and any potential subcontractors shall comply with all terms, conditions, and requirements of the Americans with Disabilities Act of 1990 (P.L. 101-136), 42 U.S.C. 12101, as amended, and regulations adopted thereunder contained in 28 C.F.R. 26.101-36.999, inclusive, and any relevant program-specific regulations.

3. Discrimination

Respondent and any potential subcontractors shall comply with all Federal statutes relating to nondiscrimination. These include, but are not limited to:

- a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color, or national origin;
- b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex;
- c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps;
- d) The Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age;
- e) The Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse;

- f) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism;
- g) Sections 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;
- h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental, or financing of housing;
- i) Any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and
- j) The requirements of any other nondiscrimination statute(s) that may apply to the application.

4. Wages

Respondent and any potential subcontractors have a duty to and shall pay the prevailing wage rate under the Davis Bacon Act, 40 U.S.C. 276a – 276a-5, as amended, and the regulations adopted thereunder contained in 29 C.F.R. pt. 1 and 5.

5. Lobbying

If Respondent, in connection with any resulting contract from this Solicitation, is a recipient of a Federal contract, grant, or cooperative agreement exceeding \$100,000 or a Federal loan or loan guarantee exceeding \$150,000, the Contractor shall comply with the requirements of the new restrictions on lobbying contained in Section 1352, Title 31 of the U.S. Code, which are implemented in 15 CFR Part 28. Respondent shall require that the certification language of Section 1352, Title 31 of the U.S. Code be included in the award documents for all subcontracts and require that all subcontractors submit certification and disclosure forms accordingly.

6. Minority and Women's Businesses

Respondent and any potential subcontractors shall take affirmative steps to assure that minority and women's businesses are utilized when possible as sources of supplies, equipment, construction, and services, as detailed in the federal requirements relating to minority and women's business enterprises: Executive Order 11625 of October 13, 1971, 36 Fed. Reg. 19967, as amended by Executive Order No. 12007 of August 22, 1977, 42 Fed. Reg. 42839; Executive Order No. 12432 of July 14, 1983, 48 Fed. Reg., 32551; and Executive Order No. 12138 of May 18, 1979, 44 Fed. Reg. 29637.

7. Environmental Standards

Respondent and any potential subcontractors shall comply with environmental standards that may be prescribed pursuant to the following:

- a) Institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514;
- b) Notification of violating facilities pursuant to EO 11738;
- c) Protection of wetlands pursuant to EO 11990;
- d) Evaluation of flood hazards in floodplains in accordance with EO 11988;
- e) Assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.);
- f) Conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.);
- g) Protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and
- h) Protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

8. Historic Properties

Respondent and any potential subcontractors shall assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).

9. All Other Federal Laws

Respondent and any potential subcontractors shall comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing the Solicitation.

I have read, understand, and agree to comply with the Federal Affirmations specified above. Checking “YES” indicates acceptance, while checking “NO” denotes non-acceptance.

“Work” means all services to be performed, goods to be delivered, and any appurtenant actions performed and items produced, conceived, or developed, including but not limited to Deliverables, in the performance of the Project.

“Work Order” means an individually negotiated document authorizing Work under this Contract, if any.

1.02 INTERPRETIVE PROVISIONS

- (a) The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms;
- (b) The words “hereof,” “herein,” “hereunder,” and similar words refer to this Contract as a whole and not to any particular provision, section, Attachment, work order, or schedule of this Contract unless otherwise specified;
- (c) The term “including” is not limiting and means “including without limitation” and, unless otherwise expressly provided in this Contract, (i) references to contracts (including this Contract) and other contractual instruments shall be deemed to include all subsequent Amendments and other modifications thereto, but only to the extent that such Amendments and other modifications are not prohibited by the terms of this Contract, and (ii) references to any statute or regulation are to be construed as including all statutory and regulatory provisions consolidating, amending, replacing, supplementing, or interpreting the statute or regulation;
- (d) The captions and headings of this Contract are for convenience of reference only and shall not affect the interpretation of this Contract;

- (e) All Attachments within this Contract, including those incorporated by reference, and any Amendments are considered part of the terms of this Contract;
- (f) This Contract may use several different limitations, regulations, or policies to regulate the same or similar matters. All such limitations, regulations, and policies are cumulative and each shall be performed in accordance with its terms;
- (g) Unless otherwise expressly provided, reference to any action of the GLO or by the GLO by way of consent, approval, or waiver shall be deemed modified by the phrase “in its/their sole discretion.” Notwithstanding the preceding sentence, any approval, consent, or waiver required by, or requested of, the GLO shall not be unreasonably withheld or delayed;
- (h) Time is of the essence in this Contract.
- (i) In the event of conflicts or inconsistencies between this Contract and its attachments, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority: Signed Contract, Attachments to the Contract: Attachment X, Attachment Y, Attachment Z (Attachment order will be specific to each Contract, Provider’s Response will be the last item in the overall list.), Solicitation Documents, and Provider’s Response to Solicitation.

1.03 PROJECT

Scope of Work detailed in solicitation documents (the “Project”). The Project shall be performed in accordance with this Contract and all Attachments, GLO RF** No. ****, and Provider’s Proposal dated *****, attached hereto and incorporated herein in its entirety for all purposes as Attachment ** (or incorporated herein by reference its entirety for all purposes, as if physically attached) .

1.04 WORK ORDERS

- (a) Upon identification of individual projects by the GLO, proposals to complete the work specified will be requested and submittals must include pricing and a project plan. If selected to perform the services, Provider must fulfill all requirements contained in **Section 8.01** below including, but not limited to, provision of all required bonds and certificates of insurance, prior to commencing work.
- (b) If Provider is selected to carry out an individual Project, a Work Order shall be issued. Multiple Work Orders may be issued during the term of this Contract, all of which shall be in writing and signed by the Parties. Each Work Order shall include: a scope of services; a list of tasks required; a time schedule; a list of Deliverables, if any; a detailed Project budget; and such other information or special conditions as may be

necessary for the work assigned. Upon execution by both Parties, each Work Order shall become an Attachment hereto, with this Contract and all Attachments thereafter being referred to collectively as the "Contract."

- (c) Nothing in this Contract expresses or guarantees that the GLO will issue Work Orders to Provider for any of the tasks set forth in **SECTION 1.03** above. All work requested under this Contract will be required on an irregular and as needed basis throughout the Contract term, and the GLO makes no guarantee of volume or usage under this Contract.

1.05 REPORTING REQUIREMENTS

Once a Work Order is assigned, Provider will submit a monthly report that shall include the status of the project's deliverables, schedule and budget. Additional reporting requirements for work assigned shall be specified in each Work Order, if any.

II. TERM

2.01 DURATION

This Contract shall be effective as of the date executed by the last party and shall terminate on ***. The GLO, at its own discretion, may extend this Contract for *** (*) additional fiscal years, subject to terms and conditions mutually agreeable to both parties. If renewed, all renewals shall be from September 1 to August 31, always coinciding with the State's fiscal year.

2.02 EARLY TERMINATION

The GLO may terminate this Contract by giving written notice specifying a termination date at least thirty (30) days subsequent to the date of the notice. Upon receipt of any such notice, Provider shall cease work, undertake to terminate any relevant subcontracts, and incur no further expense related to this Contract. Such early termination shall be subject to the equitable settlement of the respective interests of the parties, accrued up to the date of termination.

2.03 ABANDONMENT OR DEFAULT

If the provider abandons work or defaults on the contract, the GLO reserves the right to cancel the contract without notice and either re-solicit or re-award the contract to the next best responsive and responsible respondent. The defaulting provider will not be considered in the re-solicitation and may not be considered in future solicitations for the same type of work, unless the specification or scope of work significantly changed. The period of suspension will be determined by the agency based on the seriousness of the default.

III. CONSIDERATION

3.01 CONTRACT LIMIT, FEES, AND EXPENSES

Provider will be compensated (on a negotiated fee basis), per Work Order, in accordance with the fee schedule attached as Attachment **.

No one Work Order, nor the cumulative total of all Work Orders issued hereunder shall exceed the amount of ***** DOLLARS (\$***,***.00) for the term of this Contract. If additional funding becomes available, the GLO in its sole discretion may increase this funding limit by way of written Amendment hereto.

Travel included in the Scope of Services for a Work Order must adhere to the rates established by the Comptroller of the State of Texas, as outlined in the State of Texas travel guidelines, *TexTravel*.

Subject to the maximum Contract amount authorized herein, upon specific, prior, written approval by the GLO, lodging, travel, and other incidental direct¹ expenses may be reimbursed under this Contract for professional or technical personnel who are (a) away from the cities in which they are permanently assigned; (b) conducting business specifically authorized by the GLO; and (c) performing services not originally contemplated in the Scope of Services.

The limit for such reimbursements shall be the rates established by the Comptroller of the State of Texas, as outlined in the State of Texas travel guidelines, *TexTravel*. If a rate within the limits set forth in *TexTravel* is not available, Provider shall use its best efforts to obtain the lowest available room rate. Provider shall obtain prior approval from the Project Manager using the GLO Travel Office approved form.

Requests for payment must:

- (a) be submitted to vendorinvoices@glo.texas.gov;
- (b) be supported by documentation that, in the judgment of the GLO, allows for full substantiation of the costs incurred; and
- (c) **prominently display "GLO Contract No. XX"**

The Prompt Pay Act generally applies to payments to Provider. HOWEVER, THE PROMPT PAY ACT DOES NOT APPLY IF PROVIDER DOES NOT SEND INVOICES TO VENDORINVOICES@GLO.TEXAS.GOV. If Provider does not submit invoices in strict accordance with the instructions in this section, payment of invoices may be significantly delayed. Provider agrees that the GLO shall not pay interest, fees, or other penalties for late payments resulting

¹ Certain other incidental direct expenses, including, but not limited to, copying, telephone, data, and express mail services may be reimbursed upon specific, written approval by the GLO, at rates determined by the GLO.

from Provider's failure to submit invoices in strict accordance with the instructions in this section.

IV. PROVIDER'S WARRANTY, AFFIRMATIONS, AND ASSURANCES

4.01 PERFORMANCE WARRANTY

Provider warrants that all Work performed under this Contract will be performed in a manner consistent with a degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. Provider warrants that all Deliverables under this Contract shall be completed in a manner consistent with standards under the terms of this Contract, in the applicable trade, profession, or industry; shall conform to or exceed the specifications set forth in the incorporated Attachments (if any); and shall be fit for ordinary use, of good quality, and with no material defects. If Provider fails to complete Deliverables timely or to perform satisfactorily under conditions required by this Contract, the GLO may require Provider, at its sole expense, to (a) repair or replace all defective or damaged Deliverables; (b) refund any payment received for all defective or damaged Deliverables and, in conjunction therewith, require Provider to accept the return of such Deliverables; and/or (c) take necessary action to ensure that future performance and Deliverables conform to the Contract requirements.

4.02 GENERAL AFFIRMATIONS

To the extent they apply, Provider certifies it has reviewed the General Affirmations in **Attachment ****, and that Provider is in compliance with all the requirements contained therein.

4.03 FEDERAL ASSURANCES AND CERTIFICATIONS

To the extent they apply, Provider certifies it has reviewed the Federal Assurances and Certifications in **Attachment **** and that Provider is in compliance with all the requirements contained therein. **Provider certifies it is in compliance with all other applicable federal laws, rules, or regulations, pertaining to this Contract.**

V. STATE FUNDING

5.01 STATE FUNDING

- (a) This Contract shall not be construed as creating any debt on behalf of the State of Texas and/or the GLO in violation of Article III, Section 49, of the Texas Constitution. In compliance with Article VIII, Section 6 of the Texas Constitution, it is understood that all obligations of the GLO hereunder are subject to the availability of state funds. If such funds are not appropriated or become unavailable, this Contract may be terminated. In that event, the parties shall be discharged from further obligations, subject to the equitable settlement of their respective interests, accrued up to the date of termination.
- (b) Furthermore, any claim by Provider for damages under this Contract may not exceed the amount of funds appropriated for payment, but not yet paid to Provider, under the annual budget in effect at the time of the breach. Nothing in this provision shall be construed as a waiver of sovereign immunity.

5.02 RECAPTURE OF FUNDS

Provider shall conduct, in a satisfactory manner as determined by the GLO, the Project as set forth in the Contract and all Attachments, whether incorporated physically or by reference. The discretionary right of the GLO to terminate for convenience under **SECTION 2.02** notwithstanding, Provider expressly understands and agrees that the GLO shall have the right to terminate the Contract and to recapture and be reimbursed for any payments (i) made by the GLO that exceed the maximum allowable rates; (ii) that are not allowed under applicable laws, rules, or regulations; or (iii) that are otherwise inconsistent with this Contract, including any unapproved expenditures.

5.03 OVERPAYMENT

Provider understands and agrees that it shall be liable to the GLO for any costs disallowed pursuant to financial and compliance audit(s) of funds Provider received under this Contract. Provider understands and agrees that it shall reimburse such disallowed costs from funds which were not provided or otherwise made available to Provider under this Contract.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

VI. OWNERSHIP AND INTELLECTUAL PROPERTY

6.01 OWNERSHIP AND INTELLECTUAL PROPERTY

(a) The GLO shall own, and Provider hereby irrevocably assigns to the GLO, all ownership right, title, and interest in and to all Intellectual Property acquired or developed by Provider pursuant to this Contract, including without limitation all Intellectual Property in and to reports, drafts of reports, data, drawings, computer programs and codes, and/or any other information or materials acquired or developed by Provider under this Contract. The GLO shall have the right to obtain and to hold in its name any and all patents, copyrights, trademarks, service marks, registrations, or such other protection as may be appropriate to the subject matter, including extensions and renewals thereof.

(b) Provider must give the GLO and the State of Texas, as well as any person designated by the GLO or the State of Texas, all assistance and execute such documents, as required to perfect the rights granted to the GLO herein without any charge or expense beyond the stated amount payable to Provider for the services authorized under this Contract.

6.02 COPYRIGHT

(a) Provider agrees and acknowledges that all expressive content subject to copyright protection, including without limitation all reports, drafts of reports, drawings, artwork, photographs, video, computer programs and codes, and/or any other expressive content acquired or developed by Provider pursuant to this Contract (individually, a “Work,” and collectively the “Works”), will be made the exclusive property of the GLO. Provider acknowledges that each Work is a “work made for hire” under the United States Copyright Act of 1976. All rights in and to each Work, including the copyright to the Work, shall be and remain the sole and exclusive property of the GLO.

(b) If, for any reason, any Work or any portion of a Work is not a work made for hire, Provider hereby irrevocably assigns to the GLO ownership of all right, title and interest in and to the Works or such portion of any Work, including without limitation the entire and exclusive copyright in the Works and all rights associated with the copyright, including but not limited to reproduction rights, distribution rights, the right to prepare translations and other derivative works, and the right to display the Works in all formats and media now known or developed in the future.

(c) Provider must give the GLO and the State of Texas, as well as any person designated by the GLO or the State of Texas, all assistance required to perfect the rights granted to the GLO defined herein without any charge or expense beyond the stated amount payable to Provider for the services authorized under this Contract.

VII. RECORDS, AUDIT, RETENTION, AND DISCLOSURE

7.01 BOOKS AND RECORDS

Provider shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the GLO, the State of Texas Auditor's Office, the United States Government, and/or their authorized representatives sufficient information to determine compliance with the terms and conditions of this Contract and all state rules, regulations, and statutes.

7.02 INSPECTION AND AUDIT

All records related to this Contract, including records of Provider and its Subcontractors, shall be subject to the Administrative and Audit Regulations. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. **The Comptroller General, the General Accounting Office, the Office of Inspector General, or any authorized representative of the U.S. Government shall also have this right of inspection.** Provider shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Provider and the requirement to cooperate is included in any subcontract it awards.

7.03 PERIOD OF RETENTION

The parties shall maintain all records relevant to this Contract for a minimum of seven (7) years, or as required by federal regulations applicable to the Project, if such regulations specify a retention period longer than seven (7) years. The period of retention begins at the date of payment by the GLO for the goods or services or from the date of termination of the Contract, whichever is later. The period of retention shall be extended for a period reasonably necessary to complete an audit and/or to complete any administrative proceeding or litigation that may ensue.

7.04 CONFIDENTIALITY

To the extent permitted by law, Provider and the GLO shall keep all information confidential, in whatever form produced, prepared, observed, or received by Provider or the GLO to the extent that such information is: (a) confidential by law; (b) marked or designated "confidential" (or words to that effect) by Provider or the GLO; or (c) information that Provider or the GLO is otherwise required to

keep confidential by this Contract. Furthermore, Provider will not advertise that it is doing business with the GLO, use this Contract as a marketing or sales tool, or make any press releases concerning work under this Contract without the prior written consent of the GLO.

7.05 PUBLIC RECORDS

Pursuant to Texas Gov't Code Chapter 2261, Provider agrees this Contract, including Provider's response to the solicitation and/or proposal(s) submitted prior to this contract award, shall be posted to the GLO's website. Additional information related to the performance of this Contract may be subject to the Public Information Act ("PIA") and will be withheld from public disclosure or released only in accordance therewith. Provider shall make any information created or exchanged with the state pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state/the GLO. Provider shall make any information required under the PIA available to the GLO in portable document file (".pdf") format or any other format agreed between the parties. Failure of Provider to mark as "confidential" or a "trade secret" any information that it believes to be excepted from disclosure waives any and all claims Provider may make against the GLO for releasing such information without prior notice to Provider. Provider shall notify GLO's General Counsel within twenty-four hours of receipt of any third party written requests for information, and forward a copy of said written requests to PIALegal@glo.texas.gov. If request was not written, Provider shall forward the third party's contact information to the above-designated e-mail address.

7.06 INFORMATION COMPILED UNDER CONSULTING SERVICES CONTRACT

Upon completion of the Contract, Provider shall give the GLO copies, in digital form on a CD, DVD, USB device, or other digital medium specified by the Parties, of all documents, films, recordings, or reports compiled by Provider under the Contract.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

VIII. MISCELLANEOUS PROVISIONS

8.01 INSURANCE

If a Work Order is issued, Provider shall acquire for the duration of any project, insurance with financially sound and reputable insurers licensed by the Texas Department of Insurance in conformance with all requirements of **Attachment ****, **Required Insurance and Form** attached hereto and incorporated herein in its entirety for all purposes, including the required “form of” certificate. Furthermore, Provider shall submit a certificate of liability insurance as required under this Contract, including (if requested) a schedule of coverage (or “underwriter’s schedules”) establishing to the satisfaction of the GLO the nature and extent of coverage granted by each such policy.

Provider shall submit certificates of insurance and endorsements electronically, in the manner requested by the GLO. In the event that any policy is determined to be deficient to comply with the terms of the Work Order, Provider shall secure such additional policies or coverage as the GLO may reasonably request or that are required by law or regulation.

Provider will be responsible for submitting renewed certificates of insurance and endorsements, as evidence of insurance coverage throughout the term of a Work Order. Provider may not be actively working on behalf of the GLO if the insurance coverage does not adhere to insurance requirements. Failure to submit required insurance documents may result in the cancellation of the Work Order.

8.02 Taxes/Workers’ Compensation/Unemployment Insurance

(a) Provider shall be solely liable and responsible for payment of Provider’s and Provider’s employees’ taxes of whatever kind, arising out of the execution or performance of the Contract. Provider shall comply with all state and federal laws applicable to any such persons, including laws regarding wages, taxes, insurance, and workers’ compensation. The GLO and the State of Texas shall not be liable to Provider or its officers, agents, employees, representatives, contractors, assignees, designees, or others for the payment of taxes, or the provision of unemployment insurance, workers’ compensation, or any benefit available to a state employee or employee of another governmental entity.

(b) Provider shall indemnify, defend, and hold harmless the State of Texas, the GLO, and/or their officers, agents, employees, representatives, contractors, assignees, and/or designees from and against any and all liability, actions, claims, demands, damages, proceedings, or suits, and all related costs, attorney fees, and expenses arising out of, connected with, or resulting from tax liability, unemployment insurance, or workers’ compensation in the execution or

performance of the Contract and any Purchase Orders issued under the Contract. Provider and the GLO shall furnish timely written notice to each other of any such claim. Provider shall be liable to pay all costs of defense including attorneys' fees. Provider shall coordinate its defense with the Office of the Attorney General when Texas state agencies are named defendants in any lawsuit and Provider may not agree to any settlement without first obtaining the written consent of the Office of the Attorney General.

8.03 LEGAL OBLIGATIONS

Provider shall procure and maintain for the duration of this Contract any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification, or certification required by statute, ordinance, law, or regulation to be held by Provider to provide the goods or services required by this Contract. Provider will be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Provider shall pay any such government obligations not paid by its subcontractors during performance of this Contract.

8.04 INDEMNITY – ACTS AND OMISSIONS

Provider shall indemnify, defend, and hold harmless the State of Texas, the GLO, and/or their officers, agents, employees, representatives, contractors, assignees, and/or designees from and against any and all liability, actions, claims, demands, damages, proceedings, or suits, and all related costs, attorney fees, and expenses arising out of, connected with, or resulting from any acts or omissions of Provider or its officers, agents, employees, representatives, suppliers, contractors, subcontractors, assignees, designees, order fulfillers, or suppliers of contractors or subcontractors in the execution or performance of the Contract and any Purchase Orders issued under the Contract. Provider and the GLO shall furnish timely written notice to each other of any such claim. Provider shall be liable to pay all costs of defense including attorneys' fees. Provider shall coordinate its defense with the Office of the Attorney General when Texas state agencies are named defendants in any lawsuit and Provider may not agree to any settlement without first obtaining the written consent of the Office of the Attorney General.

8.05 INFRINGEMENT

a) Provider shall indemnify, defend, and hold harmless the State of Texas, the GLO, and/or their officers, agents, employees, representatives, contractors, assignees, and/or designees from and against any and all liability, actions, claims, demands, damages, proceedings, or suits, and all related costs, attorney fees, and expenses arising out of, connected with, or resulting from infringement of any United States patent, copyright, trade or service mark, or any other intellectual or intangible property right that occurs in the execution or performance of the Contract and any Purchase Orders issued under the Contract. Provider and the

GLO shall furnish timely written notice to each other of any such claim. Provider shall be liable to pay all costs of defense including attorneys' fees. Provider shall coordinate its defense with the Office of the Attorney General when Texas state agencies are named defendants in any lawsuit and Provider may not agree to any settlement without first obtaining the written consent of the Office of the Attorney General.

b) Provider shall have no liability under this section if the alleged infringement is caused in whole or in part by: (i) use of the product or service for a purpose or in a manner for which the product or service was not designed, (ii) any modification made to the product without Provider's written approval, (iii) any modifications made to the product by the Provider pursuant to Customer's specific instructions, or (iv) any use of the product or service by Customer that is not in conformity with the terms of any applicable license agreement.

c) If Provider becomes aware of an actual or potential claim, or the GLO provides Provider with notice of an actual or potential claim, Provider may (or in the case of an injunction against the GLO, shall), at Provider's sole option and expense; (i) procure for the GLO the right to continue to use the affected portion of the product or service, or (ii) modify or replace the affected portion of the product or service with a functionally equivalent or superior product or service so that the GLO's use is non-infringing.

8.06 ASSIGNMENT AND SUBCONTRACTS

Provider shall not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the prior written consent of the GLO. Notwithstanding this provision, it is mutually understood and agreed that Provider may subcontract with others for some or all of the services to be performed. In any approved subcontracts, Provider shall legally bind such subcontractor to perform and make such subcontractor subject to all the duties, requirements, and obligations of Provider as specified in this Contract. Nothing in this Contract shall be construed to relieve Provider of the responsibility for ensuring that the goods delivered and/or the services rendered by Provider and/or any of its subcontractors comply with all the terms and provisions of this Contract.

Provider will provide written notification to the GLO of any such subcontractor performing fifteen percent (15%) or more of the work under this Contract, including the name and taxpayer identification number of subcontractor, the task(s) being performed, and the number of subcontractor employees expected to work on the task.

8.07 HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS) / MENTOR PROTÉGÉ

If a single Work Order will exceed a \$100,000, the Provider will be required to submit a HUB Subcontracting Plan to the GLO. If more two (2) or more Work

Orders, when combined, will exceed \$100,000, the Provider will be required to submit a HUB Subcontracting Plan.

Once a HUB Subcontracting Plan is approved, Provider shall provide the GLO with pertinent details of any participation by a HUB in fulfilling the duties and obligations arising hereunder. Provider will submit monthly compliance reports (Prime Contractor Progress Assessment Report) to HUB@glo.texas.gov specifying the use, including expenditures to HUB subcontractors, if applicable. Any modifications to the HSP must be submitted to the GLO for prior approval through a HUB Subcontracting Plan Change Order. If the HSP is modified without the GLO's prior approval, the GLO may initiate remedial action as provided in Chapter 2161 of the Texas Government Code.

8.08 RELATIONSHIP OF THE PARTIES

Provider is associated with the GLO only for the purposes and to the extent specified in this Contract, and, in respect to Provider's performance pursuant to this Contract, Provider is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create for the GLO any liability whatsoever with respect to the indebtedness, liabilities, and obligations of Provider or any other party. Provider shall be solely responsible for, and the GLO shall have no obligation with respect to:

- (a) withholding of income taxes, FICA, or any other taxes or fees;
- (b) industrial or workers' compensation insurance coverage;
- (c) participation in any group insurance plans available to employees of the State of Texas;
- (d) participation or contributions by the State to the State Employees Retirement System;
- (e) accumulation of vacation leave or sick leave; or
- (f) unemployment compensation coverage provided by the State.

8.09 COMPLIANCE WITH OTHER LAWS

In the performance of this Contract, Provider shall comply with all applicable federal, state, and local laws, ordinances, and regulations. Provider shall make itself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances, and regulations that in any manner affect performance under this Contract. Provider will be deemed to have knowledge of all applicable laws and regulations and be deemed to understand them.

8.10 NOTICES

Any notices required under this Contract shall be deemed delivered when deposited either in the United States mail, postage paid, certified, return receipt requested; or with a common carrier, overnight, signature required, to the appropriate address below:

GLO

Texas General Land Office
1700 N. Congress Avenue, Room 910
Austin, TX 78701
Attention: Office of General Counsel

Provider

Vendor

Address

City, State ZIP

Attention: *

Notice given in any other manner shall be deemed effective only if and when received by the party to be notified. Either party may change its address for notice by written notice to the other party as herein provided.

8.11 GOVERNING LAW AND VENUE

This Contract and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Provider irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Contract or any document related hereto. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

8.12 SEVERABILITY

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

8.13 FORCE MAJEURE

Except with respect to the obligation of payments under this Contract, if either of the parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected party's obligation to comply with such covenant shall be suspended, and the affected party shall not be liable for damages for failure to comply with such covenant. In any such event, the party claiming Force Majeure shall promptly notify the other party of the Force Majeure event in writing and, if possible, such notice shall set forth the extent and duration thereof. The party claiming Force Majeure shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and shall resume performance at the earliest possible date. However, if non-performance continues for more than thirty (30) days, the GLO may terminate this Contract immediately upon written notification to Provider.

8.14 DISPUTE RESOLUTION

If a contract dispute arises that cannot be resolved to the satisfaction of the parties, either party may notify the other party in writing of the dispute. If the parties are unable to satisfactorily resolve the dispute within fourteen (14) days of the written notification, the parties must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve the dispute. This provision shall not apply to any matter with respect to which either party may make a decision within its respective sole discretion.

8.15 ENTIRE CONTRACT AND MODIFICATION

This Contract, its integrated Attachment(s), and any purchase order issued in conjunction with this Contract constitute the entire agreement of the parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in such Attachment(s) and/or purchase order shall be harmonized with this Contract to the extent possible. Unless such integrated Attachment or purchase order specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the terms of this Contract. This Contract may only be amended in a writing executed by authorized representatives of the Parties.

8.16 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the

same Contract. If the Contract is not executed by the GLO within thirty (30) days of execution by the other party, this Contract shall be null and void.

8.17 PROPER AUTHORITY

Each party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to enter into this Contract. Provider acknowledges that this Contract is effective for the period of time specified in the Contract. Any services performed by Provider before this Contract is effective or after it ceases to be effective are performed at the sole risk of Provider.

8.18 PREFERENCE FOR TEXAS PRODUCTS AND MATERIALS

If the Contract is for services, Provider, in performing the Contract, shall purchase products and materials produced in the State of Texas when they are available at a price and time comparable to products and materials produced outside this state.

8.19 SURVIVAL OF TERMS AND CONDITIONS

The terms and conditions of this Contract related to the following subjects shall survive the termination of this Contract: definitions; interpretation; warranties; affirmations; prohibition on debts created on behalf of the State of Texas and/or the GLO; limitation of any Provider claim for damages to the amount of funds appropriated for payment but not yet paid to Provider; ownership; intellectual property; third-party reliance; books and records; inspection and audit; records retention period; confidentiality; public records; insurance; taxes; workers' compensation; unemployment insurance; Provider's obligation to procure and maintain, at its sole expense, all government licenses, authorizations, insurance, waivers, permits, and/or qualifications necessary for Provider or any subcontractors to provide the goods or services described in this Contract; indemnity; assignment and subcontracting; relationship of the parties; compliance with laws; notices; governing law and venue; severability; dispute resolution; merger and integration; invoice and fee verification; property rights; default; and amendment.

I. Introductions and Sign-in

II. Brief Description/Overview

The purpose of this Solicitation is to pre-qualify contractors to perform beach debris removal and minor demolition services for damaged structures along the Texas coast following the declaration of a state of disaster following a hurricane or other natural disaster.

III. Proposal Procedures: Overview of RFQ by GLO

1. The RFQ has been posted on Electronic State Business Daily (ESBD) at http://esbd.cpa.state.tx.us/bid_show.cfm?bidid=129415
Respondents are advised to read and become familiar with all posted information. Addenda will also be posted on the ESBD.
2. This RFQ is for IDIQ on-call emergency services, as described in Article II of the RFQ, Scope of Work. Please review this Article to see the possible work to be done. Cost proposals shall not be submitted with any SOQ submitted in response to this Solicitation; cost proposals and work plans specific to the scope of each work order shall be requested from the Contractor(s) qualified under this Solicitation at the time of the declared disaster.
3. Please make sure references are current and available; we will be checking references by e-mail.
4. Questions: All questions regarding this RFQ must be submitted to Shelia Kirk, GLO Procurement, in writing in accordance with the RFQ. Refer to Section 3.2.1 of the RFQ (business cards will be distributed at this conference.)
Deadline for submitting questions: **December 8, 2016 at 5:00 PM.**

5. **Deadline for Submission of Solicitation Responses: December 20, 2016 at 2:00 PM.**
6. Clarification of discrepancies and answers to submitted questions will be made by Addenda posted to the ESBD.
7. Selection Criteria and Minimum Qualifications: Section 4.1 of the RFQ.
8. Exhibit A and Exhibit B must be signed and submitted with your solicitation response.
9. Submission Checklist: See Article VII, Page 28 of the RFQ.

IV. HUB Subcontracting Plan

HUB Subcontracting Plan and use of Historically Underutilized Businesses (HUBs): GLO has identified potential subcontracting opportunities and included a list on the ESBD posting of certified HUB vendors that provide those services from the state's Centralized Master Bidders List (CMBL).

HUBs for other subcontracting opportunities identified by the Respondent may also be found on the CMBL:

<https://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>

Refer all HUB-related questions to:

Mindy Sue Cohen, HUB Coordinator
Mindy.Cohen@GLO.Texas.Gov, (512) 936-1487; or

Daphne Grantham, Assistant HUB Coordinator
Daphne.Grantham@GLO.Texas.Gov, (512) 463-5194

The HUB Coordinator will give an overview of proper completion of the HUB Subcontracting Plan and good faith effort requirements.

TEXAS GENERAL LAND OFFICE
GEORGE P. BUSH, COMMISSIONER

HUB Subcontracting Probability Statement

It is the policy of the General Land Office to promote and encourage contracting and subcontracting opportunities for State of Texas certified Historically Underutilized Businesses (HUBs) in compliance with Texas Government Code, Statute §2161.001-253 and TAC Rule §20.14. Respondents are encouraged to become HUB certified. State of Texas HUB applications may be found at: <https://www.comptroller.texas.gov/purchasing/vendor/registration/> Definitions for State of Texas HUB certifiable businesses can be found in Texas Administrative Code Title 34 Part 1, Subchapter B, Chapter §20.11 under the Comptroller of Public Accounts Texas Procurement and Support Services (TPASS) program and HUB Rules. Please make certain that the potential HUB subcontractor's HUB status is "A" Active. **If the respondent will be conducting outreach to potential HUB subcontractors, please review Method B Attachment B sections B-1 through B-4. Pay close attention to Section B-3 which outlines all of the steps to meet the required good faith effort requirements.**

Reference number: X0010955-SK Beach Debris Removal

✓ It has been determined by the Agency that there are probable subcontracting opportunities in the scope of the work for this proposal or offer.

The HUB Goal for this procurement is 26.0%

The GLO has provided a list of potential areas of subcontracting based upon the GLO's understanding of this procurement request. Bidders or Proposers are not limited to the potential subcontracting areas listed below. The GLO is relying upon the Bidder's or Proposer's expertise to fully identify subcontracting opportunities that best align with their organization and this procurement request. Proposers, who intend to subcontract, are responsible for identifying **all areas that will be subcontracted**. *In accordance with 34 TAC §20.11, a subcontractor means a person who contracts with a prime contractor to work, to supply commodities, or contribute toward completing work for a governmental entity.*

A HUB Subcontracting Form **must** be completed and returned with any bid, offer or proposal to be considered responsive.

If your response to this solicitation does not include a completed HUB Subcontracting Plan, your response shall be rejected as a material failure to comply with advertised specifications. If a properly submitted HUB subcontracting plan contains minor deficiencies (e.g., failure to sign or date the plan, failure to submit already-existing evidence that three HUBs were contacted), the agency may contact the respondent for clarification to the plan if it contains sufficient evidence that the respondent developed and submitted the plan in good faith.

All prime vendors (HUB or Non-HUB) are required to comply.

You may download the HUB Subcontracting Plan form from the Office of the Comptroller of Public Accounts website. This version will guide the respondent through the various fields and assist them in completing it correctly: <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/hub-sbcont-plan-allfms.pdf>

Search the State of Texas HUB Database for HUB vendors by the NIGP class and item at the following link: <https://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>

The National Institute of Government Purchasing (NIGP) commodity code book may be found at the following link: <https://www.comptroller.texas.gov/purchasing/nigp/>

Minority and women owned business association resources are available for your subcontracting solicitation notices to State of Texas HUB vendors at this link:

If you have any questions about the HUB Subcontracting form, identifying HUB vendors with proper NIGP codes, or the State of Texas HUB Program, please contact the GLO's HUB Coordinator, Mindy Sue Cohen at 512-936-1487 or mindy.cohen@glo.texas.gov

HUB Subcontracting Plan Revisions

After an award is made, any modifications to the HSP must be submitted to the GLO for prior approval. A HUB Subcontracting Plan Change Order is attached for submitting any changes to your HSP. If the HSP is modified without the GLO's prior approval, you will be in breach of contract and subject to any remedial actions provided by Chapter §2161 of the Tex. Government Code. You will be required to submit monthly compliance reports (see the attached HUB Subcontracting Plan (HSP) Prime Contractor Progress Assessment Report) to the GLO, specifying the use, including expenditures to HUB subcontractors, if applicable.

HUB Subcontracting Plan (HSP) QUICK CHECKLIST

While this HSP Quick Checklist is being provided to merely assist you in readily identifying the sections of the HSP form that you will need to complete, it is very important that you adhere to the instructions in the HSP form and instructions provided by the contracting agency.

- **If you will be awarding all of the subcontracting work you have to offer under the contract to only Texas certified HUB vendors, complete:**
 - Section 1 - Respondent and Requisition Information
 - Section 2 a. - Yes, I will be subcontracting portions of the contract.
 - Section 2 b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors.
 - Section 2 c. - Yes
 - Section 4 - Affirmation
 - GFE Method A (Attachment A) - Complete an Attachment A for each of the subcontracting opportunities you listed in Section 2 b.
- **If you will be subcontracting any portion of the contract to Texas certified HUB vendors and Non-HUB vendors, and the aggregate percentage of all the subcontracting work you will be awarding to the Texas certified HUB vendors with which you do not have a continuous contract* in place for more than five (5) years meets or exceeds the HUB Goal the contracting agency identified in the "Agency Special Instructions/Additional Requirements", complete:**
 - Section 1 - Respondent and Requisition Information
 - Section 2 a. - Yes, I will be subcontracting portions of the contract.
 - Section 2 b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors and Non-HUB vendors.
 - Section 2 c. - No
 - Section 2 d. - Yes
 - Section 4 - Affirmation
 - GFE Method A (Attachment A) - Complete an Attachment A for each of the subcontracting opportunities you listed in Section 2 b.
- **If you will be subcontracting any portion of the contract to Texas certified HUB vendors and Non-HUB vendors or only to Non-HUB vendors, and the aggregate percentage of all the subcontracting work you will be awarding to the Texas certified HUB vendors with which you do not have a continuous contract* in place for more than five (5) years does not meet or exceed the HUB Goal the contracting agency identified in the "Agency Special Instructions/Additional Requirements", complete:**
 - Section 1 - Respondent and Requisition Information
 - Section 2 a. - Yes, I will be subcontracting portions of the contract.
 - Section 2 b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors and Non-HUB vendors.
 - Section 2 c. - No
 - Section 2 d. - No
 - Section 4 - Affirmation
 - GFE Method B (Attachment B) - Complete an Attachment B for each of the subcontracting opportunities you listed in Section 2 b.
- **If you will not be subcontracting any portion of the contract and will be fulfilling the entire contract with your own resources (i.e., employees, supplies, materials and/or equipment), complete:**
 - Section 1 - Respondent and Requisition Information
 - Section 2 a. - No, I will not be subcontracting any portion of the contract, and I will be fulfilling the entire contract with my own resources.
 - Section 3 - Self Performing Justification
 - Section 4 - Affirmation

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- **11.2 percent for heavy construction other than building contracts,**
- **21.1 percent for all building construction, including general contractors and operative builders' contracts,**
- **32.9 percent for all special trade construction contracts,**
- **23.7 percent for professional services contracts,**
- **26.0 percent for all other services contracts, and**
- **21.1 percent for commodities contracts.**

- - Agency Special Instructions/Additional Requirements - -

*In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent **does not** have a **continuous contract*** in place for **more than five (5) years** shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.*

SECTION 1: RESPONDENT AND REQUISITION INFORMATION

- a. Respondent (Company) Name: _____ State of Texas VID #: _____
 Point of Contact: _____ Phone #: _____
 E-mail Address: _____ Fax #: _____
- b. Is your company a State of Texas certified HUB? - Yes - No

SECTION 2: RESPONDENT'S SUBCONTRACTING INTENTIONS

After dividing the contract work into reasonable lots or portions to the extent consistent with prudent industry practices, and taking into consideration the scope of work to be performed under the proposed contract, including all potential subcontracting opportunities, the respondent must determine what portions of work, **including contracted staffing, goods and services will be subcontracted**. Note: In accordance with 34 TAC §20.11, a "Subcontractor" means a person who contracts with a prime contractor to work, to supply commodities, or to contribute toward completing work for a governmental entity.

- a. Check the appropriate box (Yes or No) that identifies your subcontracting intentions:
- *Yes*, I will be subcontracting portions of the contract. (If *Yes*, complete Item b of this SECTION and continue to Item c of this SECTION.)
 - *No*, I will not be subcontracting any portion of the contract, and I will be fulfilling the entire contract with my own resources, including employees, goods and services. (If *No*, continue to SECTION 3 and SECTION 4.)

b. List all the portions of work (subcontracting opportunities) you will subcontract. Also, based on the total value of the contract, identify the percentages of the contract you expect to award to Texas certified HUBs, and the percentage of the contract you expect to award to vendors that are not a Texas certified HUB (i.e., Non-HUB).

SECTION 3: SELF PERFORMING JUSTIFICATION (If you responded "No" to SECTION 2, Item a, you must complete this SECTION and continue to SECTION 4.) If you responded "No" to SECTION 2, Item a, in the space provided below **explain how** your company will perform the entire contract with its own employees, supplies, materials and/or equipment.

SECTION 4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/ProgressAssessmentReportForm.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

SECTION B-2: MENTOR PROTÉGÉ PROGRAM

If respondent is participating as a Mentor in a State of Texas Mentor Protégé Program, submitting its Protégé (Protégé must be a State of Texas certified HUB) as a subcontractor to perform the subcontracting opportunity listed in **SECTION B-1**, constitutes a good faith effort to subcontract with a Texas certified HUB towards that specific portion of work.

Check the appropriate box (Yes or No) that indicates whether you will be subcontracting the portion of work you listed in SECTION B-1 to your Protégé.

- Yes (If *Yes*, continue to SECTION B-4.)
- No / Not Applicable (If *No* or *Not Applicable*, continue to SECTION B-3 and SECTION B-4.)

SECTION B-3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you **MUST** comply with items **a, b, c and d**, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/HUBSubcontractingOpportunityNotificationForm.pdf>.

Retain and submit supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.

- a.** Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to **three (3) or more Texas certified HUBs**. Unless the contracting agency specified a different time period, you must allow the HUBs **at least seven (7) working days to respond to the notice prior to you submitting your bid response** to the contracting agency. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at <http://mycpa.cpa.state.tx.us/tpasscmlbsearch/index.jsp>. HUB status code “A” signifies that the company is a Texas certified HUB.
- b.** List the **three (3) Texas certified HUBs** you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company’s Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

- c.** Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to **two (2) or more trade organizations or development centers in Texas** to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers **at least seven (7) working days prior to submitting your bid response to the contracting agency**. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program’s webpage at <https://www.comptroller.texas.gov/purchasing/vendor/hub/resources.php>.

- d.** List **two (2) trade organizations or development centers** you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the date when you sent notice to it and indicate if it accepted or rejected your notice.

REMINDER: As specified in SECTION 4 of the completed HSP form, if you (respondent) are awarded any portion of the requisition, you are required to provide notice as soon as practical to **all** the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity it (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.

HUB Subcontracting Opportunity Notification Form

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, at least seven (7) working days prior to submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code, §20.11(19)(C).

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.

we must receive your bid response no later than _____ on _____.

Central Time Date (mm/dd/yyyy)

In accordance with 34 TAC §20.14, each notice of subcontracting opportunity shall be provided to at least three (3) Texas certified HUBs, and allow the HUBs at least seven (7) working days to respond to the notice prior to submitting our bid response to the contracting agency. In addition, at least seven (7) working days prior to us submitting our bid response to the contracting agency, we must provide notice of each of our subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code, §20.11(19)(C).

(A working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be "day zero" and does not count as one of the seven (7) working days.)
