The State of Texas

Austin, Texas

PAID-UP
OIL AND GAS LEASE NO. (108217)
GENERAL LAND OFFICE
AUSTIN, TEXAS

THIS AGREEMENT made and entered into by and between the Commissioner of the General Land Office of the State of Texas, whose address is Stephen F. Austin Building, 1700 North Congress, Austin, Texas, 78701, hereinafter called "Lessor", hereunto authorized by the School Land Board, pursuant to the provisions of Chapters 32 and 52 of the Natural Resources Code (hereinafter called N.R.C.), and amendments thereto, and all applicable rules promulgated by the School Land Board and **Dale Resources, LLC**, whose address is **6001 Bridge Street, Suite 102, Ft. Worth, TX 76112** hereinafter called "Lessee".

1. Lessor, in consideration of **Two Thousand Eight Hundred Forty Nine 00/100 ($2,849.00)** receipt of which is hereby acknowledged, and of the covenants and agreements of Lessee hereinafter contained, does hereby grant, lease, and let unto Lessee the land covered hereby for the purposes and with the exclusive right of exploring, drilling, mining and operating for, producing and owning oil, gas, and all other hydrocarbons, produced from the land covered hereby. The land covered hereby, herein called "said land" is located in the County of **Tarrant** State of Texas, and is described as follows:

> **0.37 acres** of land, more or less, known as, situated in said **Tarrant** County, Texas, more particularly described in Exhibit "A" attached hereto and made a part hereof together with a plat, attached hereto as Exhibit "B", depicting said right-of-way and surrounding area for purposes of illustration only.

For the purpose of determining the amount of any bonus or other payment hereunder, said land shall be deemed to contain **0.37** acres, whether actually containing more or less, and the above recital of acreage shall be deemed to be the true acreage thereof. Lessor accepts the bonus as lump sum consideration for this lease and all rights and options hereunder.

2. PRIMARY TERM: This lease, which is a "paid up" lease requiring no rentals, shall remain in force for a term of **one year, from August 21st, 2007** hereinafter called "primary term", and as long thereafter as operations, as hereinafter defined, are conducted upon said land with no cessation for more than ninety (90) consecutive days.

3. ROYALTIES: As royalty Lessee covenants and agrees:

(a) To deliver to the credit of Lessor, in the pipe line to which Lessee may connect its well, the equal **1/4** part of all oil produced and saved by Lessee from said land, or from time to time, at the option of Lessee, to pay Lessor the average posted market price of such **1/4** part of such oil at the wells as of the day it is run to the pipe line or storage tanks, Lessor's interest, in either case, to bear none of the cost of treating oil to render it marketable pipe line oil;

(b) To pay Lessor on gas and casing head gas produced from said land (1) when sold by lessee **1/4** of the amount realized by Lessee, computed at the mouth of the well, or (2) when used by Lessee off said land or in the manufacture of gasoline or other products, the market value, at the mouth of the well, of **1/4** of such gas and casing head gas.

(c) If, at the expiration of the primary term or at any time or times thereafter, there is any well on said land or on lands with which said land or any portion thereof has been pooled, capable of producing oil or gas, and all such wells are shut-in, this lease shall, nevertheless, continue in force as though operations were being conducted on said land for so long as said wells are shut-in, and thereafter this lease may be continued in force as if no shut-in had occurred

(d) Lessee covenants and agrees to use reasonable diligence to produce, utilize, or market the minerals capable of being produced from said wells, but in the exercise of such diligence, Lessee shall not be obligated to install or furnish facilities other than well facilities and ordinary lease facilities of flow lines, separator, and lease tank, and shall not be required to settle labor trouble or to market gas upon terms unacceptable to Lessee.

(e) If at any time or times after the expiration of the primary term, all such wells are shut-in for a period of ninety consecutive days, and during such time there are no operations on said land, then at or before the expiration of said ninety day period, lessee shall pay or tender, by check of lessee, as royalty, the sum of **$ 1,000.00**. Lessee shall make like payments or tenders at or before the end of each anniversary of the expiration of said ninety day period if upon such anniversary this lease is being continued in force solely by reason of the provisions of this paragraph. Each such payment or tender shall be made to the parties who at the time of payment would be entitled to receive the royalties which would be paid under this lease if the wells were producing. Nothing herein shall impair lessee's right to release as provided in paragraph 5 hereof. In the event of assignment of this lease in whole or in part, liability for payment hereunder shall rest exclusively on the then owner or owners of this lease, severally as to acreage owned by each.

(f) All royalties not taken in kind shall be paid to the Commissioner of the General Land Office at Austin, Texas, in the following manner:

Royalty on oil is due and must be received in the General Land Office on or before the 5th day of the second month succeeding the month of production, and royalty on gas is due and must be received in the General Land Office on or before the 15th day of the second month succeeding the month of production, accompanied by the affidavit of the owner, manager, or other authorized agent, completed in the form and manner prescribed by the General Land Office and showing the gross amount and disposition of all oil and gas produced and the market value of the oil and gas, together with a copy of all documents, records or reports confirming the gross production, disposition and market value including gas meter readings, pipeline receipts, gas line receipts and other checks or memoranda of amount produced and put into pipelines, tanks, or pools and gas lines or gas storage, and any other reports or records which the General Land Office may require to verify the gross production, disposition and market value. In all cases the authority of a manager or agent to act for the Lessee herein must be filed in the General Land Office. Each royalty payment shall be accompanied by a check stub, schedule, summary or other remittance advice showing by the assigned General Land Office lease number the amount of royalty being paid on each lease. If Lessee pays his royalty on or before thirty (30) days after the royalty payment was due, the Lessee owes a penalty of 5% on the royalty or $25.00, whichever is greater. A royalty payment which is over thirty (30) days late shall accrue a penalty of 10% of the royalty due or $25.00, whichever is greater. In addition to a penalty, royalties shall accrue interest at a rate of 12% per year; such interest will begin accruing when the royalty is sixty (60) days overdue. Affidavits and supporting documents which are not filed when due shall incur a penalty in an amount set by the General Land Office administrative rule which is effective on the date when the affidavits or supporting documents were due. The Lessee shall bear all responsibility for paying or causing royalties to be paid as prescribed by the due date provided herein. Payment of the delinquency penalty shall in no way operate to prohibit the State's right of forfeiture as provided by law nor act to postpone the date on which royalties were originally due. The above penalty provisions shall not apply in cases of title dispute as to the State's portion of the royalty or to that portion of the royalty in dispute as to fair market value. The State shall have first lien upon all oil and gas produced from the area covered by this lease to secure the payment of all unpaid royalty and other sums of money that may become due to the State hereunder.

4. POOLING: (a) Lessee is hereby granted the right, at its option, to pool or unitize any land covered by this lease with any other land covered by this lease, and/or with any other land, lease, or leases, as to any or all minerals or horizons. Units pooled for oil hereunder shall not exceed 160 acres each in area, and units pooled for gas hereunder shall not exceed in area 640 acres each plus a tolerance often percent (10%) thereof, unless oil or gas units of a greater size are allowed under or prescribed by rules of the Railroad Commission of Texas. A unit established hereunder shall be valid and effective for all purposes of this lease even though there may be mineral, royalty, or leasehold interests in lands within

the unit, which are not effectively pooled or unitized. Any operations conducted on any part of such unitized land shall be considered, for all purposes, except the payment of royalty, as operations conducted upon said land under this lease. There shall be allocated to the land covered by this lease within each such unit (or to each separate tract within the unit if this lease covers separate tracts within the unit) the proportion of the total production of unitized minerals from the unit, after deducting any used in lease or unit operations, which the number of surface acres in such land (or in each such separate tract) covered by this lease within the unit bears to the total number of surface acres in the unit, and the production so allocated shall be considered for all purposes, including payment or delivery of royalty, overriding royalty and any other payments out of production, to be the entire production of unitized minerals from the land to which allocated in the same manner as though produced there from under the terms of this lease. The owner of the reversionary estate of any term royalty or mineral estate agrees that the accrual of royalties pursuant to this paragraph or of shut-in royalties from a well on the unit shall satisfy any limitation of term requiring production of oil or gas. The formation of any unit hereunder which includes land not covered by this lease shall not have the effect of exchanging or transferring any interest under this lease (including, without limitation, any shut-in royalty which may become payable under this lease) between parties owning interests in land covered by this lease and parties owning interests in land not covered by this lease. Neither shall it impair the right of Lessee to release as provided in paragraph 5 hereof, except that Lessee may not so release as to lands within a unit while there are operations thereon for unitized minerals unless all pooled leases are released as to lands within the unit. At any time while this lease is in force Lessee may dissolve any unit established hereunder by filing for record in the public office where this lease is recorded a declaration to that effect, if at that time no operations are being conducted thereon for unitized minerals. Subject to the provisions of this paragraph 4, a unit once established hereunder shall remain in force for so long as any lease subject thereto shall remain in force. If this lease now or hereafter covers separate tracts, no pooling or unitization of royalty interests as between any such separate tracts is intended or shall be implied or result merely from the inclusion of such separate tracts within this lease but Lessee shall nevertheless have the right to pool or unitize as provided in this paragraph 4 with consequent allocation of production as herein provided. As used in this paragraph 4, the words "separate tract" mean any tract with royalty ownership differing, now or hereafter, either as to parties or amounts, from that as to any other part of the leased premises.

(b) Neither unit production of oil or gas, nor unit operations, nor payment of shut-in royalties from a unit gas well, shall serve to hold the lease in force as to any area outside the unit, regardless of whether the production, maintenance of a shut-in gas well, or operations are actually located on the State tract or not.

(c) Lessee agrees to file with the General Land Office a copy of any unit designation, which this lease is included within ninety (90) days of such designation.

5. RELEASE: Lessee may relinquish the rights granted hereunder to the State at any time by recording the relinquishment in the county where this area is situated and filing the recorded relinquishment or certified copy of same in the General Land Office within ninety (90) days after its execution accompanied by the prescribed filing fee. Such relinquishment will not have the effect of releasing Lessee from any liability theretofore accrued in favor of the State.

6. REWORK: If at any time or times during the primary term operations are conducted on said land and if all operations are discontinued, this lease shall thereafter terminate at the end of the primary term or on the ninetieth day after discontinuance of all operations, whichever is the later date, unless on such later date either (1) Lessee is conducting operations or (2) the shut-in well provisions of paragraph 3 or the provisions of paragraph 9 are applicable. Whenever used in this lease the word "operations" shall mean operations for and any of the following: drilling, testing, completing, reworking, recompleting, deepening, plugging back or repairing of a well in search for or in an endeavor to obtain production of oil or gas, or production of oil or gas in paying quantities.

7. MINERAL USE: Lessee shall have the use, free from royalty, of oil and gas produced from said land in all operations hereunder.

8. NOTICE: In the event Lessor considers that Lessee has not complied with all its obligations hereunder, both express and implied, Lessor shall notify Lessee in writing, setting out specifically in what respects Lessee has breached this contract. Lessee shall then have sixty (60) days after receipt of said notice within which to meet or commence to meet all

or any part of the breaches alleged by Lessor. The service of said notice shall be precedent to the bringing of any action by Lessor on said lease for any cause, and no such action shall be brought until the lapse of sixty (60) days after service of such notice on Lessee. Neither the service of said notice nor the doing of any acts by Lessee aimed to meet all or any of the alleged breaches shall be deemed an admission or presumption that Lessee has failed to perform all its obligations hereunder. If this lease is canceled for any cause, it shall nevertheless remain in force and effect as to (1) sufficient acreage around each well as to which there are operations to constitute a drilling or maximum allowable unit under applicable governmental regulations, (but in no event less than forty acres), such acreage to be designated by Lessee as nearly as practicable in the form of a square centered at the well, or in such shape as then existing spacing rules require; and (2) any part of said land included in a pooled unit on which there are operations.

9. FORCE MAJEURE: If, while this lease is in force, at, or after the expiration of the primary term hereof, it is not being continued in force by reason of the shut-in well provisions of paragraph 3 hereof, and Lessee is not conducting operations on said land by reason of (1) any law, order, rule or regulation, (whether or not subsequently determined to be invalid) or (2) any other cause, whether similar or dissimilar, (except financial) beyond the reasonable control of Lessee, the primary term shall be extended until the first anniversary date hereof occurring ninety (90) or more days following the removal of such delaying cause, and this lease may be extended thereafter by operations as if such delay had not occurred.

10. LESSER ESTATE CLAUSE: If this lease covers a less interest in the oil or gas in all or any part of said land than the entire and undivided fee simple estate (whether lessors interest is herein specified or not), or no interest therein, then the royalties, and other monies accruing from any part as to which this lease covers less than such full interest, shall be paid only in the proportion which the interest therein, if any, covered by this lease bears to the whole and undivided fee simple estate therein.

11. ASSIGNMENTS: This lease may be transferred at any time. All transfers must reference the lease by file number and must be recorded in the county where the land covered hereby is located, and the recorded transfer or a copy certified to by the County Clerk of the county where the transfer is recorded must be filed in the General Land Office within ninety (90) days of the execution date, as provided by N.R.C. Section 52.026, accompanied by the prescribed filing fee. Every transferee shall succeed to all rights and be subject to all obligations, liabilities, and penalties owed to the State by the original Lessee or any prior transferee of the lease, including any liabilities to the State for unpaid royalties.

12. WELL INFORMATION: Lessee agrees to forthwith furnish Lessor, upon written request, with copies of all drilling logs, electrical logs, cores and core records and other information pertaining to all wells drilled by lessee either on the leased premises or acreage pooled therewith, when requested to do so. Said information shall remain confidential as required by statute.

13. SURFACE: Notwithstanding anything herein to the contrary, it is agreed that Lessee will not conduct any exploration or drilling on the surface of the leased premises or use the surface in the exercise of any rights herein granted. Any development of said land shall be by means of a directional well located off the leased premises, or by pooling of said land with other land, lease or leases as hereinabove provided.

14. COMPENSATORY ROYALTY: Lessee shall pay a compensatory royalty if this lease is not being held by production on the leased premises, by production from a pooled unit, or by payment of shut-in royalties in accordance with the terms of this lease, and if oil or gas is sold or delivered in paying quantities from a well located within 2,500 feet of the leased premises and completed in a producible reservoir underlying the area leased hereunder or in any case in which drainage is occurring. Such compensatory royalty shall be paid at the royalty rate provided in this lease based on the value of production from the well as provided in the lease on which such well is located. The compensatory royalty shall be paid in the same proportion that the acreage of this lease has to the acreage of the proration unit surrounding the draining well plus the acreage of this lease. The compensatory royalty shall be paid monthly to the Commissioner of the General Land Office on or before the last day of the month after the month in which the oil or gas is sold and delivered from the well

causing the drainage or from the well located within 2500 feet of the leased premises and completed in a producible reservoir under this lease. Notwithstanding anything herein to the contrary, compensatory royalty payable hereunder shall be no less than an amount equal to **double the shut-in royalty** and shall maintain this lease in effect for so long as such payments are made as provided herein.

15. FORFEITURE: If Lessee shall fail or refuse to make payment of any sum within thirty (30) days after it becomes due, or if Lessee or an authorized agent should knowingly make any false return or false report concerning production or drilling, or if Lessee shall fail or refuse to drill any offset well or wells in good faith as required by law and the rules and regulations adopted by the Commissioner of the General Land Office, or if Lessee should fail to file reports in the manner required by law or fail to comply with rules and regulations promulgated by the General Land Office, or refuse the proper authority access to the records pertaining to operations, or if Lessee or an authorized agent should knowingly fail or refuse to give correct information to the proper authority, or knowingly fail or refuse to furnish the General Land Office a correct log of any well, or if this lease is pooled or assigned and the unit designation or assignment is not filed in the General Land Office as required by law, the rights acquired under this lease shall be subject to forfeiture by the Commissioner, and he shall forfeit same when sufficiently informed of the facts which authorize a forfeiture, and when forfeited the area shall again be subject to lease. However, nothing herein shall be construed as waiving the automatic termination of this lease by operations of law or by reason of any special limitation arising hereunder. Forfeitures may be set aside and this lease and all rights there under reinstated before the rights of another intervene upon satisfactory evidence to the Commissioner of the General Land Office of future compliance with the provisions of the law and of this lease and the rules and regulations that may be adopted relative hereto.

IN TESTIMONY WHEREOF, witness the signature of the Commissioner of the General Land Office of the State of Texas under the seal of the General Land Office.

Re: Application by Dale Resources, L.L.C., to acquire Oil and Gas Lease
.37 acres, more or less, being Valkus Street R-O-W, Tarrant County, Texas.

Dear Drew:

The City of Fort Worth ("City") received the following described land designated as R-O-W for Berry Street:

.37 acres of land, being all of that portion of Valkus Street located in the J. Sanderson Survey, Abstract 1430, Tarrant County, Texas, as described in that certain document dated March 23, 1933, by and between Mrs. John Floyd, a widow, as Grantor and City of Fort Worth, as Grantee, recorded in Volume 1204, Page 15, of the Official Public Records of Tarrant County, Texas.

Accordingly, Dale Resources, L.L.C. owns oil and gas leases on either side of said R-O-W, and it is necessary for Dale to acquire an oil and gas lease covering the same in order to drill a horizontal well from an off-site location. We therefore request that the State of Texas grant Dale Property Services, L.L.C. an oil and gas lease covering said land. If granted the lease, Dale will combine this lease with their present leases in a concerted plan of development for the Hickman prospect area.

An affidavit, a plat, copies of pertinent oil and gas leases and assignments, a filing fee check and bonus check are enclosed. Thank you very much for your assistance, and please call me with any questions.

Sincerely,

Justin Hollingsworth

KNOW ALL MEN BY THESE PRESENTS:

BEFORE ME, the undersigned, a Notary Public in and for the State of Texas, on this day personally appeared Justin Hollingsworth, to me well known to be a credible person, and who after being by me duly sworn on his oath did state:

That I know the consideration Dale Resources, L.L.C. ("Dale") paid for the leases on adjacent lands to the property designated as Valkus Street R-O-W. That Dale paid Walter V. Bostick and wife, Cecile Bostick, one thousand two hundred dollars ($1,200) per net mineral acre as bonus consideration for an oil, gas and mineral lease which is recorded in Instrument # D205355085, of the Official Public Records of Tarrant County, Texas covering 11.5 acres adjacent to Valkus Street. Dale paid Davestates, Inc. one thousand dollars ($1,000) per net mineral acre as bonus consideration for the oil, gas and mineral lease recorded in Instrument # D206045810 of the Official Public Records of Tarrant County, Texas covering 5.606 acres adjacent to Valkus Street. Dale paid Tarrant Regional Water District seven thousand seven hundred dollars ($7,700) per net mineral acre as bonus consideration for the oil, gas and mineral lease recorded in Instrument # D206342460, of the Official Public Records of Tarrant County, Texas, covering 45.284 acres of land adjacent to Valkus Street. Dale paid Helen Etta Underwood one thousand two hundred thirty four dollars and fifty six cents ($1,234.56) per net mineral acre as bonus consideration for the oil, gas and mineral lease recorded in Instrument # D205355084, of the Official Public Records of Tarrant County, Texas, covering .81acres of land adjacent to Valkus Street.

Further Affiant sayeth not.

MEMORANDUM OF OIL, GAS AND MINERAL LEASE

THE STATE OF TEXAS §
§
COUNTY OF TARRANT §

Notice is hereby given that on the 14th day of September, 2005 an Oil, Gas and Mineral Lease was made and entered into by and between Walter V. Bostick and wife, Cecile Bostick, whose mailing address is 428 Bostick Street, Fort Worth, Texas 76105, as "Lessor", and Dale Resources, L.L.C., whose address is 2100 Ross Avenue, Suite 1870, LB-9, Dallas, TX 75201, as "Lessee", wherein Lessor grants, leases and lets exclusively unto Lessee for the sole purpose of exploring for, drilling, operating, and producing oil and/or gas and of laying pipelines, as herein provided, temporarily storing oil, building tanks (but not tank farms), power stations, telephone lines, roads and structures thereon necessary to produce, save, care for, treat and transport the oil and/or gas produced from the land leased hereunder, the following described land situated in Tarrant County, State of Texas, to wit:

11.5 acres of land, more or less, being all of Block 4; all of Block 5, less and except Lots 1, 2, 3, 4, and 5; all of Lot 8, Block 23; all of Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, and 11, Block 24; all of Lot 8, Block 29; and all of Lots 1, 2, 3, 4, 5, and 6, Block 25, of the W.J. Boaz Re-Plat of the King and Hendricks Subdivision, an addition to the City of Fort Worth, Tarrant County, Texas, according to the plat dated September 3, 1907, and recorded in Volume 204-A, Page 119 of the Plat Records of Tarrant County, Texas.

Subject to the other provisions hereinafter contained, this Lease shall be for a term of three (3) years from this date (called "primary term"), and so long thereafter as oil and gas, or either of them, is produced in paying quantities from the leased premises or lands with which the leased premises are pooled pursuant to the provisions of this Lease, or operations are conducted as hereinafter provided. Originals of the Oil and Gas Lease are in the possession of Lessor and Lessee.

This Memorandum is executed for the purpose of filing this instrument of record in the official Records of Tarrant County, Texas, to give notice to all third parties dealing with Lessor or Lessee or with the lands above described of the existence of the Oil and Gas Lease. The Oil and Gas Lease and this Memorandum shall be binding upon Lessor and Lessee and their respective heirs, successors and assigns.

IN WITNESS WHEREOF, this instrument is executed on the date first written.

OIL, GAS AND MINERAL LEASE

THIS AGREEMENT made this 14th day of September 2005, between Walter V. Bostick and wife, Cecile Bostick, Lessor (whether one or more), whose address is 428 Bostick Street, Fort Worth, Texas 76105, and Dale Resources, L.L.C., 2100 Ross Avenue, Suite 1870, LB-9, Dallas, Texas 75201, Lessee, WITNESSETH:

1. Lessor in consideration of Ten and No/100----------Dollars ($10.00), in hand paid, of the royalties herein provided, and of the agreements of Lessee herein contained, hereby grants, leases and lets exclusively unto Lessee for the purpose of investigating, exploring, prospecting, drilling and mining for and producing oil, gas and all other minerals, conducting exploration, geologic and geophysical surveys by seismograph, core test, gravity and magnetic methods, injecting gas, water and other fluids, and air into subsurface strata, laying pipe lines, building roads, tanks, power stations, telephone lines and other structures thereon and on, over and across lands owned or claimed by Lessor adjacent and contiguous thereto, to produce, save, take care of, treat, transport and own said products, and housing its employees, the following described land in Tarrant County, Texas, to wit:

11.5 acres of land, more or less, being all of Block 4; all of Block 5, less and except Lots 1, 2, 3, 4, and 5; all of Lot 8, Block 23; all of Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, and 11, Block 24; all of Lot 8, Block 29; and all of Lots 1, 2, 3, 4, 5, and 6, Block 25, of the W.J. Boaz Re-Plat of the King and Hendricks Subdivision, an addition to the City of Fort Worth, Tarrant County, Texas, according to the plat dated September 3, 1907, and recorded in Volume 204-A, Page 119 of the Plat Records of Tarrant County, Texas.

This lease also covers and includes all land owned or claimed by Lessor adjacent or contiguous to the land particularly described above, whether the same be in said survey or surveys or in adjacent surveys, although not included within the boundaries of the land particularly described above.

2. This is a paid up lease and subject to the other provisions herein contained, this lease shall be for a term of three (3) years from this date (called "primary term") and as long thereafter as oil, gas or other mineral is produced from said land or land with which said land is pooled hereunder.

3. As royalty, lessee covenants and agrees: (a) To deliver to the credit of lessor, in the pipelines to which lessee may connect its wells, the equal **twenty-two and one-half percent (22.5%)** part of all oil produced and saved by lessee from said land, or from time to time, at the option of lessee, to pay lessor the average posted market price of such **twenty-two and one-half percent (22.5%)** part of such oil at the wells as of the day it is run to the pipe line or storage tanks, lessor's interest, in either case, to bear **twenty-two and one-half percent (22.5%)** of the cost of treating oil to render it marketable pipeline oil; (b) to pay lessor for gas and casinghead gas produced from said land (1) when sold by lessee **twenty-two and one-half percent (22.5%)** of the amount realized by lessee, computed at the mouth of the well, or (2) when used by lessee off said land or in the manufacture of gasoline or other products **twenty-two and one-half percent (22.5%)** of the amount realized from the sale of gasoline or other products extracted therefrom and **twenty-two and one-half percent (22.5%)** of the amount realized from the sale of residue gas after deducting the amount used for plant fuel and/or compression; (c) To pay lessor on all other minerals mined and marketed or utilized by lessee from said land, one-tenth either in kind or value at the well or mine at lessee's election, except that on sulphur mined and marketed the royalty shall be one dollar ($1.00) per long ton. If, at the expiration of the primary term or at any time or times thereafter, there is any well on said land or on lands with which said land or any portion thereof has been pooled, capable of producing oil or gas, and all such wells are shut-in, this lease shall, nevertheless, continue in force as though operations were being conducted on said land for so long as said wells are shut-in, and thereafter this lease may be continued in force as if no shut-in had occurred. Lessee covenants and agrees to use reasonable diligence to produce, utilize, or market the minerals capable of being produced from said wells, but in the exercise of such diligence, lessee shall not be obligated to install or furnish facilities other than well facilities and ordinary lease facilities of flow lines, separator, and lease tank, and shall not be required to settle labor trouble or to market gas upon terms unacceptable to lessee. If, at any time or times after the expiration of the primary term, all such wells are shut-in for a period of ninety consecutive days, and during such time there are no operations on said land, then at or before the expiration of said ninety day period, lessee shall pay or tender, by check or draft of lessee, as royalty, a sum equal to one dollar ($1.00) for each acre of land then covered hereby. Lessee shall make like payments or tenders at or before the end of each anniversary of the expiration of said ninety day period if upon such anniversary this lease is being continued in force solely by reason of the provisions of this paragraph. Each such payment or tender shall be made to the parties who at the time of payment would be entitled to receive the royalties which would be paid under this lease if the wells were producing, and may be deposited at the Lessor's address given above, or its successors, which shall continue as the depositories, regardless of changes in the ownership of shut-in royalty. If at any time that lessee pays or tenders shut-in royalty, two or more parties are, or claim to be, entitled to receive same, lessee may, in lieu of any other method of payment herein provided, pay or tender shut-in royalty, in the manner above specified, either jointly to such parties or separately to each in accordance with their respective ownerships thereof, as lessee may elect. Any payment hereunder may be made by check or draft of lessee deposited in the mail or delivered to the party entitled to receive payment or to a depository bank provided for above on or before the last date for payment. Nothing herein shall impair lessee's right to release as provided in paragraph 5 hereof. In the event of assignment of this lease in whole or in part, liability for payment hereunder shall rest exclusively on the then owners of this lease, severally as to acreage owned by each.

4. Lessee shall have the right but not the obligation to pool all or any part of the leased premises or interest therein with any other lands or interests, as to any or all depths or zones, and as to any or all substances covered by this lease, either before or after the commencement of production, whenever Lessee deems it necessary or proper to do so in order to prudently develop or operate the leased premises, whether or not similar pooling authority exists with respect to such other lands or interests. The unit formed by such pooling for an oil well which is not a horizontal completion shall not exceed 80 acres plus a maximum acreage tolerance of 10%, and for a gas well or a horizontal completion shall not exceed 640 acres plus a maximum acreage tolerance of 10%; provided that a larger unit may be formed for an oil well or gas well or horizontal completion to conform to any well spacing or density pattern that may be prescribed or permitted by any governmental authority having jurisdiction to do so. For the purpose of the foregoing, the terms 'oil well' and 'gas well' shall have the meanings prescribed by applicable law or the appropriate governmental authority, or, if no definition is so prescribed, 'oil well' means a well with an initial gas-oil ratio of less than 100,000 cubic feet per barrel and 'gas well' means a well with an initial gas-oil ratio of 100,000 cubic feet or more per barrel, based on a 24-hour production test conducted under normal producing conditions using standard lease separator facilities or equivalent testing equipment; and the term 'horizontal completion' means an oil well in which the horizontal component of the gross completion interval in the reservoir exceeds the vertical component thereof. In exercising its pooling rights hereunder, Lessee shall file of record a written declaration describing the unit and stating the effective date of pooling. Production, drilling or reworking operations anywhere on a unit which includes all or any part of the leased premises shall be treated as if it were production, drilling or reworking operations on the leased premises, except that the production on which Lessor's royalty is calculated shall be that proportion of the total unit production which the net acreage covered by this lease and included in the unit bears to the total gross acreage in the unit, but only to the extent such proportion of unit production is sold by Lessee. Pooling in one or more instances shall not exhaust Lessees pooling rights hereunder, and Lessee shall have the recurring right but not the obligation to revise any unit formed hereunder by expansion or contraction or both, either before or after commencement of production, in order to conform to the well spacing or density pattern prescribed or permitted by the governmental authority having jurisdiction, or to conform to any productive acreage determination made by such governmental authority. In making such a revision, Lessee shall file of record a written declaration describing the revised unit and stating the effective date of revision. To the extent any portion of the leased premises is included in or excluded from the unit by virtue of such revision, the proportion of unit production on which royalties are payable hereunder shall thereafter be adjusted accordingly. In the absence of production in paying quantities from a unit, or upon permanent cessation thereof, Lessee may terminate the unit by filing of record a written declaration describing the unit and stating the date of termination. Pooling hereunder shall not constitute a cross-conveyance of interests.

5. If at the expiration of the primary term, oil, gas, or other mineral is not being produced on said land, or from the land pooled therewith, but Lessee is then engaged in drilling or reworking operations thereon, or shall have completed a dry hole thereon within 60 days prior to the end of the primary term, the lease shall remain in force so long as operations on said well or for drilling or reworking of any additional well are prosecuted with no cessation of more than 60 consecutive days, and if they result in the production of oil, gas or other mineral, so long thereafter as oil, gas, or other mineral is produced from said land, or from land pooled therewith. If, after the expiration of the primary term of this lease and after oil, gas, or other mineral is produced from said land, or from land pooled therewith, the production thereof should cease from any cause, this lease shall not terminate if Lessee commences operations for drilling or reworking within 60 days after the cessation of such production, but shall remain in force and effect so long as such operations are prosecuted with no cessation of more than 60 consecutive days, and if they result in the production of oil, gas, or other mineral, so long thereafter as oil, gas, or other mineral is produced from said land, or from land pooled therewith. Any pooled unit designated by Lessee in accordance with the terms hereof, may be dissolved by Lessee by instrument filed for record in the appropriate records of the county in which the leased premises are situated at any time after the completion of a dry hole or the cessation of production on said unit. In the event a well or wells producing oil or gas in paying quantities should be brought in on adjacent land and within 330 feet of and draining the leased premises, or land pooled therewith, Lessee agrees to drill such offset well or wells as a reasonably prudent operator would drill under the same or similar circumstances. Lessee may at any time execute and deliver to Lessor or place of record a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered.

6. Lessee shall have the right at any time during or after the expiration of this lease to remove all property and fixtures placed by Lessee on said land, including the right to draw and remove all casing. When required by Lessor, Lessee will bury all pipe lines below ordinary plow depth, and no well shall be drilled within two hundred (200) feet of any residence or barn now on said land without Lessor's consent.

7. The rights of either party hereunder may be assigned in whole or in part, and the provisions hereof shall extend to their heirs, successors and assigns; but no change or division in ownership of the land, or royalties, however accomplished, shall operate to enlarge the obligations or diminish the rights of Lessee; and no change or division in such ownership shall be binding on Lessee until thirty (30) days after Lessee shall have been furnished by registered U.S. mail at Lessee's principal place of business with a certified copy of recorded instrument or instruments evidencing same. In the event of assignment hereof in whole or in part, liability for breach of any obligation hereunder shall rest exclusively upon the owner of this lease or of a portion thereof who commits such breach. If six or more parties become entitled to royalty hereunder, Lessee may withhold payment thereof unless and until furnished with a recordable instrument executed by all such parties designating an agent to receive payment for all.

8. The breach by Lessee of any obligation arising hereunder shall not work a forfeiture or termination of this lease nor cause a termination or reversion of the estate created hereby nor be grounds for cancellation hereof in whole or in part. No obligation reasonably to develop the leased premises shall arise during the primary term. Should oil, gas or other mineral in paying quantities be discovered on said premises, then after the expiration of the primary term, Lessee shall develop the acreage retained hereunder as a reasonably prudent operator, but in discharging this obligation it shall in no event be required to drill more than one well per forty (40) acres of the area retained hereunder and capable of producing oil in paying quantities and one well per 640 acres plus an acreage tolerance not to exceed 10% of 640 acres of the area retained hereunder and capable of producing gas or other mineral in paying quantities. If after the expiration of the primary term, Lessor considers that operations are not at any time being conducted in compliance with this lease, Lessor shall notify Lessee in writing of the facts relied upon as constituting a breach hereof, and Lessee, if in default, shall have sixty days after receipt of such notice in which to commence the compliance with the obligations imposed by virtue of this instrument.

9. Lessor hereby warrants and agrees to defend the title to said land and agrees that Lessee at its option may discharge any tax, mortgage or other lien upon said land, either in whole or in part, and in event Lessee does so, it shall be subrogated to such lien with right to enforce same and apply royalties accruing hereunder toward satisfying same. Without impairment of Lessee's rights under the warranty in event of failure of title, it is agreed that if this lease covers a less interest in the oil, gas, sulphur, or other minerals in all or any part of said land than the entire and undivided fee simple estate (whether Lessor's interest is herein specified or not), or no interest therein, then the royalties, and other monies accruing from any part as to which this lease covers less than such full interest, shall be paid only in the proportion which the interest therein, if any, covered by this lease, bears to the whole and undivided fee simple estate therein. All royalty interest covered by this lease (whether or not owned by Lessor) shall be paid out of the royalty herein provided. Should any one or more of the parties named above as Lessors fail to execute this lease, it shall nevertheless be binding upon the party or parties executing the same.

10. Should Lessee be prevented from complying with any express or implied covenant of this lease, from conducting drilling or reworking operations thereon or from producing any oil, gas or other minerals therefrom by reason of scarcity of or inability to obtain or to use equipment or material, or by operation of force majeure, and Federal or state law or any order, rule or regulation of governmental authority, then while so prevented, Lessee's obligation to comply with such covenant shall be suspended, and Lessee shall not be liable in damages for failure to comply therewith; and this lease shall be extended while and so long as Lessee is prevented by any such cause from conducting drilling or reworking operations on or from producing oil or gas from the lease premises; and the time while Lessee is so prevented shall not be counted against Lessee, anything in this lease to the contrary notwithstanding.

Exhibit "A"

ATTACHED TO AND MADE PART OF THAT CERTAIN PAID UP OIL, GAS AND MINERAL LEASE BETWEEN Walter V. Bostick and wife, Cecile Bostick., AS LESSOR, AND DALE RESOURCES, L.L.C., AS LESSEE

11. In the event of a conflict between the terms of this addendum and the terms of the printed form of this Lease, the terms of this Addendum shall control.

12. Notwithstanding anything herein contained to the contrary, if at the expiration of the primary term of this lease this lease has not been, or it is not being extended pursuant to any of its provisions, then Lessee, its successors or assigns shall have the option to extend the primary term of this lease, as to all or any portion of the lands covered hereby, for an additional two (2) year(s) by paying or tendering to Lessor by check the sum of $1200.00 multiplied by the net mineral acres, subject to this lease. Said payment or tender shall be made on or before the expiration date of the initial primary term and shall be considered to include the prepaid delay rental. If Lessee extends this lease as herein provided, it shall be considered that the primary term is five (5) years.

13. Surface Drillsites:

(A) In addition to the right to use the surface of the Lease Premises for purposes set forth in this Lease, Lessee is hereby granted the exclusive right to use the Lease Premises for the purpose of drilling directional and horizontal oil and gas wells from the surface of the Lease Premises and to drill through the subsurface in order to operate and produce such wells for production of oil, gas and associated hydrocarbons from lands other than the Lease Premises. As consideration for the rights granted in this paragraph, Lessor shall be entitled to an overriding royalty of 2% of 8/8ths of the production from each well with a surface location on the Lease Premises which overriding royalty shall be proportionately reduced based on the amount of Lease royalty participation of the Lessor in production from such well as hereinafter set forth:

(1) In the event that the well produces from lands other than the Lease Premises and no portion of the Lease Premises is included in a pooled unit from which such well produces such that Lessor receives no Lease royalty on production from the well, the Lessor will be entitled to receive 100% of the overriding royalty of 2% of 8/8ths.

(2) In the event that the well produces from a pooled unit which includes a portion of the Lease Premises such that Lessor receives lease royalty on an allocated share of production from the well, then the overriding royalty shall be proportionately reduced based on the amount of acreage from the Lease Premises included in the pooled unit. The amount of reduction shall be a fraction with the

denominator being the total amount of acreage in the pooled unit and the numerator being the amount of acreage from the Lease Premises within the pooled unit. For example, if the well is producing from a pooled unit comprising a total of 160 acres, of which 10 acres is from the Lease Premises, the overriding royalty will be reduced by 10 ÷ 160 = 6.25%. Reduction of the 2.0% overriding royalty by 6.25% results in an overriding royalty of 1.875% to the Lessor.

(B) Lessee shall convey the overriding royalty set forth above to Lessor within sixty (60) days from the date of first production from each well. The overriding royalty assignment shall be limited to the production from the well and shall be shall be free and clear of all costs and expenses of production save and except applicable taxes.

(C) It is intended that the overriding royalty for surface sites provided by this paragraph shall be owned by Lessor as owner of the mineral interest covered by this Lease and in the event of severance of the mineral estate from the surface estate, the right to the overriding royalty shall remain with the owner of the mineral estate.

(D) In the event the well is a Lease well bottomed entirely on the Lease Premises such that Lessor receives the Lease royalty provided by this Lease on 100% of the production from such well without dilution, then Lessor shall receive none of the overriding royalty.

(E) Notwithstanding the expiration of the term of this Lease, the right to use of the surface granted herein shall survive for a period of five (5) years from the expiration of this Lease and as long thereafter as there is production, or drilling or reworking operations on any well surfaced on the Lease Premises with no cessation of more than 120 consecutive days. It is not the intent of Lessor or Lessee that any provision herein violate any applicable law regarding the rule against perpetuities, the suspension of the absolute power of alienation, or other rules regarding the vesting or duration of estates, and Lessor's right to future assignments of an overriding royalty shall be construed as not violating such rule to the extent the same can be so construed consistent with the intent of the parties. In the event, however, that any provision hereof is determined to violate such rule, then such provision shall nevertheless be effective for the maximum period (but not longer than the maximum period) permitted by such rule that will result in no violation. To the extent such maximum period is permitted to be determined by reference to "lives in being", Lessor and Lessee agree that "lives in being" shall refer to the lifetime of the last to die of the now living lineal descendants of the late Senator Prescott Bush (paternal grandfather of the current President).

14. If Lessee uses any portion of the surface of the Lease Premises for an initial well site location, whether the well bore be located on or off of the Lease Premises, then Lessee shall pay Lessor $10,000.00 for the use of said surface (hereinafter referred to as the "Temporary Well Site"). Furthermore if Lessee completes the initial well as a well capable of producing in paying quantities, then Lessee shall designate a Permanent Well Site around said well and pay Lessor $1.00 per square foot for the area retained by Lessee as a Permanent Well Site. The area retained by Lessee for a Permanent Well Site shall be a minimum of one acre or 43,560 square feet and Lessee shall pay no less than $43,560.00 as damages for the use of said surface as a Permanent Well Site.

The initial well drilled by Lessee shall be accessed from a new road constructed by Lessee. The Temporary Well Site and Permanent Well Site location damages shall include the road, tank battery, meter runs, flow lines, power lines, telephone lines, electric lines and such additional equipment as may be necessary for the normal production of oil and gas, as well as re-working and re-completion operations conducted during the term of this lease.

If Lessee elects to drill additional wells and utilizes any portion of the Lease Premises, then Lessee shall make like payments of $10,000.00 for any additional lands so used for Temporary or Permanent use as the case may be.

15. Lessee agrees to indemnify and hold Lessor harmless against any and all actions, claims, demands, causes of action, expenses and costs of every kind or character to persons or property arising out of, or in any way connected with Lessee's operations on the Leased Land covered by this Lease.

16. Lessee agrees to consult with Lessor as to the location of all operations sites on leased premises.

OIL, GAS AND MINERAL LEASE

THIS AGREEMENT made this 8th day of November 2005, between Davestates, Inc., Lessor (whether one or more), whose address is P.O. Box 122269, Fort Worth, Texas 76121, and Dale Resources, L.L.C., 2100 Ross Avenue, Suite 1870, LB-9, Dallas, Texas 75201 Lessee, WITNESSETH:

1. Lessor in consideration of Ten and No/100----------Dollars ($10.00), in hand paid, of the royalties herein provided, and of the agreements of Lessee herein contained, hereby grants, leases and lets exclusively unto Lessee for the purpose of investigating, exploring, prospecting, drilling and mining for and producing oil, gas and all other minerals, conducting exploration, geologic and geophysical surveys by seismograph, core test, gravity and magnetic methods, injecting gas, water and other fluids, and air into subsurface strata, laying pipe lines, building roads, tanks, power stations, telephone lines and other structures thereon, and on, over and across lands owned or claimed by Lessor adjacent and contiguous thereto, to produce, save, take care of, treat, transport and own said products, and housing its employees, the following described land in Tarrant County, Texas, to wit:

3.46 acres of land, more or less, being all of that certain 8.611 acres of land, more or less, being Lot E, Block 4 of the Newell's Industrial Addition, an addition to the City of Fort Worth, Tarrant County, Texas, according to the plat recorded in Volume 388-96, Page 4, of the Plat Records of Tarrant County, Texas;

Less and Except: 5.15 acres of land more or less, described in that deed dated September 16, 1974, from Tarrant County Water Control and Improvement District Number One, as Grantor, to W.J. (Jack) Newell and Ken B. Newell, a partnership doing business as Newell and Newell, as Grantee, recorded in Volume 5726, Page 965, of the Official Public Records of Tarrant County, Texas.

2.146 acres of land, more or less, being all of that certain 2.152 acres of land, more or less, being Lots BR and C, Block 2R, of the Newell's Industrial Addition, an addition to the City of Fort Worth, Tarrant County, Texas, according to the plat recorded in Volume 388-96, Page 4, of the Plat Records of Tarrant County, Texas;

Less and Except: .006 acres of land more or less, described in that deed dated September 16, 1974, from Tarrant County Water Control and Improvement District Number One, as Grantor, to W.J. (Jack) Newell and Ken B. Newell, a partnership doing business as Newell and Newell, as Grantee, recorded in Volume 5726, Page 965, of the Official Public Records of Tarrant County, Texas.

Said lands are hereby deemed to contain 5.606 acres of land, more or less.

This lease also covers and includes all land owned or claimed by Lessor adjacent or contiguous to the land particularly described above, whether the same be in said survey or surveys or in adjacent surveys, although not included within the boundaries of the land particularly described above.

2. This is a paid up lease and subject to the other provisions herein contained, this lease shall be for a term of **three (3)** years from this date (called "primary term") and as long thereafter as oil, gas or other mineral is produced from said land or land with which said land is pooled hereunder.

3. As royalty, lessee covenants and agrees: (a) To deliver to the credit of lessor, in the pipelines to which lessee may connect its wells, the equal **twenty-two and one-half percent (22.5%)** part of all oil produced and saved by lessee from said land, or from time to time, at the option of lessee, to pay lessor the average posted market price of such **twenty-two and one-half percent (22.5%)** part of such oil at the wells as of the day it is run to the pipe line or storage tanks, lessor's interest, in either case, to bear **twenty-two and one-half percent (22.5%)** of the cost of treating oil to render it marketable pipeline oil; (b) to pay lessor for gas and casinghead gas produced from said land (1) when sold by lessee **twenty-two and one-half percent (22.5%)** of the amount realized by lessee, computed at the mouth of the well, or (2) when used by lessee off said land or in the manufacture of gasoline or other products **twenty-two and one-half percent (22.5%)** of the amount realized from the sale of gasoline or other products extracted therefrom and **twenty-two and one-half percent (22.5%)** of the amount realized from the sale of residue gas after deducting the amount used for plant fuel and/or compression; (c) To pay lessor on all other minerals mined and marketed or utilized by lessee from said land, one-tenth either in kind or value at the well or mine at lessee's election, except that on sulphur mined and marketed the royalty shall be one dollar ($1.00) per long ton. If, at the expiration of the primary term or at any time or times thereafter, there is any well on said land or on lands with which said land or any portion thereof has been pooled, capable of producing oil or gas, and all such wells are shut-in, this lease shall, nevertheless, continue in force as though operations were being conducted on said land for so long as said wells are shut-in, and thereafter this lease may be continued in force as if no shut-in had occurred. Lessee covenants and agrees to use reasonable diligence to produce, utilize, or market the minerals capable of being produced from said wells, but in the exercise of such diligence, lessee shall not be obligated to install or furnish facilities other than well facilities and ordinary lease facilities of flow lines, separator, and lease tank, and shall not be required to settle labor trouble or to market gas upon terms unacceptable to lessee. If, at any time or times after the expiration of the primary term, all such wells are shut-in for a period of ninety consecutive days, and during such time there are no operations on said land, then at or before the expiration of said ninety day period, lessee shall pay or tender, by check or draft of lessee, as royalty, a sum equal to one dollar ($1.00) for each acre of land then covered hereby. Lessee shall make like payments or tenders at or before the end of each anniversary of the expiration of said ninety day period if upon such anniversary this lease is being continued in force solely by reason of the provisions of this paragraph. Each such payment or tender shall be made to the parties who at the time of payment would be entitled to receive the royalties which would be paid under this lease if the wells were producing, and may be deposited at the Lessor's address given above or its successors, which shall continue as the depositories, regardless of changes in the ownership of shut-in royalty. If at any time that lessee pays or tenders shut-in royalty, two or more parties are, or claim to be, entitled to receive same, lessee may, in lieu of any other method of payment herein provided, pay or tender shut-in royalty, in the manner above specified, either jointly to such parties or separately to each in accordance with their respective ownerships thereof, as lessee may elect. Any payment hereunder may be made by check or draft of lessee deposited in the mail or delivered to the party entitled to receive payment or to a depository bank provided for above on or before the last date for payment. Nothing herein shall impair lessee's right to release as provided in paragraph 5 hereof. In the event of assignment of this lease in whole or in part, liability for payment hereunder shall rest exclusively on the then owners of this lease, severally as to acreage owned by each.

4. Lessee shall have the right but not the obligation to pool all or any part of the leased premises or interest therein with any other lands or interests, as to any or all depths or zones, and as to any or all substances covered by this lease, either before or after the commencement of production, whenever Lessee deems it necessary or proper to do so in order to prudently develop or operate the leased premises, whether or not similar pooling authority exists with respect to such other lands or interests. The unit formed by such pooling for an oil well which is not a horizontal completion shall not exceed 80 acres plus a maximum acreage tolerance of 10%, and for a gas well or a horizontal completion shall not exceed 640 acres plus a maximum acreage tolerance of 10%; provided that a larger unit may be formed for an oil well or gas well or horizontal completion to conform to any well spacing or density pattern that may be prescribed or permitted by any governmental authority having jurisdiction to do so. For the purpose of the foregoing, the terms 'oil well' and 'gas well' shall have the meanings prescribed by applicable law or the appropriate governmental authority, or, if no definition is so prescribed, 'oil well' means a well with an initial gas-oil ratio of less than 100,000 cubic feet per barrel and 'gas well' means a well with an initial gas-oil ratio of 100,000 cubic feet or more per barrel, based on a 24-hour production test conducted under normal producing conditions using standard lease separator facilities or equivalent testing equipment; and the term 'horizontal completion' means an oil well in which the horizontal component of the gross completion interval in the reservoir exceeds the vertical component thereof. In exercising its pooling rights hereunder, Lessee shall file of record a written declaration describing the unit and stating the effective date of pooling. Production, drilling or reworking operations anywhere on a unit which includes all or any part of the leased premises shall be treated as if it were production, drilling or reworking operations on the leased premises, except that the production on which Lessor's royalty is calculated shall be that proportion of the total unit production which the net acreage covered by this lease and included in the unit bears to the total gross acreage in the unit, but only to the extent such proportion of unit production is sold by Lessee. Pooling in one or more instances shall not exhaust Lessee's pooling rights hereunder, and Lessee shall have the recurring right but not the obligation to revise any unit formed hereunder by expansion or contraction or both, either before or after commencement of production, in order to conform to the well spacing or density pattern prescribed or permitted by the governmental authority having jurisdiction, or to conform to any productive acreage determination made by such governmental authority. In making such a revision, Lessee shall file of record a written declaration describing the revised unit and stating the effective date of revision. To the extent any portion of the leased premises is included in or excluded from the unit by virtue of such revision, the proportion of unit production on which royalties are payable hereunder shall thereafter be adjusted accordingly. In the absence of production in paying quantities from a unit, or upon permanent cessation thereof, Lessee may terminate the unit by filing of record a written declaration describing the unit and stating the date of termination. Pooling hereunder shall not

constitute a cross-conveyance of interests.

5. If at the expiration of the primary term, oil, gas, or other mineral is not being produced on said land, or from the land pooled therewith, but Lessee is then engaged in drilling or reworking operations thereon, or shall have completed a dry hole thereon within 60 days prior to the end of the primary term, the lease shall remain in force so long as operations on said well or for drilling or reworking of any additional well are prosecuted with no cessation of more than 60 consecutive days, and if they result in the production of oil, gas or other mineral, so long thereafter as oil, gas, or other mineral is produced from said land, or from land pooled therewith. If, after the expiration of the primary term of this lease and after oil, gas, or other mineral is produced from said land, or from land pooled therewith, the production thereof should cease from any cause, this lease shall not terminate if Lessee commences operations for drilling or reworking within 60 days after the cessation of such production, but shall remain in force and effect so long as such operations are prosecuted with no cessation of more than 60 consecutive days, and if they result in the production of oil, gas, or other mineral, so long thereafter as oil, gas, or other mineral is produced from said land, or from land pooled therewith. Any pooled unit designated by Lessee in accordance with the terms hereof, may be dissolved by Lessee by instrument filed for record in the appropriate records of the county in which the leased premises are situated at any time after the completion of a dry hole or the cessation of production on said unit. In the event a well or wells producing oil or gas in paying quantities should be brought in on adjacent land and within 330 feet of and draining the leased premises, or land pooled therewith, Lessee agrees to drill such offset well or wells as a reasonably prudent operator would drill under the same or similar circumstances. Lessee may at any time execute and deliver to Lessor or place of record a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered.

6. Lessee shall have the right at any time during or after the expiration of this lease to remove all property and fixtures placed by Lessee on said land, including the right to draw and remove all casing. When required by Lessor, Lessee will bury all pipe lines below ordinary plow depth, and no well shall be drilled within two hundred (200) feet of any residence or barn now on said land without Lessor's consent.

7. The rights of either party hereunder may be assigned in whole or in part, and the provisions hereof shall extend to their heirs, successors and assigns; but no change or division in ownership of the land, or royalties, however accomplished, shall operate to enlarge the obligations or diminish the rights of Lessee; and no change or division in such ownership shall be binding on Lessee until thirty (30) days after Lessee shall have been furnished by registered U.S. mail at Lessee's principal place of business with a certified copy of recorded instrument or instruments evidencing same. In the event of assignment hereof in whole or in part, liability for breach of any obligation hereunder shall rest exclusively upon the owner of this lease or of a portion thereof who commits such breach. If six or more parties become entitled to royalty hereunder, Lessee may withhold payment thereof unless and until furnished with a recordable instrument executed by all such parties designating an agent to receive payment for all.

8. The breach by Lessee of any obligation arising hereunder shall not work a forfeiture or termination of this lease nor cause a termination or reversion of the estate created hereby nor be grounds for cancellation hereof in whole or in part. No obligation reasonably to develop the leased premises shall arise during the primary term. Should oil, gas or other mineral in paying quantities be discovered on said premises, then after the expiration of the primary term, Lessee shall develop the acreage retained hereunder as a reasonably prudent operator, but in discharging this obligation it shall in no event be required to drill more than one well per forty (40) acres of the area retained hereunder and capable of producing oil in paying quantities and one well per 640 acres plus an acreage tolerance not to exceed 10% of 640 acres of the area retained hereunder and capable of producing gas or other mineral in paying quantities. If after the expiration of the primary term, Lessor considers that operations are not at any time being conducted in compliance with this lease, Lessor shall notify Lessee in writing of the facts relied upon as constituting a breach hereof, and Lessee, if in default, shall have sixty days after receipt of such notice in which to commence the compliance with the obligations imposed by virtue of this instrument.

9. Lessor hereby warrants and agrees to defend the title to said land and agrees that Lessee at its option may discharge any tax, mortgage or other lien upon said land, either in whole or in part, and in event Lessee does so, it shall be subrogated to such lien with right to enforce same and apply royalties accruing hereunder toward satisfying same. Without impairment of Lessee's rights under the warranty in event of failure of title, it is agreed that if this lease covers a less interest in the oil, gas, sulphur, or other minerals in all or any part of said land than the entire and undivided fee simple estate (whether Lessor's interest is herein specified or not), or no interest therein, then the royalties, and other monies accruing from any part as to which this lease covers less than such full interest, shall be paid only in the proportion which the interest therein, if any, covered by this lease, bears to the whole and undivided fee simple estate therein. All royalty interest covered by this lease (whether or not owned by Lessor) shall be paid out of the royalty herein provided. Should any one or more of the parties named above as Lessors fail to execute this lease, it shall nevertheless be binding upon the party or parties executing the same.

10. Should Lessee be prevented from complying with any express or implied covenant of this lease, from conducting drilling or reworking operations thereon or from producing any oil, gas or other minerals therefrom by reason of scarcity of or inability to obtain or to use equipment or material, or by operation of force majeure, and Federal or state law or any order, rule or regulation of governmental authority, then while so prevented, Lessee's obligation to comply with such covenant shall be suspended, and Lessee shall not be liable in damages for failure to comply therewith; and this lease shall be extended while and so long as Lessee is prevented by any such cause from conducting drilling or reworking operations on or from producing oil or gas from the lease premises; and the time while Lessee is so prevented shall not be counted against Lessee, anything in this lease to the contrary notwithstanding.

11. Notwithstanding anything contained herein to the contrary, Lessee does not by virtue of this lease acquire any rights whatsoever to conduct any operations on the surface of the lease premises without first obtaining the prior written consent of Lessor, however, Lessee may recover oil, gas and associated hydrocarbons from the lease premises by directional or horizontal drilling, pooling, unitization or any other method provided in this lease.

12. ~~Notwithstanding anything herein contained to the contrary, if at the expiration of the primary term of this lease this lease has not been, or it is not being extended pursuant to any of its provisions, then Lessee, its successors or assigns shall have the option to extend the primary term of this lease, as to all or any portion of the lands covered hereby, for an additional two (2) year(s) by paying or tendering to Lessor by check the sum of $1000.00 multiplied by the net mineral acres subject to this lease. Said payment or tender shall be made on or before the expiration date of the initial primary term and shall be considered to include the prepaid delay rental. If Lessee extends this lease as herein provided, it shall be considered that the primary term is five (5) years.~~

OIL, GAS AND MINERAL LEASE

THE STATE OF TEXAS §
§
COUNTY OF TARRANT §

This Agreement made and entered into as of the date herein specified by and between **TARRANT REGIONAL WATER DISTRICT, a WATER CONTROL and IMPROVEMENT DISTRICT**, a body corporate and politic whose address is 800 East North Side Dr., Fort Worth, Texas 76102 (hereinafter referred to as "Lessor"), and, **DALE RESOURCES, L. L. C.** whose address is 2100 Ross Ave., Suite 1870, LB-9, Dallas, Texas 75201 (hereinafter referred to as "Lessee").

WITNESSETH

1. GRANTING CLAUSE

Lessor, in consideration of Ten Dollars ($10.00) in hand paid, of the royalties herein provided and of the covenants of Lessee herein contained, hereby Grants, Leases and Lets exclusively unto Lessee for the sole and only purpose of investigating, exploring, prospecting, drilling, operating for, and producing oil, gas and all other liquid or gaseous minerals including sulfur produced as a component of oil and gas through the bore hole of an oil and gas well and laying the lines and erecting the tanks necessary to produce, save and transport products produced therefrom, the land in Tarrant County, Texas, described in Exhibit "A" attached hereto (the "Leased Premises").

All mineral rights other than oil, gas and all other liquid or gaseous minerals are expressly reserved to Lessor. These reserved mineral rights include the rights to lignite, coal and sulfur not produced as a component of oil and gas.

For the purpose of determining the amount of any bonus or other payment hereunder, said Leased Premises shall be deemed to contain **45.284** acres, whether actually containing more or less.

2. PRIMARY TERM

Subject to the other provisions herein contained, this lease shall be for a term of **three (3) years** from the date of the notarial acknowledgment of Lessor's execution of this instrument (hereinafter called "primary term") and so long thereafter as oil, gas or other minerals granted herein are produced from the Leased Premises or lands pooled therewith, in paying quantities, or drilling operations are in progress thereon as hereinafter provided, and the royalties are paid as provided herein.

3. DELAY RENTALS

Notwithstanding other provisions contained herein, no delay rentals are due under this lease.

4. POOLING

Lessee shall not pool any portion of the Leased Premises without first obtaining Lessor's written consent, which may be withheld for any reason. Any declaration of pooling shall be approved in writing by Lessor prior to its filing. Should Lessor give written consent to pool any portion of the Leased Premises, all terms and conditions as set out herein shall be binding on Lessee as to any of the Leased Premises included in a pooled unit.

5. CONTINUOUS DRILLING OF WELLS

If at the expiration of the primary term, Lessee is then engaged in drilling operations or shall have completed a dry hole or a producing well on the Leased Premises within ninety (90) days prior to the end of the primary term, the lease shall remain in force so long as Lessee conducts a continuous drilling program in which the drilling of additional wells is prosecuted with no more than ninety (90) days between the abandonment of a well as a dry hole or the completion of such well as a commercial producer and the commencement of actual drilling operations for an additional well. At such time as said continuous drilling program ceases, the provisions of Paragraph 6 will be applicable.

6. RETAINED ACREAGE

A. Vertical Wells.

At the expiration of the primary term of this lease or upon the termination of the continuous drilling program set forth in Paragraph 5, each well drilled hereon capable of producing in paying quantities will hold only forty (40) acres for any formation from the surface to the base of the Barnett Shale formation. As to depths below the base of the Barnett Shale Formation, the proration unit shall be the minimum size necessary to obtain the maximum production allowable. If the proration unit for a well completed below the base of the Barnett Shale Formation is larger than 40 acres, the well may maintain the Lease as to formations above the base of the Barnett Shale Formation as to not more than 40 acres. All other acreage except that included in a proration unit or pooled unit will be released (Partial Termination). To the extent possible each such proration unit will be in the shape of a square, with the well in the center. Further, it is understood and agreed that Lessee shall earn depths as to each proration unit or pooled unit only from the surface down a depth which is the stratigraphic equivalent to a depth of one hundred feet (100') below the deepest producing formation in such well which is capable of producing oil and gas in paying quantities at the expiration of the primary term of this lease or upon the termination of the continuous drilling program set forth in Paragraph 5. This lease will terminate at such time as to all depths below such depths as to each respective proration unit or pooled unit. If production should thereafter cease as to acreage included in a proration unit or pooled unit, this lease will terminate as to such acreage unless Lessee commences reworking or additional drilling operations on such acreage within ninety (90) days thereafter and continues such reworking or additional drilling operations until commercial production is restored thereon, provided that if more than ninety (90) days elapse between the abandonment of such well as a dry hole and the commencement of actual drilling operations for an additional well, or more than ninety (90) days pass since the commencement of reworking operations without the restoration of commercial production, this lease shall terminate as to the applicable proration unit or pooled unit.

At any time or times that this Lease terminates as to all or any portion of the acreage of the Leased Premises, Lessee shall promptly execute and record in the office of the County Clerk in the County where the Leased Premises are located, a proper release of such terminated acreage and shall furnish executed counterparts of each such release to Lessor at the address shown in Paragraph 20 hereof.

B. Horizontal Wells

It is expressly understood and agreed that, subject to the other terms, provisions and limitations contained in this Lease, Lessee shall have the right to drill "horizontal wells" on the Leased Premises, or lands pooled therewith. The term "horizontal well" or "horizontally drilled well" shall mean any well that is drilled with one or more

horizontal drainholes having a horizontal drainhole displacement of at least one hundred (100) feet. For the purposes of further defining the term "horizontal wells" and "horizontally drilled" reference is made to the definitions contained within Statewide Rule 86, as promulgated by the Railroad Commission of Texas, which definitions are incorporated herein for all purposes.

In the event of any Partial Termination as herein defined, then, with regard to a well which is a horizontal well or a horizontally drilled well, Lessee shall be entitled to retain all sands and horizons at all depths from the surface down to a depth which is the stratigraphic equivalent of a depth of one hundred (100) feet below the base of the deepest producing formation in such well which is capable of producing oil and gas in paying quantities, but only in a spacing unit the area or number of acres of which are equal to the area or number of acres determined by adding twenty (20) acres for each five hundred eighty-five (585) feet horizontally drilled to the original forty (40) acres deemed to be a proration unit for each vertical well. Each such tract around each horizontally drilled well shall be as nearly in the shape of a square or a rectangle as is practical with the boundaries of the tract including the entire horizontal drainhole and the lateral boundaries of such tract being approximately equal distance from such drainhole and parallel thereto.

If production should thereafter cease as to acreage included in a proration unit or pooled unit, this Lease will terminate as to such acreage unless Lessee commences reworking or additional drilling operations on such acreage within ninety (90) days thereafter and continues such reworking or additional drilling operations until commercial production is restored thereon, provided that if more than ninety (90) days pass between the abandonment of such well and the commencement of actual drilling operations for an additional well, or more than ninety (90) days pass since the commencement of reworking operations without the restoration of commercial production, the Lease shall terminate as to the applicable proration unit.

At any time or times that this Lease terminates as to all or any portion of the acreage of the Leased Premises, Lessee shall promptly execute and record in the office of the County Clerk in the County where the Leased Premises are located, a proper release of such terminated acreage and shall furnish executed counterparts of each such release to Lessor at the address shown in Paragraph 20 hereof.

7. OFFSET OBLIGATIONS

In the event a well or wells producing oil or gas should be brought in on land within 467 feet from any boundary of the Leased Premises, Lessee agrees within ninety (90) days from commencement of production from such well or wells to commence the actual drilling of an offset well or wells on the Leased Premises; provided that the well or wells which are to be offset are producing in paying quantities; or Lessee shall release to Lessor free of this Lease the offsetting tract of at least forty (40) acres.

8. FORCE MAJEURE

A. The term "force majeure" as used herein shall mean and include: requisition, order, regulation, or control by governmental authority or commission; exercise of rights or priority or control by governmental authority for national defense or war purpose resulting in delay in obtaining or inability to obtain either material, equipment or means of transportation normally necessary in prospecting or drilling for oil, gas or other mineral granted herein, or in producing, handling or transporting same from the Leased Premises; war, scarcity of or delay in obtaining materials or equipment, lack of labor or means of transportation of labor or materials; acts of God; insurrection; flood; strike; or other things beyond the control of Lessee. Failure or inability of Lessee to obtain a satisfactory market for production or failure of purchasers or carriers to take or transport such production is not "force majeure."

B. Notwithstanding any other provisions of this Lease, but subject to the conditions hereinafter set forth in this Paragraph 8, should Lessee be prevented by "force majeure" as defined above, from conducting drilling or reworking operations on, or producing oil, gas or other mineral from, the Leased Premises, such failure shall not constitute a ground for the termination of this Lease or subject said Lessee to damages therefor; and the period of time during which Lessee is so prevented shall not be counted against Lessee, but this Lease shall be extended for a period of time equal to that during which such Lessee is so prevented from conducting such drilling or reworking operations on, or producing oil, gas or other mineral from, such Leased Premises. All of the provisions of this paragraph are subject to each of the following express conditions:

The terms and conditions of this paragraph shall not extend beyond the expiration date of any law, order, rule or regulation invoked under this paragraph, and shall be applicable and effective only during the following periods:

(1) If the force majeure shall occur during the primary term of this Lease, it shall not operate to extend this Lease more than two (2) consecutive years beyond the expiration of the primary term.

(2) If the force majeure shall occur during a ninety (90) day drilling or reworking period provided for in Paragraphs 5 and 6 hereof, after the primary term has expired, then it shall not operate to extend the Lease more than two (2) successive years beyond the expiration of such ninety (90) day periods.

C. None of the provisions of this paragraph shall ever be or become effective and applicable unless Lessee shall, within a reasonable time (not to exceed sixty (60) days in any event) after occurrence of the claimed event of force majeure above referred to, notify the Lessor, in writing, of such occurrence with full particulars thereof.

D. The terms of this Paragraph do not apply to monetary payments due under the terms of this lease.

9. SHUT-IN GAS WELL PROVISIONS

If at any time while there is a gas well on the Leased Premises or land pooled therewith which is capable of producing gas in paying quantities, but the production thereof is shut-in or suspended for any reason, and if this lease is not then continued in force by some other provision hereof, then this Lease shall nevertheless continue in force as to such well and the pooled unit or proration unit allocated to it for a period of ninety (90) days from the date such well is shut-in. Before the expiration of any such ninety (90) day period, Lessee or any Assignee hereunder may pay or tender to the Lessor an advance annual royalty equal to Ten Thousand Dollars ($10,000.00) per shut-in gas well and if such payment or tender is timely made, this Lease shall continue in force but only as to said well or wells and the proration unit or the pooled unit allocated to it or them and it shall be considered that gas is being produced from said well or wells in paying quantities for one (1) year from the date such well or wells are shut-in, and in like manner one, and only one, subsequent advance annual royalty payment may be made or tendered and it will be considered that gas is being produced from said well or wells in paying quantities for such additional one (1) year period as well.

Lessee shall not be entitled to recover any shut-in royalty payments from the future sale of gas. Should such shut-in royalty payments not be made in a timely manner as provided in this section, it will be considered for all purposes that there is no production and no excuse for delayed production of gas from any such well or wells, and unless there is then in effect other preservation provisions of this lease, this lease shall terminate. The obligation of Lessee to pay shut-in royalties is a condition and not a covenant. Lessee shall pay or tender directly to the Lessor at the address as shown in Paragraph 20 all shut-in royalty payments as required by this lease.

10. ROYALTIES

Lessee shall pay to Lessor the following royalties, which shall be free of all costs of any kind, including, but not limited to, costs of gathering, production, transportation, treating, compression, dehydration, processing, marketing, trucking or other expense, directly or indirectly incurred by Lessee, whether as a direct charge or a reduced price or otherwise. In this regard, Lessee agrees to bear one hundred percent (100%) of all costs and expenses incurred in rendering hydrocarbons produced on or from the Leased Premises marketable and delivering the same into the purchaser's pipeline for immediate transportation to an end user or storage facility. If a gas purchase contract makes any deductions for the expenses of dehydrating, transporting, compressing, manufacturing, processing, treating, gathering or marketing of such gas, then such deductions shall be added to the price received by Lessee for such gas for the purpose of the payment of royalties. Additionally, said royalties shall never bear, either directly or indirectly, under any circumstances, the costs or expenses (including depreciation) to construct, repair, renovate or operate any pipeline, plant, or other facilities or equipment used in connection with the treating, separation, extraction, gathering, processing, refining, transporting, manufacturing or marketing of hydrocarbons produced from the Leased Premises or lands pooled therewith.

A. On oil, gas (including flared gas) and casinghead gas, together with any other liquid or gaseous hydrocarbons recovered by lease operations such as drips or separators, twenty-five percent (25%) of the proceeds of the sale or of the market value thereof, whichever is higher. Such oil, gas and casinghead gas, together with any other liquid or gaseous hydrocarbons recovered by lease operations, is to be delivered free of cost at the well or to the credit of the Lessor into pipelines, gathering lines, barges or other facilities to which the wells and tanks on the property may be connected; or to be delivered in kind at the well or into tanks, gathering lines, barges or other shipping facilities provided by Lessor at Lessor's option and expense, such option to be exercised by Lessor from time to time, but for periods of not less than six (6) months at a time after ninety (90) days written notice to Lessee of Lessor's intention to take in kind such oil, gas or other hydrocarbons.

B. On products, twenty-five percent (25%) of the gross market value or proceeds of sale thereof, whichever is higher.

C. On residue gas or gas remaining after separation, extraction or processing operations, twenty-five percent (25%) of the proceeds of sale or of the market value thereof, whichever is higher.

D. For purposes of this Paragraph 10, the term "market value" shall mean for gas and products therefrom (i) the gross price at which gas or products therefrom are sold pursuant to a Gas Contract, as defined below, that is ratified by Lessor according to paragraph 10F, or (ii) if not sold pursuant to a Gas Contract, as defined below, ratified by Lessor and Lessee, the highest gross price reasonably obtainable for the quantity of gas or products available for sale, through good faith negotiations for gas or products produced from the Leased Premises at the place where such gas or product is available for sale on the date of such a contract with adequate provisions for redetermination of price at intervals of no less frequency than one (1) year to ensure that the production is being sold for no less than the current market price. Included within the definition of "Market Value" as used herein is the presumption that Gas Contracts to be ratified by Lessor are arms-length contracts with purchasers who are not subsidiaries or affiliates of Lessee. An "affiliate" includes, but is not limited to, the parent company or a subsidiary of Lessee, a corporation or other entity having common ownership with Lessee, a partner or joint venturer of Lessee with respect to the ownership or operation of the processing plant, a corporation or other entity in which Lessee owns a ten percent or greater interest, or any individual, corporation or other entity that owns a ten percent or greater interest in Lessee. In no event shall "market value" ever be less than the amount actually received by the Lessee for the sale of hydrocarbons.

E. All royalties hereinabove provided shall be payable in cash (unless Lessor elects to take such royalty oil or gas in kind) to Lessor within one hundred twenty (120) days following the first commercial sale of production and thereafter no more than sixty (60) days after the end of the month following the month during which production takes place. Subject to the provisions of Paragraph 9 of this Lease concerning shut-in wells, royalties shall be paid to Lessor by Lessee and/or its assigns or by the product purchaser for oil and/or gas. Upon the failure of any party to pay Lessor the royalty as provided in this paragraph, Lessor may, at Lessor's option, elect to terminate this Lease by sending written notice to Lessee. Lessee shall then have thirty (30) days from the date of service of such written notice in which to avoid termination of this Lease by making or causing to be made the proper royalty payment or payments that should have been paid. If such royalty payment is not made on or before the expiration of the 30-day period, or written approval is not obtained from Lessor to defer such payment, Lessor may elect to terminate this Lease by filing a Notice of Termination with the County Clerk in the county where the Leased Premises are located. The effective date of said termination shall be the date said Notice of Termination is filed with the said County Clerk.

F. Lessee agrees that it will not enter into any contract for the sale, delivery, transporting or processing of gas produced from the Leased Premises which shall extend more than two (2) years from the effective date of such sales contract unless such contract has adequate provisions for redetermination of price at intervals of no less frequency than one (1) year to ensure that production from this Lease is not being sold for less than the then current market value. At least thirty (30) days prior to the delivery or the execution of any contract for the sale, delivery, transporting or processing of gas produced from the Leased Premises, Lessee shall provide Lessor with a complete copy of each proposed contract for the purchase, transportation and/or processing of such gas that Lessee intends to execute (each a "Gas Contract"), whereupon, Lessor shall have fifteen (15) days within which to either ratify such Gas Contract or notify Lessee in writing that it does not approve of such Gas Contract, including a statement of the reasons that Lessor does not approve of such Gas Contract (Lessor's failure to respond within the fifteen (15) days either by ratification or by written notice that it does not approve of the proposed Gas Contract shall be deemed to be Lessor's ratification of such Gas Contract). If Lessor ratifies the Gas Contract, Lessor shall be deemed bound by the terms of such Gas Contract (and, at Lessee's option, Lessor shall execute such Gas Contract as a party thereto) and the gas or products therefrom sold pursuant to such Gas Contract shall be deemed sold at market value based on the gross price stated therein. Lessee shall not amend or modify any material terms of a Gas Contract ratified by Lessor without the

prior written consent of Lessor. If Lessor does not approve of a Gas Contract, Lessee shall consult with Lessor in an effort to agree to the terms of the proposed Gas Contract, and if the other party or parties to the Gas Contract agree to the changes or modifications to the Gas Contract which are proposed by Lessor in order for Lessor to ratify such Gas Contract, then Lessor shall be deemed to have ratified such Gas Contract (and, at Lessee's option, Lessor shall execute such Gas Contract ,as amended and modified, as a party thereto). If Lessor and Lessee cannot agree on the terms of a Gas Contract that are acceptable to the other party or parties thereto, Lessee may elect to execute such Gas Contract and sell, deliver, transport and process gas according to the terms thereof, subject to the terms of paragraph 10(D)(ii) concerning the payment of Lessor's royalty on gas and products therefrom, including the right of Lessor to take its share of gas in kind. In the event Lessor elects to take and separately dispose of its royalty share of gas, the parties shall enter into a mutually acceptable balancing agreement providing for (a) the right of an underproduced party to make up an imbalance by taking up to 150 percent of its share of production and (b) an obligation to settle any imbalance remaining after depletion in cash, based on the proceeds received by the overproduced party when the imbalance was created, or if the overproduced party's gas was used but not sold, based on the market value of the gas when the imbalance was created.

G. In the event Lessee enters into a gas purchase contract which contains what is commonly referred to as a "take or pay provision" (such provision meaning that the gas purchaser agrees to take delivery of a specified minimum volume or quantity of gas over a specified term at a specified price or to make minimum periodic payments to the producer for gas not taken by the purchaser) and the purchaser under such gas purchase contract makes payment to Lessee by virtue of such purchaser's failure to take delivery of such minimum volume or quantity of gas, then Lessor shall be entitled to twenty-five percent (25%) of all such sums paid to Lessee or producer under the "pay" provisions of such gas purchase contract. Such royalty payments shall be due and owing to Lessor within sixty (60) days after the receipt of such payments by Lessee. If the gas purchaser "makes up" such gas within the period called for in the gas contract and Lessee is required to give such purchaser a credit for gas previously paid for but not taken, then Lessor shall not be entitled to royalty on such "make up" gas. If Lessee is not producing any quantities of gas from the Leased Premises but is receiving payments under the "pay" portion of such "take or pay" gas purchase contract provision, such payments shall not relieve Lessee of the duty to make shut-in royalty payments if Lessee desires to continue this Lease, but such "take or pay" royalty payments shall be applied as a credit against any shut-in royalty obligation of the Lessee. Lessor shall be a third-party beneficiary of any gas purchase contract and/or transportation agreement entered into between Lessee and any purchaser and/or transporter of Lessor's gas, irrespective of any provision of said contracts to the contrary, and such gas purchase contract and/or transportation agreement will expressly so provide. Further, Lessor shall be entitled to twenty-five percent (25%) of the value of any benefits obtained by or granted to Lessee from any gas purchaser and/or transporter for the amendment, modification, extension, alteration, consolidation, transfer, cancelation or settlement of any gas purchase contract and/or transportation agreement.

H. Lessee agrees that before any gas produced from the Leased Premises is used or sold off the Leased Premises, it will be run, free of cost to Lessor, through an adequate oil and gas separator of a conventional type or equipment at least as efficient, to the end that all liquid hydrocarbons recoverable from the gas by such means will be recovered on the lease and Lessor properly compensated therefor.

I. Any payment of royalty or shut-in gas royalty hereunder paid to Lessor in excess of the amount actually due to the Lessor shall nevertheless become the property of the Lessor if Lessee does not make written request to Lessor for reimbursement within one (1) year from the date that Lessor received the erroneous payment, it being agreed and expressly understood between the parties hereto that Lessor is not the collecting agent for any other royalty owner under the lands covered hereby, and a determination of the name, interest ownership and whereabouts of any person entitled to any payment whatsoever under the terms hereof shall be the sole responsibility of Lessee. It is further expressly agreed and understood that: (i) this provision shall in no way diminish the obligation of Lessee to make full and punctual payments of all amounts due to Lessor or to any other person under the terms and provisions of this Lease, and (ii) any overpayments made to the Lessor under any provisions of this Lease shall not be entitled to be offset against future amounts payable to parties hereunder.

J. The terms of this Lease may not be amended by any division order and the signing of a division order by any mineral owner may not be made a prerequisite to payment of royalty hereunder.

K. Oil, gas or products may not be sold to a subsidiary or affiliate of Lessee as defined herein without the Lessor's prior written permission.

L. Lessee shall pay Lessor royalty on all gas produced from a well on the Leased Premises and sold or used off the Leased Premises, regardless of whether or not such gas is produced to the credit of Lessee or sold under a contract executed by or binding on Lessee. Should gas be sold under a sales contract not binding on Lessee, Lessor's royalty will be calculated based on the highest price paid for any of the gas produced from the well from which such gas is produced. In no event will the price paid Lessor for Lessor's share of gas be less than the price paid Lessee for Lessee's share of gas.

11. INFORMATION, ACCESS AND REPORTS.

A. Lessor shall have free access at all times to all wells, tanks and other equipment on the Leased Premises, including drilling wells, and Lessee agrees to furnish Lessor, or Lessor's nominee, currently and promptly, upon written request, with full well information including cores, cuttings, samples, logs (including Schlumberger and other electrical logs), copies and results of deviation tests and directional and seismic surveys, and the results of all drill stem tests and other tests of other kind or character that may be made of wells on the Leased Premises. Lessor or Lessor's nominee shall be furnished with and have free access at all times to Lessee's books and records relative to the production and sale of oil, gas or other minerals from the Leased Premises, including reports of every kind and character to governmental authorities, State or Federal. Lessor shall have the right at its election to employ gaugers or install meters to gauge or measure the production of all minerals produced from the premises, and Lessee agrees to prepare and deliver to Lessor or Lessor's gauger or nominee duplicate run or gauge tickets for all minerals removed from the premises. Lessee shall furnish to Lessor daily drilling reports on each well drilled.

B. Lessee shall furnish to Lessor, within a reasonable time after its execution, a copy of any gas purchase contract or transportation agreement entered into in connection with the Leased Premises, or if there is already a gas purchase contract or transportation agreement in effect due to Lessee's operations in the field, then a

copy of that contract. Furthermore, a copy of any amendments to the gas purchase contract or transportation agreement shall be furnished said Lessor within thirty (30) days after execution thereof; and on request of Lessor and without cost to the Lessor, Lessee shall furnish Lessor a copy of the following reports: core record, core analysis, well completion, bottom hole pressure measurement, directional survey records, electrical and induction surveys and logs, gas and oil ratio reports, paleontological reports pertaining to the paleontology of the formations encountered in the drilling of any wells on the Leased Premises, and all other reports which pertain to the drilling, completing or operating of the wells located on the Leased Premises. Such information shall be solely for Lessor's use, and Lessor shall in good faith attempt to keep same confidential for twelve (12) months after receipt.

C. Lessee shall advise Lessor in writing of the location of all wells drilled upon the Leased Premises on or before thirty (30) days prior to commencement of operations, and shall advise Lessor in writing the date of completion and/or abandonment of each well drilled within thirty (30) days after completion or abandonment.

12. SURVEYS, ABSTRACTS, TITLE OPINIONS AND CURATIVE WORK

A. If Lessee shall cause any of the exterior or interior lines of the property covered by this lease to be surveyed, Lessee shall furnish Lessor a copy of such survey. Lessee shall furnish Lessor, within a reasonable time, with a copy of all maps submitted to the Corps of Engineers of the United States Army, Railroad Commission of Texas, or other governmental or official agency or department having jurisdiction, showing the proposed location of all roads, pipelines, canals and drill sites on the Leased Premises.

B. In the event Lessee causes an abstract of title to be prepared covering the property herein leased, or any portion thereof, Lessor shall have access to said abstract at any reasonable time. In the event Lessee shall cause the title to be examined or should obtain a title opinion or title certificate upon the property herein leased, Lessee agrees to furnish Lessor a copy or photostatic copy thereof within a reasonable time of receipt of the same by Lessee with the understanding that neither Lessee nor the attorney or firm of attorneys rendering the opinion or certificate shall be responsible to Lessor for its correctness, the said opinion or certificate being furnished to Lessor simply for its own convenience, information and personal use. Similarly, if any curative material is obtained by Lessee, a copy thereof shall immediately be furnished Lessor under the same conditions of non-liability on the part of the Lessee or the persons who may have obtained or prepared the same.

13. USE OF WATER

A. Lessee is prohibited from using water from the Trinity River without Lessor's prior written consent.

14. USE OF THE SURFACE AND SUBSURFACE

A. **Lessee may not under any circumstances enter upon the surface of the lands described in Exhibit "A".** Lessor expressly reserves the right on such lands to explore by any method, drill for, mine, produce, treat and store and transport any and all minerals other than those covered by this Lease, as well as the right to use such lands for the purpose of without limitation, real estate development, including residential, commercial and industrial, farming, grazing, trapping, fishing and hunting on such lands, and for the purpose of ingress and egress to and from other tracts of land owned by Lessor in the vicinity.

B. Lessee shall use the highest degree of care and all reasonable safeguards to prevent contamination or pollution of any environmental medium, including soil, surface waters, groundwater, sediments, and surface or subsurface strata, ambient air or any other environmental medium in, on, or under, the Leased Premises, by any waste, pollutant, or contaminant. Lessee shall not bring or permit to remain on the Leased Premises any explosives, toxic materials, or substances regulated as hazardous wastes, hazardous materials, hazardous substances, or toxic substances under any federal, state, or local law or regulation ("Hazardous Materials"), except products commonly used in connection with oil and gas exploration and development operations and stored in the usual manner and quantities. Lessee shall clean up, remove, remedy and repair any soil or ground water contamination and damage caused by the presence or release of any Hazardous Materials in, on, under, or about the Leased Premises resulting from Lessee's operations on the Leased Premises. Additionally, as used in this paragraph, "Remedial Work" is defined as any site investigation or monitoring, any cleanup, containment, remediation, removal, or restoration work performed in response to any federal, state, or local governmental authority, required under any applicable federal, state or local statute, regulation or permit, or required by Lessor. Lessee agrees (a) to remove from the Leased Premises, if and as required by any law, permit or regulation, any Hazardous Materials placed or released thereon by Lessee, or Lessee's successors and assigns, (b) to perform all Remedial Work where the need therefore arises in connection with Lessee's operations or activities on the Leased Premises, and (c) to comply in all respects with all federal, state and local governmental laws and regulations governing operations, Hazardous Materials and Remedial Work on or associated with the Leased Premises. Lessee promises to notify Lessor of any claim or other action by any governmental agency or other third party involving the actual or suspected existence of Hazardous Materials on the Leased Premises, and to provide Lessor with copies of (1) any notice of any release of Hazardous Materials given by Lessee pursuant to any law or regulation, and (2) any report of and response to any such incident. In addition to any other indemnity set forth in this Lease, LESSEE AGREES TO INDEMNIFY, PAY AND PROTECT, DEFEND AND SAVE ALL OF THE INDEMNIFIED PARTIES (AS HEREINAFTER DEFINED) HARMLESS FROM ALL CLAIMS, LIABILITIES, DAMAGES, FEES AND EXPENSES THAT ARISE EITHER DURING THE TERM OF THIS LEASE OR THEREAFTER, DIRECTLY OR INDIRECTLY FROM THE ACTUAL OR ALLEGED PRESENCE OR RELEASE OF ANY HAZARDOUS MATERIAL IN CONNECTION WITH LESSEE'S USE, MANAGEMENT, OR OPERATIONS ON THE LEASED PREMISES. Indemnification shall include, but is not limited to, costs in connection with any Remedial Work when performed by Lessor or any third party requested by any federal, state or local governmental authority. The obligations and indemnity of Lessee hereunder shall survive the expiration or earlier termination, for any reason, of this Lease.

C. Lessee and all of its employees shall be liable for all reasonable damage to any and all of the property of Lessor, including, but not limited to roads, fences, livestock, growing crops, buildings and ground surfaces, and should such damage occur, Lessee agrees to either repair the same or to pay Lessor the cost and amount of such damage within three months after the occurrence of such damage.

D. Subject to the other provisions of this Lease, Lessee shall have the right under this Lease: (i) to explore the subsurface of the Leased Premises, and (ii) to drill, or otherwise operate under, and produce from, any portions of the subsurface of the lands described in Exhibit "A" as to which this Lease remains in force from wells located on surface locations off of such lands.

E. Lessor reserves the right of ingress and egress across the surface and subsurface of the Leased Premises, both now and hereafter, to explore for and develop minerals on adjoining lands. This reservation

includes but is not limited to the use of the Leased Premises for drill sites, tank batteries, pipelines and any other facilities or operations necessary for said exploration and development. Any compensation, including royalties, paid for the right to use the Leased Premises for surface locations shall belong solely to Lessor.

15. ASSIGNABILITY BY LESSEE

Lessee may assign this lease to any entity that Lessee wishes provided Lessee remains the operator of this Lease. Any other assignment requires the express prior written permission of Lessor, which permission will not be unreasonably withheld provided the Assignee has experience with horizontal drilling in the Barnett Shale and is a solvent, reputable and recognized oil and gas industry entity. Provided that, Lessor's permission shall not be required in connection with the merger or combination of Lessee and another entity, or a sale of all or substantially all of Lessee's leases in the county where the Lease is located.

For any transfer or assignment of the Leased Premises, the transferee or assignee must specifically agree in writing to comply with the provisions of this Lease. All transfers (including assignments, sales, subleases, overriding royalty conveyances, or production payment arrangements) must be recorded in the county where the Lease is located, and the recorded transfer or a copy certified by the County Clerk of the county where the transfer is recorded must be delivered to the Lessor within ninety (90) days of the execution date. Every transferee shall succeed to all rights and be subject to all obligations, liabilities, and penalties owed to the Lessor by the original Lessee or any prior transferee of the lease, including any liabilities to the Lessor for unpaid royalties.

16. ASSIGNABILITY BY LESSOR

The rights of Lessor hereunder may be assigned in whole or in part, and the provisions hereof shall extend to Lessor's successors and assigns; but no change or division in the ownership of the land or royalties, however accomplished, shall operate to enlarge the obligations or diminish the rights of Lessee and no such change in ownership shall be binding on Lessee for any purpose until thirty (30) days after Lessee has been furnished with a certified copy of the recorded instrument or instruments or other evidence satisfactory to Lessee of such change of ownership.

17. NO WARRANTY

This lease is given and granted without warranty, express or implied, in law or in equity. Lessor agrees that Lessee, at Lessee's option, may purchase or discharge, in whole or in part, any tax, mortgage or other lien upon the Leased Premises and thereupon be subrogated to the rights of the holder thereof, and may apply royalties accruing hereunder toward satisfying same or reimbursing Lessee. It is also agreed that if Lessor owns an interest in the Leased Premises less than the entire fee simple estate, the royalties to be paid Lessor shall be reduced proportionately. But in no event shall the shut-in royalty amount for a gas well ($10,000.00), as provided for in Paragraph 9 hereof, be reduced when and if paid to Lessor.

18. INDEMNITY

Lessee agrees to hold Lessor harmless from all claims for damages caused to stock, crops, trapping or grazing lands, fences, buildings or other structures, and from any and all claims for injuries to (including death of) persons or damage to property in connection with the drilling of any of its wells or other operations under this Lease, and to defend at Lessee's expense any suit brought against Lessor on account of such claims, including all claims involving environmental matters, as well as any alleged violation of any state, local or federal rule or regulation, allegedly occasioned by, or allegedly arising out of, or allegedly resulting from Lessee's operations on the Leased Premises, and to pay any judgment against Lessor resulting from any such suit. Lessee further agrees that it will use due care to avoid damage to, or destruction of, stock, crops, land, timber, fences, buildings and other structures belonging to Lessor and will use due care to avoid damage to the value of Lessor's lands as farming, trapping and grazing lands, and that Lessee will compensate Lessor for any damage suffered by Lessor as the result of any such damage and/or destruction.

Lessor agrees to indemnify Lessee and hold it harmless from all claims, damages, losses, judgments and causes of action (and defend at Lessor's expense any suit against Lessee) resulting or arising from Lessor's conduct or operations or negligence, if any, on the Leased Premises.

Lessee assumes full responsibility and liability between the parties hereto for any pollution caused by Lessee's operations and agrees to promptly remedy and clean up any such pollution at Lessee's sole expense and to hold Lessor harmless from all claims for damages caused by such pollution. Lessee agrees to defend at Lessee's expense any such suit brought against Lessor on account of such claims, and to pay any judgment against Lessor resulting from any such suit.

19. TAXES

A. It is recognized by Lessor and Lessee that Lessor is presently exempt under Texas law from the payment of all ad valorem, severance and production taxes. However, should Lessor hereafter become subject to such taxes, then all ad valorem, severance and production taxes, State or Federal, on oil, gas or other minerals, or any other State or Federal taxes which may in the future become effective in lieu thereof, or in addition thereto, shall be borne by Lessor and Lessee in the following proportions: **25%** by Lessor and **75%** by Lessee.

B. Lessee shall bear all ad valorem taxes on all property placed or used by Lessee in or on the Leased Premises.

20. NOTICES

A. All notices, information, letters, surveys, reports, material, and all other documents, required or permitted to be sent to Lessor by Lessee shall be sent by certified United States mail, postage prepaid, return receipt requested, to the following address:

Tarrant Regional Water District,
A Water Control and Improvement District Attention: Ken Brummett
P. O. Box 4508
Fort Worth, Texas 76164-0508

B. All notices required or permitted to be sent to Lessee by Lessor shall be sent to Lessee by certified United States mail, postage prepaid, return receipt requested, to the following address:

DALE RESOURCES, L. L. C.
2100 Ross Ave., Suite 1870, LB-9
Dallas, Texas 75201

C. Service of notices, and other documents, hereunder is complete upon deposit of the mailed material in a post office or official depository under the care and custody of the United States Postal Service, in a postpaid, properly addressed and certified wrapper.

Unofficial Document

D. Any party hereto shall have the right to change the name or address of the person or persons required to receive notices, and other documents, by so notifying the other party in writing.

21. BREACH BY LESSEE

Lessee shall conduct Lessee's operations in strict compliance with all of the terms and provisions of this lease and with all applicable local, state and federal rules and the regulations of any regulatory body having jurisdiction of such operations including, but not limited to, all local, state and federal environmental rules and regulations.

In the event Lessor considers that operations are not, at any time, being conducted in compliance with this Lease, or any implied covenant of this Lease, Lessor shall notify Lessee in writing of the facts relied upon as constituting a breach of any express or implied covenant or obligation of Lessee hereunder and, Lessee, if in default, shall have sixty (60) days after receipt of such notice in which to commence compliance with its obligations hereunder. Failure on the part of Lessee to timely commence efforts to rectify any such breach and to exercise diligence in remedying any such breach shall operate as a forfeiture of this Lease as to the portion thereof effected by such breach, provided that if Lessee, in good faith, disputes any alleged grounds of breach set forth in such notice, Lessee may, within said sixty (60) day period, institute a Declaratory Judgment Action in any District Court in a county where all or part of the said Leased Premises are located questioning whether it has in fact breached any expressed or implied covenant of this Lease, thereby staying any forfeiture during the pendency of such action. However, in the event that Lessor obtains a final judicial ascertainment in any such proceeding that Lessee is in breach of any covenant hereof, express or implied, then it is agreed that Lessor shall be entitled to a decree providing for cancellation or forfeiture of the Lease in the event such breach is not rectified or commenced in good faith to be rectified by Lessee within thirty (30) days from date such decree becomes final.

22. HECI V. NEEL NOTICE

Lessee agrees to give notice to Lessor of the need, if any, to bring a claim or lawsuit against a third party who is draining, overproducing, unlawfully depleting, or otherwise damaging any reservoir underlying the Leased Premises, in a timely fashion so that Lessor may assert Lessor's own claim or lawsuit in a court of appropriate jurisdiction, or before a regulatory agency. Lessee shall give such notice to Lessor within ninety (90) days of the date that Lessee becomes aware of the need to assert such claim or lawsuit. Lessee acknowledges that Lessee is in a superior position to Lessor with respect to information regarding the geology, operations, production and sale of oil and gas and constituent hydrocarbons from the Leased Premises and lands adjacent, contiguous or in the vicinity of the Leased Premises and particularly with respect to reservoirs not on the Leased Premises which may be productive of oil, gas or other hydrocarbons and which underlay the Leased Premises. Therefore, with or without the notice required of Lessee above, in the event Lessee appears at, contests, prosecutes or otherwise takes regulatory action with any governmental agency with jurisdiction, then Lessee acknowledges that it has an affirmative duty to represent the Lessor's royalty interests with respect to any such action. Furthermore, with or without the notice required of Lessee above, in the event Lessee shall file a lawsuit and recover damages by virtue thereof or otherwise receives a sum of money from any third party on account of draining, overproducing, unlawfully depleting or otherwise damaging any reservoir underlying the Leased Premises, by judgment, compromise settlement agreement, alternative dispute resolution or otherwise, then the Lessee will always be deemed to be also representing the royalty share of the Lessor in any recovery by or payment to the Lessee representing damage to the reservoir or any oil and gas well or any productive oil and gas sand or zone underlying the Leased Premises. Nothing herein shall preclude Lessor from bringing Lessor's own action but Lessor should never be required to, and Lessee shall always be deemed to be representing the Lessor's royalty share and shall pay same to the Lessor from recoveries or payments to Lessor by virtue or on account of the foregoing.

23. IMPLIED COVENANTS

Nothing in this Lease negates the usual implied covenants imposed upon Lessee.

24. CONFLICT OF INTEREST

Lessee represents that Lessee, its officers and directors, are not officers, directors or employees of Tarrant Regional Water District, a Water Control and Improvement District nor is Lessee (its officers and directors) acting on behalf of any such officer, director or employee of Tarrant Regional Water District, a Water Control and Improvement District.

25. TERMS HERITABLE

All of the terms and provisions of this Lease shall extend to and be binding upon the heirs, executors, administrators, successors and authorized assigns of the parties hereto.

26. CAPTIONS

The captions to the various paragraphs of the Lease are for convenience only, to be used primarily to more readily locate specific provisions. They shall not be considered a part of the Lease, nor shall they be used to interpret any of the lease provisions.

27. COUNTERPARTS

This Lease may be executed in multiple counterparts, each of which shall be deemed an original, with the same effect as if the signature thereto and hereto were upon the same instrument.

EXECUTED and effective as of the date of the notarial acknowledgment of the Lessor's execution hereof.

OIL, GAS AND MINERAL LEASE

THIS AGREEMENT made this 23rd day of September 2005, between Helen Etta Underwood, a widow, Lessor (whether one or more), whose address is 2325 Valkus Street, Fort Worth, Texas, and Dale Resources, L.L.C., 2100 Ross Avenue, Suite 1870, LB-9, Dallas, Texas 75201, Lessee, WITNESSETH:

1. Lessor in consideration of Ten and No/100----------Dollars ($10.00), in hand paid, of the royalties herein provided, and of the agreements of Lessee herein contained, hereby grants, leases and lets exclusively unto Lessee for the purpose of investigating, exploring, prospecting, drilling and mining for and producing oil, gas and all other minerals, conducting exploration, geologic and geophysical surveys by seismograph, core test, gravity and magnetic methods, injecting gas, water and other fluids, and air into subsurface strata, laying pipe lines, building roads, tanks, power stations, telephone lines and other structures thereon and on, over and across lands owned or claimed by Lessor adjacent and contiguous thereto, to produce, save, take care of, treat, transport and own said products, and housing its employees, the following described land in Tarrant County, Texas, to wit:

.81 acres of land, more or less, being all of that 10.3 acres of land, more or less, out of the James Sanderson Survey, Abstract 1430, Tarrant County, Texas, be more particularly described by metes and bounds in that certain deed dated January 12, 1943, from Walter A. Tyer and wife, Grace H. Tyer, as Grantor to John Lewis Underwood and wife, Helen Etta Underwood, as Grantee, and recorded in Volume 1548, Page 224 of the Official Public Records of Tarrant County, Texas.

Less and Except: A parcel of Land 30' in width off of the south side of the 10.3 acre tract of land, described in that deed dated March 23, 1925, from Walter A. Tyer, as Grantor, to the City of Fort Worth, Texas, as Grantee, recorded in Volume 1204, Page 14, of the Deed Records of Tarrant County, Texas.

Less and Except: .95 acres of land, more or less, described in that deed dated February 19, 1974, from John Lewis Underwood and wife, Helen Etta Underwood, as Grantor, to Newell and Newell, as Grantee, recorded in Volume 5600, Page 877, of the Deed Records of Tarrant County, Texas.

Less and Except: 8.6 acres of land, more or less, described in that deed, from John Lewis Underwood and wife, Helen Etta Underwood, as Grantor, to William G. Poole, Sr., Trustee, and W.J. Newell, as Grantee, recorded in Volume 4176, Page 237, of the Deed Records of Tarrant County, Texas.

This lease also covers and includes all land owned or claimed by Lessor adjacent or contiguous to the land particularly described above, whether the same be in said survey or surveys or in adjacent surveys, although not included within the boundaries of the land particularly described above.

2. This is a paid up lease and subject to the other provisions herein contained, this lease shall be for a term of three (3) years from this date (called "primary term") and as long thereafter as oil, gas or other mineral is produced from said land or land with which said land is pooled hereunder.

3. As royalty, lessee covenants and agrees: (a) To deliver to the credit of lessor, in the pipelines to which lessee may connect its wells, the equal **twenty-two and one-half percent (22.5%)** part of all oil produced and saved by lessee from said land, or from time to time, at the option of lessee, to pay lessor the average posted market price of such **twenty-two and one-half percent (22.5%)** part of such oil at the wells as of the day it is run to the pipe line or storage tanks, lessor's interest, in either case, to bear **twenty-two and one-half percent (22.5%)** of the cost of treating oil to render it marketable pipeline oil; (b) to pay lessor for gas and casinghead gas produced from said land (1) when sold by lessee **twenty-two and one-half percent (22.5%)** of the amount realized by lessee, computed at the mouth of the well, or (2) when used by lessee off said land or in the manufacture of gasoline or other products **twenty-two and one-half percent (22.5%)** of the amount realized from the sale of gasoline or other products extracted therefrom and **twenty-two and one-half percent (22.5%)** of the amount realized from the sale of residue gas after deducting the amount used for plant fuel and/or compression; (c) To pay lessor on all other minerals mined and marketed or utilized by lessee from said land, one-tenth either in kind or value at the well or mine at lessee's election, except that on sulphur mined and marketed the royalty shall be one dollar ($1.00) per long ton. If, at the expiration of the primary term or at any time or times thereafter, there is any well on said land, or on lands with which said land or any portion thereof has been pooled, capable of producing oil or gas, and all such wells are shut-in, this lease shall, nevertheless, continue in force as though operations were being conducted on said land for so long as said wells are shut-in, and thereafter this lease may be continued in force as if no shut-in had occurred. Lessee covenants and agrees to use reasonable diligence to produce, utilize, or market the minerals capable of being produced from said wells, but in the exercise of such diligence, lessee shall not be obligated to install or furnish facilities other than well facilities and ordinary lease facilities of flow lines, separator, and lease tank, and shall not be required to settle labor trouble or to market gas upon terms unacceptable to lessee. If, at any time or times after the expiration of the primary term, all such wells are shut-in for a period of ninety consecutive days, and during such time there are no operations on said land, then at or before the expiration of said ninety day period, lessee shall pay or tender, by check or draft of lessee, as royalty, a sum equal to one dollar ($1.00) for each acre of land then covered hereby. Lessee shall make like payments or tenders at or before the end of each anniversary of the expiration of said ninety day period if upon such anniversary this lease is being continued in force solely by reason of the provisions of this paragraph. Each such payment or tender shall be made to the parties who at the time of payment would be entitled to receive the royalties which would be paid under this lease if the wells were producing, and may be deposited at the Lessor's address given above, or its successors, which shall continue as the depositories, regardless of changes in the ownership of shut-in royalty. If at any time that lessee pays or tenders shut-in royalty, two or more parties are, or claim to be, entitled to receive same, lessee may, in lieu of any other method of payment herein provided, pay or tender shut-in royalty, in the manner above specified, either jointly to such parties or separately to each in accordance with their respective ownerships thereof, as lessee may elect. Any payment hereunder may be made by check or draft of lessee deposited in the mail or delivered to the party entitled to receive payment or to a depository bank provided for above on or before the last date for payment. Nothing herein shall impair lessee's right to release as provided in paragraph 5 hereof. In the event of assignment of this lease in whole or in part, liability for payment hereunder shall rest exclusively on the then owners of this lease, severally as to acreage owned by each.

4. Lessee shall have the right but not the obligation to pool all or any part of the leased premises or interest therein with any other lands or interests, as to any or all depths or zones, and as to any or all substances covered by this lease, either before or after the commencement of production, whenever Lessee deems it necessary or proper to do so in order to prudently develop or operate the leased premises, whether or not similar pooling authority exists with respect to such other lands or interests. The unit formed by such pooling for an oil well which is not a horizontal completion shall not exceed 80 acres plus a maximum acreage tolerance of 10%, and for a gas well or a horizontal completion shall not exceed 640 acres plus a maximum acreage tolerance of 10%; provided that a larger unit may be formed for an oil well or gas well or horizontal completion to conform to any well spacing or density pattern that may be prescribed or permitted by any governmental authority having jurisdiction to do so. For the purpose of the foregoing, the terms 'oil well' and 'gas well' shall have the meanings prescribed by applicable law or the appropriate governmental authority, or, if no definition is so prescribed, 'oil well' means a well with an initial gas-oil ratio of less than 100,000 cubic feet per barrel and 'gas well' means a well with an initial gas-oil ratio of 100,000 cubic feet or more per barrel, based on a 24-hour production test conducted under normal producing conditions using standard lease separator facilities or equivalent testing equipment; and the term 'horizontal completion' means an oil well in which the horizontal component of the gross completion interval in the reservoir exceeds the vertical component thereof. In exercising its pooling rights hereunder, Lessee shall file of record a written declaration describing the unit and stating the effective date of pooling. Production, drilling or reworking operations anywhere on a unit which includes all or any part of the leased premises shall be treated as if it were production, drilling or reworking operations on the leased premises, except that the production on which Lessor's royalty is calculated shall be that proportion of the total unit production which the net acreage covered by this lease and included in the unit bears to the total gross acreage in the unit, but only to the extent such proportion of unit production is sold by Lessee. Pooling in one or more instances shall not exhaust Lessees pooling rights hereunder, and Lessee shall have the recurring right but not the obligation to revise any unit formed hereunder by expansion or contraction or both, either before or after commencement of production, in order to conform to the well spacing or density pattern prescribed or permitted by the governmental authority having jurisdiction, or to conform to any productive acreage determination made by such governmental authority. In making such a revision, Lessee shall file of record a written declaration describing the revised unit and stating the effective date of revision. To the extent any portion of the leased premises is included in or excluded from the unit by virtue of such revision, the proportion of unit production on which royalties are payable hereunder shall thereafter be adjusted accordingly. In the absence of production in paying quantities from a unit or upon permanent cessation thereof, Lessee may terminate the unit by filing of record a written declaration describing the unit and stating the date of termination. Pooling hereunder shall not constitute a cross-conveyance of interests.

5. If at the expiration of the primary term, oil, gas, or other mineral is not being produced on said land, or from the land pooled therewith, but Lessee is then engaged in drilling or reworking operations thereon, or shall have completed a dry hole thereon within 60 days prior to the end of the primary term, the lease shall remain in force so long as operations on said well or for drilling or reworking of any additional well are prosecuted with no cessation of more than 60 consecutive days, and if they result in the production of oil, gas or other mineral, so long thereafter as oil, gas, or other mineral is produced from said land, or from land pooled therewith. If, after the expiration of the primary term of this lease and after oil, gas, or other mineral is produced from said land, or from land pooled therewith, the production thereof should cease from any cause, this lease shall not terminate if Lessee commences operations for drilling or reworking within 60 days after the cessation of such production, but shall remain in force and effect so long as such operations are prosecuted with no cessation of more than 60 consecutive days, and if they result in the production of oil, gas, or other mineral, so long thereafter as oil, gas, or other mineral is produced from said land, or from land pooled therewith. Any pooled unit designated by Lessee in accordance with the terms hereof, may be dissolved by Lessee by instrument filed for record in the appropriate records of the county in which the leased premises are situated at any time after the completion of a dry hole or the cessation of production on said unit. In the event a well or wells producing oil or gas in paying quantities should be brought in on adjacent land and within 330 feet of and draining the leased premises, or land pooled therewith, Lessee agrees to drill such offset well or wells as a reasonably prudent operator would drill under the same or similar circumstances. Lessee may at any time execute and deliver to Lessor or place of record a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered.

6. Lessee shall have the right at any time during or after the expiration of this lease to remove all property and fixtures placed by Lessee on said land, including the right to draw and remove all casing. When required by Lessor, Lessee will bury all pipe lines below ordinary plow depth, and no well shall be drilled within two hundred (200) feet of any residence or barn now on said land without Lessor's consent.

7. The rights of either party hereunder may be assigned in whole or in part, and the provisions hereof shall extend to their heirs, successors and assigns; but no change or division in ownership of the land, or royalties, however accomplished, shall operate to enlarge the obligations or diminish the rights of Lessee, and no change or division in such ownership shall be binding on Lessee until thirty (30) days after Lessee shall have been furnished by registered U.S. mail at Lessee's principal place of business with a certified copy of recorded instrument or instruments evidencing same. In the event of assignment hereof in whole or in part, liability for breach of any obligation hereunder shall rest exclusively upon the owner of this lease or of a portion thereof who commits such breach. If six or more parties become entitled to royalty hereunder, Lessee may withhold payment thereof unless and until furnished with a recordable instrument executed by all such parties designating an agent to receive payment for all.

8. The breach by Lessee of any obligation arising hereunder shall not work a forfeiture or termination of this lease nor cause a termination or reversion of the estate created hereby nor be grounds for cancellation hereof in whole or in part. No obligation reasonably to develop the leased premises shall arise during the primary term. Should oil, gas or other mineral in paying quantities be discovered on said premises, then after the expiration of the primary term, Lessee shall develop the acreage retained hereunder as a reasonably prudent operator, but in discharging this obligation it shall in no event be required to drill more than one well per forty (40) acres of the area retained hereunder and capable of producing oil in paying quantities and one well per 640 acres plus an acreage tolerance not to exceed 10% of 640 acres of the area retained hereunder and capable of producing gas or other mineral in paying quantities. If after the expiration of the primary term, Lessor considers that operations are not at any time being conducted in compliance with this lease, Lessor shall notify Lessee in writing of the facts relied upon as constituting a breach hereof, and Lessee, if in default, shall have sixty days after receipt of such notice in which to commence the compliance with the obligations imposed by virtue of this instrument.

9. Lessor hereby warrants and agrees to defend the title to said land and agrees that Lessee at its option may discharge any tax, mortgage or other lien upon said land, either in whole or in part, and in event Lessee does so, it shall be subrogated to such lien with right to enforce same and apply royalties accruing hereunder toward satisfying same. Without impairment of Lessee's rights under the warranty in event of failure of title, it is agreed that if this lease covers a less interest in the oil, gas, sulphur, or other minerals in all or any part of said land than the entire and undivided fee simple estate (whether Lessor's interest is herein specified or not), or no interest therein, then the royalties, and other monies accruing from any part as to which this lease covers less than such full interest, shall be paid only in the proportion which the interest therein, if any, covered by this lease, bears to the whole and undivided fee simple estate therein. All royalty interest covered by this lease (whether or not owned by Lessor) shall be paid out of the royalty herein provided. Should any one or more of the parties named above as Lessors fail to execute this lease, it shall nevertheless be binding upon the party or parties executing the same.

10. Should Lessee be prevented from complying with any express or implied covenant of this lease, from conducting drilling or reworking operations thereon or from producing any oil, gas or other minerals therefrom by reason of scarcity of or inability to obtain or to use equipment or material, or by operation of force majeure, and Federal or state law or any order, rule or regulation of governmental authority, then while so prevented, Lessee's obligation to comply with such covenant shall be suspended, and Lessee shall not be liable in damages for failure to comply therewith; and this lease shall be extended while and so long as Lessee is prevented by any such cause from conducting drilling or reworking operations on or from producing oil or gas from the lease premises; and the time while Lessee is so prevented shall not be counted against Lessee, anything in this lease to the contrary notwithstanding.

11. Notwithstanding anything contained herein to the contrary, Lessee does not by virtue of this lease acquire any rights whatsoever to conduct any operations on the surface of the lease premises without first obtaining the prior written consent of Lessor, however, Lessee may recover oil, gas and associated hydrocarbons from the lease premises by directional or horizontal drilling, pooling, unitization or any other method provided in this lease.

12. Notwithstanding anything herein contained to the contrary, if at the expiration of the primary term of this lease this lease has not been, or it is not being extended pursuant to any of its provisions, then Lessee, its successors or assigns, shall have the option to extend the primary term of this lease, as to all or any portion of the lands covered hereby, for an additional two (2) year(s) by paying or tendering to Lessor by check the sum of $1000.00. Said payment or tender shall be made on or before the expiration date of the initial primary term and shall be considered to include the prepaid delay rental. If Lessee extends this lease as herein provided, it shall be considered that the primary term is five (5) years.

IN WITNESS WHEREOF, this instrument is executed on the date first above written.

Re: Assignment to Chesapeake of GLO Lease No. 108217

Ms. Boyd,

Please find the following information, which was requested by the Texas General Land Office, for filing of the assignment of GLO Lease No. 108217 from Dale Property Services, LLC to Chesapeake Exploration, L.L.C.:

GLO State Lease Number: 108217

Legal Description: 0.37 acres of land, more or less situated, in the Valkus Street ROW. Said lands also being the same land described in the following deed recorded in the Deed of Records, Tarrant County, State of Texas: Deed from Mrs. John Floyd to the City of Ft. Worth, County of Tarrant dated 3/23/1933 and recorded in Vol. 1204, P. 15 of the Deed of Records, Tarrant County.

Our records indicate that the prescribed State filing fee of $25.00 was paid by check dated February 8, 2008, and subsequently accepted as payment by the Texas General Land Office. If you have any questions, please do not hesitate to contact myself or Ann Vandenberg at the number below.

Sincerely,

TITLE 31	NATURAL RESOURCES AND CONSERVATION
PART 1	GENERAL LAND OFFICE
CHAPTER 9	EXPLORATION AND LEASING OF STATE OIL AND GAS
SUBCHAPTER F	DISCONTINUING THE LEASEHOLD RELATIONSHIP
RULE §9.93	**Assignments**

(a) Assignment of a state oil and gas lease. All or part of a state oil and gas leasehold interest may be assigned at any time, except as prohibited by statute, administrative rule, or common law. All assignments, including assignments of overriding royalty interests on Relinquishment Act lands, must be recorded in each county in which all or part of the original acreage covered by the lease is located. The original recorded assignment or a certified copy thereof shall be filed in the GLO within 90 days of its execution. For purposes of this paragraph, the last execution date shown on the instrument shall be deemed to be the date of execution. The following must accompany each assignment required to be filed and every counterpart so filed in the GLO under this subsection:

(1) a list clearly designating each state lease, as identified by its mineral file number, affected by the assignment;

(2) the payment of the filing fee required by §1.3 of this title, (relating to Fees) for each state lease, as identified by its mineral file number, affected by the assignment; $ 25.00

(3) an adequate legal description of the premises assigned, including the survey name, block, township, county, and any other descriptive information requested by the GLO;

(4) in cases of vertical severance, partial assignments of state oil and gas leases shall be filed in the same manner as complete assignments are filed, and must include a metes and bounds description of the area so assigned, including relevant plats, unless the area assigned can be and is accurately described as a part of the section; and

(5) in cases of horizontal severance, partial releases of state oil and gas leases shall be filed in the GLO, and shall include a description of all relevant depths and formations.

(b) Any assignment not accompanied by the required information or fees shall not be accepted for filing. If an assignment is not properly filed within 90 days of its execution, the filing fee due shall be double the usual fee. 50.00

(c) In-lieu assignments will not be accepted or filed in the records of the GLO.

(d) An assignee cannot use a failure to comply with the requirements in this section to avoid its liability to the state.

(e) The liability of an assignor of any state oil and gas lease to properly discharge its obligations under the lease, including properly plugging abandoned wells, removing platforms or pipelines, or remediation of contamination at drill sites shall pass to the assignee upon proper written consent of the commissioner. The commissioner may not withhold the consent unreasonably. The commissioner may require the transferee to demonstrate that it has the financial responsibility to properly discharge its

obligations under the lease and may require the transferee to post a bond or provide other security to secure those obligations if the tranferee is unable to demonstrate such financial responsibility to the satisfaction of the commissioner.

(f) If an assignment has not been properly filed, the commissioner may forfeit the lease at his discretion.

(g) The current holder of a lease or of any interest therein shall be responsible for proper filing with the GLO of any assignments not previously filed by any predecessor in interest.

(h) The heir, devisee, executor, or administrator, as the case may be, of the estate of an assignee may file a statement of the parties entitled to hold the interest of the assignee in the lease. Such statement should include a list by mineral file number of all leases affected. No filing fee shall be required.

(i) Should an assignee formally change names, a notice of name change, accompanied by a list of file numbers of all leases affected, shall be submitted to the GLO. No filing fee shall be required.

(j) A corporate merger shall be considered an assignment under this section. A certified copy of the certificate of merger shall be furnished to the GLO not later than 90 days after it is accepted for filing by the Secretary of the State of Texas. A list of each state lease affected by the merger shall accompany the certified copy of the certificate of merger. Leases held by the surviving corporation prior to the merger need not be listed, unless the name of the surviving corporation is changed, in which event subsection (i) of this section shall apply.

(k) A deed of trust, mortgage or other security agreement shall be considered an assignment under this subsection. If a state lease is subject to a deed of trust, mortgage or other security agreement, a memorandum of such instrument shall be furnished to the GLO in accordance with this section.

(l) Upon complete compliance with this subsection, the assignee will:

(1) succeed to all rights and be subject to all liabilities, obligations, penalties, and the like incurred by any prior lessee, including any liability to the state for unpaid royalty; and

(2) assume all obligations, liabilities, and consequences arising from all covenants, conditions, and terms (whether express or implied) of the lease.

(m) Assignments of Relinquishment Act lease to surface owner. A surface owner may acquire by assignment a lease which he or she executed on land subject to the Relinquishment Act only by complying with Texas Natural Resources Code, §52.188, and any other relevant laws or regulations. See also §9.22(2) of this title, (relating to Leasing Procedures).

(n) Acceptance of an assignment by the GLO does not waive any claim the agency may have against a party relating to that assignment.

Lease #6150

This Lease is stored in Mercer Co.

CONVEYANCE

Dale Property Services, LLC (herein called "Grantor"), for Ten Dollars and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), subject to the exception and reservation set forth below, does hereby GRANT, BARGAIN, SELL, CONVEY, ASSIGN, TRANSFER, SET OVER, AND DELIVER unto Chesapeake Exploration, L.L.C., (herein called "Grantee"), whose address is 6100 North Western Avenue, Oklahoma City, Oklahoma 73118, all of Grantor's right, title and interest in and to the oil and gas leases described in Exhibit A attached hereto and made a part hereof (the "Leases").

There is hereby SAVED AND EXCEPTED from this Conveyance, and reserved to Grantor, an overriding royalty equal to 1% of 8/8ths of all oil, gas and other minerals produced, saved and marketed from the lands covered by the Leases (the "ORRI").

Except as provided herein to the contrary, the ORRI shall be paid or delivered to Grantor in the same manner, by the same method, at the same time, and under the same conditions as is provided in the Leases for the payment and delivery of royalty to the lessors under the applicable Lease.

The ORRI shall be free and clear of all cost, risk and expense of drilling for and production of oil, gas and other minerals produced from the Leases, but shall bear its proportion of all off lease post production costs, severance, production, or any other taxes now or hereafter applicable thereto or affecting same, and shall be computed only after deducting its proportionate share of all minerals used for operations upon the lands covered by the Leases, or upon any unit comprising all or any portion of same.

In the event the Leases, or any one of them, cover less than One Hundred Percent (100%) of mineral estate in and to the lands covered by such Lease(s), then the ORRI, as to the lands in which such Lease(s) do not cover such One Hundred Percent (100%), shall be reduced to the proportion thereof which the mineral interest percentage covered by such Lease(s) in such lands bears to One Hundred Percent (100%).

In the event Grantor owns less than One Hundred Percent (100%) interest in the Leases, or in any one of them, then the ORRI shall be reduced to the proportion thereof which the interest in such Lease(s) owned by Grantor bears to One Hundred Percent (100%).

Grantee shall have the right, at its election, to pool the Leases, or any of them, with each other or with other leases or lands, in the manner and with the same effect as authorized under the terms of the Leases as now constituted or as hereafter amended or as may be hereafter authorized by the lessor thereof. If pooling occurs, the ORRI attributable to production from such pooled unit shall be in the proportion that the amount of acreage subject to the ORRI included in such pooled unit bears to the total amount of acreage in such pooled unit.

TRUE AND CORRECT COPY OF ORIGINAL RECORD FILED IN TARRANT COUNTY, TEXAS: SUZANNE HENDERSON, COUNTY CLERK

D-207437274

The ORRI shall apply to any new lease, renewal or extension of any of the Leases that may be acquired by Grantee, its successors or assigns, within one (1) year after the expiration of such Lease. For the purposes of this provision "extension" is defined as an amendment to any of the Leases extending the term of such Lease and "new lease" or "renewal" are defined as a new lease acquired by Grantee covering all or any portion of the same mineral rights and interests now covered by any of the Leases.

TO HAVE AND TO HOLD the Leases unto Grantee, and its successors and assigns, forever.

GRANTOR AGREES TO WARRANT AND FOREVER DEFEND TITLE TO THE LEASES UNTO GRANTEE AND ITS SUCCESSORS AND ASSIGNS, AGAINST THE CLAIMS AND DEMANDS OF ALL PERSONS CLAIMING, OR TO CLAIM THE SAME, OR ANY PART THEREOF BY, THROUGH OR UNDER GRANTOR, BUT NOT OTHERWISE. THE EXPRESS WARRANTY OF TITLE SET FORTH ABOVE IS EXCLUSIVE, AND IN LIEU OF ALL OTHER REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND GRANTOR EXPRESSLY DISCLAIMS ANY AND ALL SUCH OTHER REPRESENTATIONS AND WARRANTIES.

By acceptance of this Conveyance, Grantee has agreed (i) to assume, and to timely pay and perform, all duties, obligations and liabilities relating to the ownership and/or operation of the Leases and (ii) to indemnify and hold Grantor, its affiliates, and its and their respective directors, officers, employees, attorneys, contractors and agents harmless from and against any and all claims, actions, causes of action, liabilities, damages, losses, costs or expenses (including, without limitation, court costs and attorneys' fees) of any kind or character arising out of or otherwise relating to the ownership and/or operation of the Leases. **THE FOREGOING ASSUMPTIONS AND INDEMNIFICATIONS SHALL APPLY WHETHER OR NOT SUCH DUTIES, OBLIGATIONS OR LIABILITIES, OR SUCH CLAIMS, ACTIONS, CAUSES OF ACTION, LIABILITIES, DAMAGES, LOSSES, COSTS OR EXPENSES ARISE OUT OF (i) NEGLIGENCE (INCLUDING SOLE NEGLIGENCE, SINGLE NEGLIGENCE, CONCURRENT NEGLIGENCE, ACTIVE OR PASSIVE NEGLIGENCE, BUT EXPRESSLY NOT INCLUDING GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) OF GRANTOR OR ANY OTHER INDEMNIFIED PARTY, OR (ii) STRICT LIABILITY.**

The terms and provisions of this Conveyance shall be binding on and inure to the benefit of Grantor and Grantee and their respective legal representatives, successors and assigns.

IN WITNESS WHEREOF this Conveyance is executed by the parties hereto on the dates of their respective acknowledgments, but made effective for all purposes as of the date of each Lease as set forth on Exhibit "A" or, if applicable, such later date on which such lease or interest therein was acquired by Assignor.

The State of Texas

HROW Lease
Revised 8/06

Austin, Texas

PAID-UP
OIL AND GAS LEASE NO. (108217)
GENERAL LAND OFFICE
AUSTIN, TEXAS

THIS AGREEMENT made and entered into by and between the Commissioner of the General Land Office of the State of Texas, whose address is Stephen F. Austin Building, 1700 North Congress, Austin, Texas, 78701, hereinafter called "Lessor", hereunto authorized by the School Land Board, pursuant to the provisions of Chapters 32 and 52 of the Natural Resources Code (hereinafter called N.R.C.), and amendments thereto, and all applicable rules promulgated by the School Land Board and **Dale Resources, LLC**, whose address is **6001 Bridge Street, Suite 102, Ft. Worth, TX 76112** hereinafter called "Lessee".

1. Lessor, in consideration of **Two Thousand Eight Hundred Forty Nine 00/100 ($2,849.00)** receipt of which is hereby acknowledged, and of the covenants and agreements of Lessee hereinafter contained, does hereby grant, lease, and let unto Lessee the land covered hereby for the purposes and with the exclusive right of exploring, drilling, mining and operating for, producing and owning oil, gas, and all other hydrocarbons, produced from the land covered hereby. The land covered hereby, herein called "said land" is located in the County of **Tarrant** State of Texas, and is described as follows:

> **0.37 acres** of land, more or less, known as, situated in said **Tarrant** County, Texas, more particularly described in Exhibit "A" attached hereto and made a part hereof together with a plat, attached hereto as Exhibit "B", depicting said right-of-way and surrounding area for purposes of illustration only.

For the purpose of determining the amount of any bonus or other payment hereunder, said land shall be deemed to contain **0.37** acres, whether actually containing more or less, and the above recital of acreage shall be deemed to be the true acreage thereof. Lessor accepts the bonus as lump sum consideration for this lease and all rights and options hereunder.

2. PRIMARY TERM: This lease, which is a "paid up" lease requiring no rentals, shall remain in force for a term of **one year, from August 21st, 2007** hereinafter called "primary term", and as long thereafter as operations, as hereinafter defined, are conducted upon said land with no cessation for more than ninety (90) consecutive days.

3. ROYALTIES: As royalty Lessee covenants and agrees:

(a) To deliver to the credit of Lessor, in the pipe line to which Lessee may connect its well, the equal **1/4** part of all oil produced and saved by Lessee from said land, or from time to time, at the option of Lessee, to pay Lessor the average posted market price of such **1/4** part of such oil at the wells as of the day it is run to the pipe line or storage tanks, Lessor's interest, in either case, to bear none of the cost of treating oil to render it marketable pipe line oil;

(b) To pay Lessor on gas and casing head gas produced from said land (1) when sold by lessee **1/4** of the amount realized by Lessee, computed at the mouth of the well, or (2) when used by Lessee off said land or in the manufacture of gasoline or other products, the market value, at the mouth of the well, of **1/4** of such gas and casing head gas.

(c) If, at the expiration of the primary term or at any time or times thereafter, there is any well on said land or on lands with which said land or any portion thereof has been pooled, capable of producing oil or gas, and all such wells are shut-in, this lease shall, nevertheless, continue in force as though operations were being conducted on said land for so long as said wells are shut-in, and thereafter this lease may be continued in force as if no shut-in had occurred

(d) Lessee covenants and agrees to use reasonable diligence to produce, utilize, or market the minerals capable of being produced from said wells, but in the exercise of such diligence, Lessee shall not be obligated to install or furnish facilities other than well facilities and ordinary lease facilities of flow lines, separator, and lease tank, and shall not be required to settle labor trouble or to market gas upon terms unacceptable to Lessee.

(e) If at any time or times after the expiration of the primary term, all such wells are shut-in for a period of ninety consecutive days, and during such time there are no operations on said land, then at or before the expiration of said ninety day period, lessee shall pay or tender, by check of lessee, as royalty, the sum of **$ 1,000.00**. Lessee shall make like payments or tenders at or before the end of each anniversary of the expiration of said ninety day period if upon such anniversary this lease is being continued in force solely by reason of the provisions of this paragraph. Each such payment or tender shall be made to the parties who at the time of payment would be entitled to receive the royalties which would be paid under this lease if the wells were producing. Nothing herein shall impair lessee's right to release as provided in paragraph 5 hereof. In the event of assignment of this lease in whole or in part, liability for payment hereunder shall rest exclusively on the then owner or owners of this lease, severally as to acreage owned by each.

(f) All royalties not taken in kind shall be paid to the Commissioner of the General Land Office at Austin, Texas, in the following manner:

Royalty on oil is due and must be received in the General Land Office on or before the 5th day of the second month succeeding the month of production, and royalty on gas is due and must be received in the General Land Office on or before the 15th day of the second month succeeding the month of production, accompanied by the affidavit of the owner, manager, or other authorized agent, completed in the form and manner prescribed by the General Land Office and showing the gross amount and disposition of all oil and gas produced and the market value of the oil and gas, together with a copy of all documents, records or reports confirming the gross production, disposition and market value including gas meter readings, pipeline receipts, gas line receipts and other checks or memoranda of amount produced and put into pipelines, tanks, or pools and gas lines or gas storage, and any other reports or records which the General Land Office may require to verify the gross production, disposition and market value. In all cases the authority of a manager or agent to act for the Lessee herein must be filed in the General Land Office. Each royalty payment shall be accompanied by a check stub, schedule, summary or other remittance advice showing by the assigned General Land Office lease number the amount of royalty being paid on each lease. If Lessee pays his royalty on or before thirty (30) days after the royalty payment was due, the Lessee owes a penalty of 5% on the royalty or $25.00, whichever is greater. A royalty payment which is over thirty (30) days late shall accrue a penalty of 10% of the royalty due or $25.00, whichever is greater. In addition to a penalty, royalties shall accrue interest at a rate of 12% per year; such interest will begin accruing when the royalty is sixty (60) days overdue. Affidavits and supporting documents which are not filed when due shall incur a penalty in an amount set by the General Land Office administrative rule which is effective on the date when the affidavits or supporting documents were due. The Lessee shall bear all responsibility for paying or causing royalties to be paid as prescribed by the due date provided herein. Payment of the delinquency penalty shall in no way operate to prohibit the State's right of forfeiture as provided by law nor act to postpone the date on which royalties were originally due. The above penalty provisions shall not apply in cases of title dispute as to the State's portion of the royalty or to that portion of the royalty in dispute as to fair market value. The State shall have first lien upon all oil and gas produced from the area covered by this lease to secure the payment of all unpaid royalty and other sums of money that may become due to the State hereunder.

4. POOLING: (a) Lessee is hereby granted the right, at its option, to pool or unitize any land covered by this lease with any other land covered by this lease, and/or with any other land, lease, or leases, as to any or all minerals or horizons. Units pooled for oil hereunder shall not exceed 160 acres each in area, and units pooled for gas hereunder shall not exceed in area 640 acres each plus a tolerance often percent (10%) thereof, unless oil or gas units of a greater size are allowed under or prescribed by rules of the Railroad Commission of Texas. A unit established hereunder shall be valid and effective for all purposes of this lease even though there may be mineral, royalty, or leasehold interests in lands within

the unit, which are not effectively pooled or unitized. Any operations conducted on any part of such unitized land shall be considered, for all purposes, except the payment of royalty, as operations conducted upon said land under this lease. There shall be allocated to the land covered by this lease within each such unit (or to each separate tract within the unit if this lease covers separate tracts within the unit) the proportion of the total production of unitized minerals from the unit, after deducting any used in lease or unit operations, which the number of surface acres in such land (or in each such separate tract) covered by this lease within the unit bears to the total number of surface acres in the unit, and the production so allocated shall be considered for all purposes, including payment or delivery of royalty, overriding royalty and any other payments out of production, to be the entire production of unitized minerals from the land to which allocated in the same manner as though produced there from under the terms of this lease. The owner of the reversionary estate of any term royalty or mineral estate agrees that the accrual of royalties pursuant to this paragraph or of shut-in royalties from a well on the unit shall satisfy any limitation of term requiring production of oil or gas. The formation of any unit hereunder which includes land not covered by this lease shall not have the effect of exchanging or transferring any interest under this lease (including, without limitation, any shut-in royalty which may become payable under this lease) between parties owning interests in land covered by this lease and parties owning interests in land not covered by this lease. Neither shall it impair the right of Lessee to release as provided in paragraph 5 hereof, except that Lessee may not so release as to lands within a unit while there are operations thereon for unitized minerals unless all pooled leases are released as to lands within the unit. At any time while this lease is in force Lessee may dissolve any unit established hereunder by filing for record in the public office where this lease is recorded a declaration to that effect, if at that time no operations are being conducted thereon for unitized minerals. Subject to the provisions of this paragraph 4, a unit once established hereunder shall remain in force for so long as any lease subject thereto shall remain in force. If this lease now or hereafter covers separate tracts, no pooling or unitization of royalty interests as between any such separate tracts is intended or shall be implied or result merely from the inclusion of such separate tracts within this lease but Lessee shall nevertheless have the right to pool or unitize as provided in this paragraph 4 with consequent allocation of production as herein provided. As used in this paragraph 4, the words "separate tract" mean any tract with royalty ownership differing, now or hereafter, either as to parties or amounts, from that as to any other part of the leased premises.

(b) Neither unit production of oil or gas, nor unit operations, nor payment of shut-in royalties from a unit gas well, shall serve to hold the lease in force as to any area outside the unit, regardless of whether the production, maintenance of a shut-in gas well, or operations are actually located on the State tract or not.

(c) Lessee agrees to file with the General Land Office a copy of any unit designation, which this lease is included within ninety (90) days of such designation.

5. RELEASE: Lessee may relinquish the rights granted hereunder to the State at any time by recording the relinquishment in the county where this area is situated and filing the recorded relinquishment or certified copy of same in the General Land Office within ninety (90) days after its execution accompanied by the prescribed filing fee. Such relinquishment will not have the effect of releasing Lessee from any liability theretofore accrued in favor of the State.

6. REWORK: If at any time or times during the primary term operations are conducted on said land and if all operations are discontinued, this lease shall thereafter terminate at the end of the primary term or on the ninetieth day after discontinuance of all operations, whichever is the later date, unless on such later date either (1) Lessee is conducting operations or (2) the shut-in well provisions of paragraph 3 or the provisions of paragraph 9 are applicable. Whenever used in this lease the word "operations" shall mean operations for and any of the following: drilling, testing, completing, reworking, recompleting, deepening, plugging back or repairing of a well in search for or in an endeavor to obtain production of oil or gas, or production of oil or gas in paying quantities.

7. MINERAL USE: Lessee shall have the use, free from royalty, of oil and gas produced from said land in all operations hereunder.

8. NOTICE: In the event Lessor considers that Lessee has not complied with all its obligations hereunder, both express and implied, Lessor shall notify Lessee in writing, setting out specifically in what respects Lessee has breached this contract. Lessee shall then have sixty (60) days after receipt of said notice within which to meet or commence to meet all

or any part of the breaches alleged by Lessor. The service of said notice shall be precedent to the bringing of any action by Lessor on said lease for any cause, and no such action shall be brought until the lapse of sixty (60) days after service of such notice on Lessee. Neither the service of said notice nor the doing of any acts by Lessee aimed to meet all or any of the alleged breaches shall be deemed an admission or presumption that Lessee has failed to perform all its obligations hereunder. If this lease is canceled for any cause, it shall nevertheless remain in force and effect as to (1) sufficient acreage around each well as to which there are operations to constitute a drilling or maximum allowable unit under applicable governmental regulations, (but in no event less than forty acres), such acreage to be designated by Lessee as nearly as practicable in the form of a square centered at the well, or in such shape as then existing spacing rules require; and (2) any part of said land included in a pooled unit on which there are operations.

9. FORCE MAJEURE: If, while this lease is in force, at, or after the expiration of the primary term hereof, it is not being continued in force by reason of the shut-in well provisions of paragraph 3 hereof, and Lessee is not conducting operations on said land by reason of (1) any law, order, rule or regulation, (whether or not subsequently determined to be invalid) or (2) any other cause, whether similar or dissimilar, (except financial) beyond the reasonable control of Lessee, the primary term shall be extended until the first anniversary date hereof occurring ninety (90) or more days following the removal of such delaying cause, and this lease may be extended thereafter by operations as if such delay had not occurred.

10. LESSER ESTATE CLAUSE: If this lease covers a less interest in the oil or gas in all or any part of said land than the entire and undivided fee simple estate (whether lessors interest is herein specified or not), or no interest therein, then the royalties, and other monies accruing from any part as to which this lease covers less than such full interest, shall be paid only in the proportion which the interest therein, if any, covered by this lease bears to the whole and undivided fee simple estate therein.

11. ASSIGNMENTS: This lease may be transferred at any time. All transfers must reference the lease by file number and must be recorded in the county where the land covered hereby is located, and the recorded transfer or a copy certified to by the County Clerk of the county where the transfer is recorded must be filed in the General Land Office within ninety (90) days of the execution date, as provided by N.R.C. Section 52.026, accompanied by the prescribed filing fee. Every transferee shall succeed to all rights and be subject to all obligations, liabilities, and penalties owed to the State by the original Lessee or any prior transferee of the lease, including any liabilities to the State for unpaid royalties.

12. WELL INFORMATION: Lessee agrees to forthwith furnish Lessor, upon written request, with copies of all drilling logs, electrical logs, cores and core records and other information pertaining to all wells drilled by lessee either on the leased premises or acreage pooled therewith, when requested to do so. Said information shall remain confidential as required by statute.

13. SURFACE: Notwithstanding anything herein to the contrary, it is agreed that Lessee will not conduct any exploration or drilling on the surface of the leased premises or use the surface in the exercise of any rights herein granted. Any development of said land shall be by means of a directional well located off the leased premises, or by pooling of said land with other land, lease or leases as hereinabove provided.

14. COMPENSATORY ROYALTY: Lessee shall pay a compensatory royalty if this lease is not being held by production on the leased premises, by production from a pooled unit, or by payment of shut-in royalties in accordance with the terms of this lease, and if oil or gas is sold or delivered in paying quantities from a well located within 2,500 feet of the leased premises and completed in a producible reservoir underlying the area leased hereunder or in any case in which drainage is occurring. Such compensatory royalty shall be paid at the royalty rate provided in this lease based on the value of production from the well as provided in the lease on which such well is located. The compensatory royalty shall be paid in the same proportion that the acreage of this lease has to the acreage of the proration unit surrounding the draining well plus the acreage of this lease. The compensatory royalty shall be paid monthly to the Commissioner of the General Land Office on or before the last day of the month after the month in which the oil or gas is sold and delivered from the well

causing the drainage or from the well located within 2500 feet of the leased premises and completed in a producible reservoir under this lease. Notwithstanding anything herein to the contrary, compensatory royalty payable hereunder shall be no less than an amount equal to **double the shut-in royalty** and shall maintain this lease in effect for so long as such payments are made as provided herein.

15. FORFEITURE: If Lessee shall fail or refuse to make payment of any sum within thirty (30) days after it becomes due, or if Lessee or an authorized agent should knowingly make any false return or false report concerning production or drilling, or if Lessee shall fail or refuse to drill any offset well or wells in good faith as required by law and the rules and regulations adopted by the Commissioner of the General Land Office, or if Lessee should fail to file reports in the manner required by law or fail to comply with rules and regulations promulgated by the General Land Office, or refuse the proper authority access to the records pertaining to operations, or if Lessee or an authorized agent should knowingly fail or refuse to give correct information to the proper authority, or knowingly fail or refuse to furnish the General Land Office a correct log of any well, or if this lease is pooled or assigned and the unit designation or assignment is not filed in the General Land Office as required by law, the rights acquired under this lease shall be subject to forfeiture by the Commissioner, and he shall forfeit same when sufficiently informed of the facts which authorize a forfeiture, and when forfeited the area shall again be subject to lease. However, nothing herein shall be construed as waiving the automatic termination of this lease by operations of law or by reason of any special limitation arising hereunder. Forfeitures may be set aside and this lease and all rights there under reinstated before the rights of another intervene upon satisfactory evidence to the Commissioner of the General Land Office of future compliance with the provisions of the law and of this lease and the rules and regulations that may be adopted relative hereto.

IN TESTIMONY WHEREOF, witness the signature of the Commissioner of the General Land Office of the State of Texas under the seal of the General Land Office.

The General Land Office has received and filed the division order submitted for the above-referenced state lease. Please be advised that the payment of royalties attributable to state-owned mineral interests is set by statute. As the execution of division orders may, in some cases, affect the manner in which such payments are paid or calculated, it is the policy of this office not to execute them.

Subject to applicable state law and the state's right to take its production in-kind, the General Land Office acquiesces to the sale of oil and gas under the terms and conditions set out in the oil and gas lease. If you should have questions concerning this matter, please feel free to call me at (512) 463-6521.

Sincerely,

Beverly Boyd

DIVISION OF INTEREST

THIS AGREEMENT DOES NOT AMEND ANY LEASE OR OPERATING AGREEMENT BETWEEN THE INTEREST OWNERS AND THE LESSEE OR OPERATOR OR ANY OTHER CONTRACTS FOR THE PURCHASE OF OIL OR GAS.

The following provisions apply to each interest owner ("Owner") who executes this agreement:

TERMS OF SALE: The undersigned will be paid in accordance with the division of interest set out above. The payor shall pay all parties at the price agreed to by the operator for oil and gas to be sold pursuant to this division order. Purchaser shall compute quantity and make corrections for gravity and temperature and make deductions for impurities in the oil.

PAYMENT: From the effective date, payment is to be made monthly by payor's check, based on this division of interest, for oil runs within 60 days after the end of the month of production and for gas within 90 days after the end of the month of production from the property listed above, less taxes required by law to be deducted and remitted by payor as purchaser. Payments of less than $100.00 may be accrued before disbursement until the total amount equals $100.00, or until July 31st of each year, whichever occurs first. However, the Payor may hold accumulated proceeds of less than $10.00 until production ceases, or the Payor's responsibility for making payment for production ceases, whichever occurs first. Payee agrees to refund to payor any amounts attributable to an interest or part of an interest that payee does not own.

INDEMNITY: The owner agrees to indemnify and hold payor harmless from all liability resulting from payments made to the owner in accordance with such division of interest, including but not limited to attorney fees or judgments in connection with any suit that affects the owner's interest to which payor is made a party.

DISPUTE; WITHHOLDING OF FUNDS: If a suit is filed that affects the interest of the owner, written notice shall be given to payor by the owner together with a copy of the complaint or petition filed. In the event of a claim or dispute that affects title to the division of interest credited herein, payor is authorized to withhold payments accruing to such interest, without interest unless otherwise required by applicable statute, until the claim or dispute is settled.

TERMINATION: Termination of this agreement is effective on the first day of the month that begins after the 30th day after the date written notice of termination is received by either party.

NOTICES: The owner agrees to notify payor in writing of any change in the division of interest, including changes of interest contingent on payment of money or expiration of time. No change of interest is binding on payor until the recorded copy of the instrument of change or documents satisfactorily evidencing such change are furnished to payor at the time the change occurs. Any change of interest shall be made effective on the first day of the month following receipt of such notice by payor. Any correspondence regarding this agreement shall be furnished to the addresses listed unless otherwise advised by either party. In addition to the legal rights provided by the terms and provisions of this division order, an owner may have certain statutory rights under the laws of this state.

PAYMENT: From the effective date, payment is to be made monthly by payor's check, based on this division of interest, for oil runs within 60 days after the end of the month of production and for gas within 90 days after the end of the month of production from the property listed above, less taxes required by law to be deducted and remitted by payor as purchaser. Payments of less than $100.00 may be accrued before disbursement until the total amount equals $100.00, or until July 31st of each year, whichever occurs first. However, the Payor may hold accumulated proceeds of less than $10.00 until production ceases, or the Payor's responsibility for making payment for production ceases, whichever occurs first. Payee agrees to refund to payor any amounts attributable to an interest or part of an interest that payee does not own.

INDEMNITY: The owner agrees to indemnify and hold payor harmless from all liability resulting from payments made to the owner in accordance with such division of interest, including but not limited to attorney fees or judgments in connection with any suit that affects the owner's interest to which payor is made a party.

DISPUTE; WITHHOLDING OF FUNDS: If a suit is filed that affects the interest of the owner, written notice shall be given to payor by the owner together with a copy of the complaint or petition filed. In the event of a claim or dispute that affects title to the division of interest credited herein, payor is authorized to withhold payments accruing to such interest, without interest unless otherwise required by applicable statute, until the claim or dispute is settled.

TERMINATION: Termination of this agreement is effective on the first day of the month that begins after the 30th day after the date written notice of termination is received by either party.

NOTICES: The owner agrees to notify payor in writing of any change in the division of interest, including changes of interest contingent on payment of money or expiration of time. No change of interest is binding on payor until the recorded copy of the instrument of change or documents satisfactorily evidencing such change are furnished to payor at the time the change occurs. Any change of interest shall be made effective on the first day of the month following receipt of such notice by payor. Any correspondence regarding this agreement shall be furnished to the addresses listed unless otherwise advised by either party. In addition to the legal rights provided by the terms and provisions of this division order, an owner may have certain statutory rights under the laws of this state.

DIVISION OF INTEREST

THIS AGREEMENT DOES NOT AMEND ANY LEASE OR OPERATING AGREEMENT BETWEEN THE INTEREST OWNERS AND THE LESSEE OR OPERATOR OR ANY OTHER CONTRACTS FOR THE PURCHASE OF OIL OR GAS.

The following provisions apply to each interest owner ("Owner") who executes this agreement:

TERMS OF SALE: The undersigned will be paid in accordance with the division of interest set out above. The payor shall pay all parties at the price agreed to by the operator for oil and gas to be sold pursuant to this division order. Purchaser shall compute quantity and make corrections for gravity and temperature and make deductions for impurities in the oil.

PAYMENT: From the effective date, payment is to be made monthly by payor's check, based on this division of interest, for oil runs within 60 days after the end of the month of production and for gas within 90 days after the end of the month of production from the property listed above, less taxes required by law to be deducted and remitted by payor as purchaser. FIFTH-AMENDMENT
DECLARATION OF POOLED UNIT
HICKMAN UNIT

Electronically Recorded
Chesapeake Operating, Inc

STATE OF TEXAS §
§ **KNOW ALL PERSONS BY THESE PRESENTS:**
COUNTIES OF TARRANT §

This Fifth Amended Declaration of Pooled Unit is executed to be effective as of July 23, 2007, by the undersigned parties, who are the owners of an interest in the leasehold estates created under those certain Oil, Gas and Mineral Leases (the "Leases") which are more particularly described on Exhibit "A" attached hereto and incorporated herein by reference for all purposes, or who are the owners of an interest in the mineral estate in the lands described in the Leases, who join in the execution hereof to evidence their consent to the pooling, unitization and combination of the leases and mineral estates herein described in Exhibit "A".

RECITALS

WHEREAS, each of the Leases authorizes the lessee thereunder to pool, unitize or combine all or a portion of the lands covered thereby with other land, lands, lease, or leases, to form a pooled unit for the exploration, development and production of oil, gas and associated and constituent hydrocarbons from the lands covered by the Leases; and

WHEREAS, the pooling, unitization and combination of the Leases and mineral estates to the extent necessary to form the hereinafter described pooled unit are necessary and advisable in the judgment of the undersigned.

WHEREAS, the purpose and intent of this Fifth Amendment to the Declaration of Pooled Unit – Hickman Unit is to Modify and Amend the interest pooled within the Hickman Unit boundary dimensions by replacing the Exhibit "A" from both the Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781, the Third Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208193199, and document number D208278832 and the Fourth Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208405912, and document number D209063814.

This Fifth Amended Declaration of Pooled Unit is executed to be effective as of July 23, 2007, by the undersigned parties, who are the owners of an interest in the leasehold estates created under those certain Oil, Gas and Mineral Leases (the "Leases") which are more particularly described on Exhibit "A" attached hereto and incorporated herein by reference for all purposes, or who are the owners of an interest in the mineral estate in the lands described in the Leases, who join in the execution hereof to evidence their consent to the pooling, unitization and combination of the leases and mineral estates herein described in Exhibit "A".

RECITALS

WHEREAS, each of the Leases authorizes the lessee thereunder to pool, unitize or combine all or a portion of the lands covered thereby with other land, lands, lease, or leases, to form a pooled unit for the exploration, development and production of oil, gas and associated and constituent hydrocarbons from the lands covered by the Leases; and

WHEREAS, the pooling, unitization and combination of the Leases and mineral estates to the extent necessary to form the hereinafter described pooled unit are necessary and advisable in the judgment of the undersigned.

WHEREAS, the purpose and intent of this Fifth Amendment to the Declaration of Pooled Unit – Hickman Unit is to Modify and Amend the interest pooled within the Hickman Unit boundary dimensions by replacing the Exhibit "A" from both the Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781, the Third Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208193199, and document number D208278832 and the Fourth Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208405912, and document number D209063814.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual benefits to be derived by the parties hereto and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agree as follows:

1. Declaration of Unit. In accordance with the provisions of the Leases, the undersigned do hereby declare, pool, unitize and combine the Leases, including all renewals, extensions, ratifications and amendments thereof, and the lands covered thereby and the mineral estates therein, to the extent necessary to form and create the Unit Area described below. Production from the Unit shall be allocated proportionately among all of the tracts within the Unit in the proportion which the number of surface acres in each of such tracts bears to the total number of surface acres in the Unit.

2. Description of Unit Area. The Unit Area (herein so called) shall consist of **264.869 acres**, more or less, being the lands more particularly described on Exhibit "B", which is attached hereto and incorporated herein by reference for all purposes, and the unit shall be limited to the interval and depths lying from the surface of the earth to the base of the Barnett Shale formation **INSOFAR AND ONLY INSOFAR** as to oil, gas, and associated and constituent hydrocarbons produced from a well or wells classified as an oil well or a gas well. This Second Amendment to the Declaration of Pooled Unit – Hickman Unit covers all production from the lands described on the attached Exhibit "B" which is produced from any well drilled to the unitized interval underlying the Unit Area.

3. Unit Name. The pooled unit created hereby shall be known as the "**Hickman Unit**."

4. Additional Interest; Consent. In the event the undersigned own any leasehold interest or mineral interest other than those specifically described or referred to herein covering the lands inside the Unit Area, including any unleased mineral interest in lands inside the Unit Area, or any interest for which ratification of the pooled unit created hereby is necessary, such interest or interests are hereby pooled and combined into said pooled unit as hereby declared without the necessity of specifically enumerating such interests or the specific lands covered by such interests or in which they are held.

5. Right to Amend. The undersigned hereby expressly reserve the right, from time to time, to amend this Fifth Amendment to the Declaration of Pooled Unit – Hickman Unit, and the respective terms and provisions hereof, and to change the size and area of, and interests covered by the pooled unit described herein, including without limitation, the power (i) to change, reduce, enlarge or extend the size or configuration of the Unit Area; (ii) to include any other formation or formations and any other mineral or minerals therein, thereunder or produced therefrom, all in accordance with the terms and provisions of the Leases; (iii) to include in the pooled unit described herein or in any amendments hereto, oil, gas and mineral leases, or interests in the lands described therein, covering interests in the Unit Area, which are secured or obtained subsequent to the date hereof, or prior to the date hereof and not included and described herein, and (iv) to include in the pooled unit described herein or in any amendments hereto, full or undivided interests in the Unit Area which are not otherwise included herein by the respective owner of such full or undivided interests.

6. Dissolution of Unit. The pooled unit formed hereby may be dissolved by Chesapeake Operating, Inc., acting as the Operator of the pooled unit, at any time by an instrument filed for record in Tarrant County, Texas, after any failure to establish unit production or after cessation of operations upon the pooled unit.

7. Multiple Originals. This instrument may be executed in any number of multiple counterparts, each of which shall have the same force and effect as an original instrument executed by all of the undersigned parties, regardless of whether such counterpart is executed prior to or subsequent to the date hereof or the filing of record of a counterpart hereof. Further, this instrument may not be ratified, consented to or approved by any party, individual, person or entity except upon the express written consent of all the undersigned parties hereto. This Fifth Amendment to the Declaration of Pooled Unit – Hickman Unit, and each counterpart or ratification hereof, shall be binding upon each party who executed the same, and shall have the effect of pooling such party's undivided ownership interest in the leases covered hereby, without regard to whether any other party owning an interest in the Leases or Unit Area may execute this instrument, or a counterpart or ratification hereof.

8. General Provisions. This instrument shall bind, inure to the benefit of, and be exercised by heirs, assigns, and successors in interest of all parties. When the context requires, singular nouns and pronouns include the plural.

Except as amended hereby, said Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781, the Third Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas as document number D208193199, and document number D208278832 and the Fourth Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208405912, and document number D209063814 remains in full force and effect.

EXECUTED by the undersigned parties on the respective dates of acknowledgment hereof, to be effective for all purposes as of the date first above written.

THIRD-AMENDMENT
DECLARATION OF POOLED UNIT
HICKMAN UNIT

STATE OF TEXAS §
§ KNOW ALL PERSONS BY THESE PRESENTS:
COUNTIES OF TARRANT §

This Amended Declaration of Pooled Unit is executed to be effective as of July 23, 2007, by the undersigned parties, who are the owners of an interest in the leasehold estates created under those certain Oil, Gas and Mineral Leases (the "Leases") which are more particularly described on Exhibit "A" attached hereto and incorporated herein by reference for all purposes, or who are the owners of an interest in the mineral estate in the lands described in the Leases, who join in the execution hereof to evidence their consent to the pooling, unitization and combination of the leases and mineral estates herein described in Exhibit "A".

RECITALS

WHEREAS, each of the Leases authorizes the lessee thereunder to pool, unitize or combine all or a portion of the lands covered thereby with other land, lands, lease, or leases, to form a pooled unit for the exploration, development and production of oil, gas and associated and constituent hydrocarbons from the lands covered by the Leases; and

WHEREAS, the pooling, unitization and combination of the Leases and mineral estates to the extent necessary to form the hereinafter described pooled unit are necessary and advisable in the judgment of the undersigned.

WHEREAS, the purpose and intent of this Third Amendment to the Declaration of Pooled Unit – Hickman Unit is to Modify and Amend the interest pooled within the Hickman Unit boundary dimensions by replacing the Exhibit "A" from both the Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, and the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual benefits to be derived by the parties hereto and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agree as follows:

1. Declaration of Unit. In accordance with the provisions of the Leases, the undersigned do hereby declare, pool, unitize and combine the Leases, including all renewals, extensions, ratifications and amendments thereof, and the lands covered thereby and the mineral estates therein, to the extent necessary to form and create the Unit Area described below. Production from the Unit shall be allocated

RECEIVED

proportionately among all of the tracts within the Unit in the proportion which the number of surface acres in each of such tracts bears to the total number of surface acres in the Unit.

2. Description of Unit Area. The Unit Area (herein so called) shall consist of **176.004 acres**, more or less, being the lands more particularly described on Exhibit "B", which is attached hereto and incorporated herein by reference for all purposes, and the unit shall be limited to the interval and depths lying from the surface of the earth to the base of the Barnett Shale formation **INSOFAR AND ONLY INSOFAR** as to oil, gas, and associated and constituent hydrocarbons produced from a well or wells classified as an oil well or a gas well. This Second Amendment to the Declaration of Pooled Unit – Hickman Unit covers all production from the lands described on the attached Exhibit "B" which is produced from any well drilled to the unitized interval underlying the Unit Area.

3. Unit Name. The pooled unit created hereby shall be known as the "**Hickman Unit**."

4. Additional Interest; Consent. In the event the undersigned own any leasehold interest or mineral interest other than those specifically described or referred to herein covering the lands inside the Unit Area, including any unleased mineral interest in lands inside the Unit Area, or any interest for which ratification of the pooled unit created hereby is necessary, such interest or interests are hereby pooled and combined into said pooled unit as hereby declared without the necessity of specifically enumerating such interests or the specific lands covered by such interests or in which they are held.

5. Right to Amend. The undersigned hereby expressly reserve the right, from time to time, to amend this Second Amendment to the Declaration of Pooled Unit – Hickman Unit, and the respective terms and provisions hereof, and to change the size and area of, and interests covered by the pooled unit described herein, including without limitation, the power (i) to change, reduce, enlarge or extend the size or configuration of the Unit Area; (ii) to include any other formation or formations and any other mineral or minerals therein, thereunder or produced therefrom, all in accordance with the terms and provisions of the Leases; (iii) to include in the pooled unit described herein or in any amendments hereto, oil, gas and mineral leases, or interests in the lands described therein, covering interests in the Unit Area, which are secured or obtained subsequent to the date hereof, or prior to the date hereof and not included and described herein, and (iv) to include in the pooled unit described herein or in any amendments hereto, full or undivided interests in the Unit Area which are not otherwise included herein by the respective owner of such full or undivided interests.

6. Dissolution of Unit. The pooled unit formed hereby may be dissolved by Chesapeake Operating, Inc., acting as the Operator of the pooled unit, at any time by an instrument filed for record in Tarrant County, Texas, after any failure to establish unit production or after cessation of operations upon the pooled unit.

7. Multiple Originals. This instrument may be executed in any number of multiple counterparts, each of which shall have the same force and effect as an original instrument executed by all of the undersigned parties, regardless of whether such counterpart is executed prior to or subsequent to the date hereof or the filing of record of a counterpart hereof. Further, this instrument may not be ratified,

consented to or approved by any party, individual, person or entity except upon the express written consent of all the undersigned parties hereto. This Second Amendment to the Declaration of Pooled Unit – Hickman Unit, and each counterpart or ratification hereof, shall be binding upon each party who executed the same, and shall have the effect of pooling such party's undivided ownership interest in the leases covered hereby, without regard to whether any other party owning an interest in the Leases or Unit Area may execute this instrument, or a counterpart or ratification hereof.

8. General Provisions. This instrument shall bind, inure to the benefit of, and be exercised by heirs, assigns, and successors in interest of all parties. When the context requires, singular nouns and pronouns include the plural.

Except as amended hereby, said Declaration of Pooled Unit – Hickman Unit dated the effective date of July 31, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, and the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781 remains in full force and effect.

EXECUTED by the undersigned parties on the respective dates of acknowledgment hereof, to be effective for all purposes as of the date first above written.

The General Land Office has received and filed the division order submitted for the above-referenced state lease. Please be advised that the payment of royalties attributable to state-owned mineral interests is set by statute. As the execution of division orders may, in some cases, affect the manner in which such payments are paid or calculated, it is the policy of this office not to execute them.

Subject to applicable state law and the state's right to take its production in-kind, the General Land Office acquiesces to the sale of oil and gas under the terms and conditions set out in the oil and gas lease. If you should have questions concerning this matter, please feel free to call me at (512) 463-6521.

Sincerely,

Beverly Boyd

DIVISION OF INTEREST

THIS AGREEMENT DOES NOT AMEND ANY LEASE OR OPERATING AGREEMENT BETWEEN THE INTEREST OWNERS AND THE LESSEE OR OPERATOR OR ANY OTHER CONTRACTS FOR THE PURCHASE OF OIL OR GAS.

The following provisions apply to each interest owner ("Owner") who executes this agreement:

TERMS OF SALE: The undersigned will be paid in accordance with the division of interest set out above. The payor shall pay all parties at the price agreed to by the operator for oil and gas to be sold pursuant to this division order. Purchaser shall compute quantity and make corrections for gravity and temperature and make deductions for impurities in the oil.

PAYMENT: From the effective date, payment is to be made monthly by payor's check, based on this division of interest, for oil runs within 60 days after the end of the month of production and for gas within 90 days after the end of the month of production from the property listed above, less taxes required by law to be deducted and remitted by payor as purchaser. Payments of less than $100.00 may be accrued before disbursement until the total amount equals $100.00, or until July 31st of each year, whichever occurs first. However, the Payor may hold accumulated proceeds of less than $10.00 until production ceases, or the Payor's responsibility for making payment for production ceases, whichever occurs first. Payee agrees to refund to payor any amounts attributable to an interest or part of an interest that payee does not own.

INDEMNITY: The owner agrees to indemnify and hold payor harmless from all liability resulting from payments made to the owner in accordance with such division of interest, including but not limited to attorney fees or judgments in connection with any suit that affects the owner's interest to which payor is made a party.

DISPUTE; WITHHOLDING OF FUNDS: If a suit is filed that affects the interest of the owner, written notice shall be given to payor by the owner together with a copy of the complaint or petition filed. In the event of a claim or dispute that affects title to the division of interest credited herein, payor is authorized to withhold payments accruing to such interest, without interest unless otherwise required by applicable statute, until the claim or dispute is settled.

TERMINATION: Termination of this agreement is effective on the first day of the month that begins after the 30th day after the date written notice of termination is received by either party.

NOTICES: The owner agrees to notify payor in writing of any change in the division of interest, including changes of interest contingent on payment of money or expiration of time. No change of interest is binding on payor until the recorded copy of the instrument of change or documents satisfactorily evidencing such change are furnished to payor at the time the change occurs. Any change of interest shall be made effective on the first day of the month following receipt of such notice by payor. Any correspondence regarding this agreement shall be furnished to the addresses listed unless otherwise advised by either party. In addition to the legal rights provided by the terms and provisions of this division order, an owner may have certain statutory rights under the laws of this state.

Requirement # 1
Hickman Unit
April 8, 2009

Most property owners in your area are subject to a Deed of Trust, or mortgage. If an oil and gas lease is executed after the date of the mortgage, the mortgage company must subordinate the Deed of Trust to the oil and gas lease. Please read below for more information on how to obtain a mortgage subordination and avoid the placement of your interest into suspense. If there is no current mortgage on your property, please provide us with a recorded copy of the release, or sign the statement of exemption below and return either the release, or statement with your division order.

A subordination agreement gives the oil and gas well operator the authority to distribute royalties directly to the property owner, as well as protect the oil and gas well operator's rights under the oil and gas lease. Attached hereto is a blank subordination form to be filled out by you and/or your mortgage company. It should be executed by an authorized representative of the mortgage company and returned to Chesapeake. We ask that you please contact your mortgage company as soon as possible to begin this process so you do not experience any inconvenience in royalty suspension.

Regardless of any encumbrances on your property, you will receive royalties once you have executed and returned your division order to Chesapeake. However, if after ninety (90) days from the date of this notice we have not received a subordination agreement from your mortgage company, or a release, or a signed statement of exemption, we must, unfortunately, place your royalties in suspense, pending receipt of the requested documents. Please be sure to sign your division order in the presence of a witness and return the division order to Chesapeake either by regular mail at the address shown on the division order, or by fax to 405-849-9563, at your earliest convenience. You may return your division order prior to your subordination form.

If you have any questions or need additional information, please feel free to contact us at 1-877-CHK1GAS.

SUBORDINATION, NONDISTURBANCE, AND ATTORNMENT AGREEMENT

This Subordination, Nondisturbance and Attornment of Oil and Gas Lease Agreement (the "Agreement"), executed effective as of the ____ day of _____ _____, ___, by and between _____, whose principal address is _____, _____, _____ (the "Mortgagee"), and Chesapeake Exploration, L.L.C., an Oklahoma limited liability company, whose principal place of business is located at 6100 N. Western Avenue, Oklahoma City, OK 73118 (the "Lessee");

WITNESSETH THAT:

WHEREAS, the Mortgagee is the owner of a certain mortgage on residential real property (the "Mortgage") executed by _____ (the "Lessor"), to secure the mortgage secured by the real property described on Exhibit A, attached hereto and incorporated herein by this reference (the "Mortgaged Property"); which Mortgage is dated _____, and was recorded on ____ _____ , in _____, _____, in the land records of _____ County, State of _____; and

WHEREAS, effective as of the __ day of _____, _____, Lessor executed an oil, gas and mineral lease (the "Lease"), running to the benefit of Lessee and granting certain rights to all or a part of the Mortgaged Property, which Lease is recorded on the ____ day of _____, _____ in the land records of _____ County, State of _____, at Page _____ of Book _____.

NOW, THEREFORE, in consideration of the premises and the mutual promises of the parties set forth below, the parties hereby agree as follows:

1. SUBORDINATION. Mortgagee hereby subordinates the Mortgaged Property and any and all liens, terms, covenants, provisions and conditions of any security instruments and/or loan documents and other rights related to the Mortgaged Property to the rights of Lessee under the Lease. Nothing contained under this provision shall operate to alter, change or modify the terms, provisions or conditions of the Mortgage, or any instrument described or referred to therein, or to release or affect the validity or priority of the lien, security interest and other rights of the Mortgagee arising under or by virtue of the Mortgage. The lien, security interest and other rights of Mortgagee to the Mortgaged Properties by virtue of the Mortgage shall not be affected in any manner by the execution of this agreement other than to subordinate the lien to Lessee's rights under the Lease such that in the event Mortgagee foreclosures its lien, Lessee's rights under the Lease shall not be extinguished.

2. NONDISTURBANCE. Mortgagee acknowledges and agrees that during the life of the Lease encumbering the Mortgaged Property it will not infringe upon or disturb the leasehold interests of Lessee, and Lessee shall continue in the quiet enjoyment of same, including, subject to the provisions of Section 2 hereof, the right to pay all rents and royalties payable under the Lease to the Mortgagor.

Mortgagee further acknowledges that if Lessor is delinquent in payments of the Mortgage note or there is in default of any obligation, agreement, condition, or covenant described or referred to in the Mortgage, or a default or an event of default occurs under any other instrument evidencing or securing the Mortgage note and, as a result thereof, the Mortgaged Properties are sold, the purchaser or purchasers buying the Mortgaged Properties at such sale or sales shall take same subject to the Lease, so that the rights of Lessee, or those holding title under Lessee, to operate, explore for and produce oil, gas and/or minerals on the Mortgaged Properties, and continue in the quiet enjoyment of same, shall continue and not be interfered with or interrupted.

Mortgagee further agrees that it will give notice of any foreclosure or sale as described hereinabove to Chesapeake, said notice to include the time, date and place

of any judicial or non-judicial foreclosure sale and a schedule of amounts due to redeem and/or pay the mortgage or lien.

3. PAYMENT OF ROYALTIES. Lessee agrees, in consideration of the execution of this Agreement by Mortgagee, that in the event the Mortgagee advises Lessee in writing that the Mortgage of Lessor is delinquent, then Lessee will pay to Mortgagee all royalties and rentals due or to become due until further notice by Mortgagee that the Lessor is no longer delinquent upon receipt of written consent by Lessor.

4. ATTORNMENT. In the event the Mortgage is foreclosed for any reason, and the Mortgagee succeeds to the interest of the Lessor under the Lease, the Lessee agrees that it shall recognize the Mortgagee as the successor in interest to the Lessor and to any and all of the right, title and interest of the Lessor under the Lease. In such case, the Lessee also agrees to render to the Mortgagee the performance of all of the Lessee's obligations which, under the terms of the Lease, are for the benefit of the Lessor, for the balance of the term of the Lease remaining, with the same force and effect as if the Mortgagee were the Lessor under the Lease.

The Lessee hereby attorns to the Mortgagee, such attornment to be effective and self-operative, without the execution of any further instrument on the part of either of the parties hereto, immediately upon Mortgagee's succession to the interests of the Lessor under the Lease; provided, however, that the Lessee shall not be obligated to pay royalties payable to the Lessor under the terms of the Lease to the Mortgagee until the Lessee shall receive written notice from the Mortgagee in accordance with the terms of Section 3 hereof. The respective rights and obligations of the Lessee and the Mortgagee upon such attornment shall, to the extent of the then remaining balance of the term of the Lease, be the same as now set forth in the Lease. The Lease and all of its terms are hereby incorporated by reference in this Agreement with the same force and effect as if set forth completely herein.

5. CONFLICT BETWEEN AGREEMENT AND LEASE. In the event of any conflict or difference between the terms of this Agreement and the terms of the Lease, Lessee agrees that the terms of this Agreement shall supersede and be applicable in lieu of the terms of the Lease.

6. BINDING AFFECT. The rights and obligations of the parties hereunder shall bind and inure to the benefit of the respective successors and assigns of the parties hereto.

7. AMENDMENTS. This Agreement may not be amended or modified except by a writing signed by Mortgagee and Lessee or their permitted successors and assigns.

8. GOVERNING LAW. This Agreement shall be construed and interpreted in accordance with and be governed by the laws of the United States insofar as they may be applicable, and if such laws are not applicable, then under the laws of the state in which the Property is located.

9. NOTICE. Any notice or communication required or permitted hereunder shall be given in writing, sent by (a) personal delivery, (b) delivery service with proof of delivery, (c) United States mail, postage prepaid, registered or certified mail, return receipt requested or (d) prepaid telegram or facsimile transmission (provided that such telegram or facsimile transmission is confirmed as received), addressed as follows:

_____

_____

If to Lessee, to:
Chesapeake Exploration, L.L.C.

P. O. Box 18496

Re: Hickman 1H (614639)
Hickman 3H (615862)
Hickman 4H (615863)
Hickman 5H (620308)
Tarrant County, Texas

Dear Royalty Interest Owner:

As you know, we have revised the subject unit to correct the number of acres in the unit several times. The following is a brief outline of the events that caused the revisions:

- September, 2007 – Hickman unit formed containing 176.004 acres
- September 5, 2007 – Hickman 1H well had first sales of gas
- October 13, 2007 – Hickman 3H well had first sales of gas
- January, 2008 – Hickman 1H and 3H division orders mailed out to owners in the 176.004 acre unit
- October, 2008 – Fourth Amended Declaration of Pooled Unit recorded changing the unit size to 264.869 acres
- April, 2009 – Hickman 1H and 3H wells revised effective first production to reflect new unit size
- August, 2009 – Hickman 1H and 3H wells revised to reflect original unit size of 176.004 acres from first sales through 09/08 production; and to reflect new unit size of 264.869 acres effective from 10/08 production forward

These revisions have caused some of your lots/tracts to temporarily be removed from the unit (for the time period from first sales through 09/08 production). If yours was one of those lots, this change has created a negative balance in your account. In other words, if your tract was part of the 88.865 acres added to the unit, you should not have been included and paid for an interest in the Hickman 1H and the 3H wells until 10/08, when the unit was enlarged to include your tract. You were paid royalties that should not have been paid to you for the time period of 9/07 to 10/08. We will be recouping

these royalties paid to you in error from future production (on a monthly basis until fully recouped).

The Hickman 4H and 5H wells are not affected by this revision as they did not have first sales until after the date the Fourth Amended Declaration of Pooled Unit was recorded. Therefore, royalties were paid correctly for these wells for all owners.

I apologize for any inconvenience this may cause.

If you have any questions or if I can be of additional assistance, please feel free to give me a call.

Joe,

Payments were made on the Hickman 1 & 3 wells for production months 09/07- 09/08. Those payments are now being reversed out. Below is an explanation from our Division Orders department on why the State of Texas interest is only effective 10/08 production. The leases involved are 108217, 108882 & 109933.

The reason for the change of effective date is that the Railroad Commission rules provide that a DPU (Declaration of Pooled Unit) is effective upon the date it is recorded, regardless of any attempt within the body of the document to make it effective any other date.

This unit was originally 176.004 acres and the State's acreage was not included in the unit. Although the body of the document states that it is effective July 23,2007, the Fourth Amended DPU was filed 10/24/08 and we have made the change of unit size effective 10/08. Since the State was not in the original unit, they would not be entitled to share in the proceeds until the unit was enlarged to include their lease.

The Fifth Amended DPU correctly details the State of Texas acreage as 10.022 acres.

I have also included what the revised unit set up should be (adding the .002 acres), as it was 10.02 on the original set up.

The amounts being reversed are the following:

Lease 108217- $4,463.59
Lease 108882- $88,381.00
Lease 109933- $39,678.55

Sent to Joe King
12/3/09

Total: $132,523.14

A letter will also be sent to the Texas General Land Office making the request.

FIFTH-AMENDMENT
DECLARATION OF POOLED UNIT
HICKMAN UNIT

Electronically Recorded
Chesapeake Operating, Inc

STATE OF TEXAS §
§ **KNOW ALL PERSONS BY THESE PRESENTS:**
COUNTIES OF TARRANT §

L0222252

This Fifth Amended Declaration of Pooled Unit is executed to be effective as of July 23, 2007, by the undersigned parties, who are the owners of an interest in the leasehold estates created under those certain Oil, Gas and Mineral Leases (the "Leases") which are more particularly described on Exhibit "A" attached hereto and incorporated herein by reference for all purposes, or who are the owners of an interest in the mineral estate in the lands described in the Leases, who join in the execution hereof to evidence their consent to the pooling, unitization and combination of the leases and mineral estates herein described in Exhibit "A".

RECITALS

WHEREAS, each of the Leases authorizes the lessee thereunder to pool, unitize or combine all or a portion of the lands covered thereby with other land, lands, lease, or leases, to form a pooled unit for the exploration, development and production of oil, gas and associated and constituent hydrocarbons from the lands covered by the Leases; and

WHEREAS, the pooling, unitization and combination of the Leases and mineral estates to the extent necessary to form the hereinafter described pooled unit are necessary and advisable in the judgment of the undersigned.

WHEREAS, the purpose and intent of this Fifth Amendment to the Declaration of Pooled Unit – Hickman Unit is to Modify and Amend the interest pooled within the Hickman Unit boundary dimensions by replacing the Exhibit "A" from both the Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781, the Third Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208193199, and document number D208278832 and the Fourth Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208405912, and document number D209063814.

UND 715-0004

NOW, THEREFORE, in consideration of the foregoing premises, the mutual benefits to be derived by the parties hereto and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agree as follows:

1. Declaration of Unit. In accordance with the provisions of the Leases, the undersigned do hereby declare, pool, unitize and combine the Leases, including all renewals, extensions, ratifications and amendments thereof, and the lands covered thereby and the mineral estates therein, to the extent necessary to form and create the Unit Area described below. Production from the Unit shall be allocated proportionately among all of the tracts within the Unit in the proportion which the number of surface acres in each of such tracts bears to the total number of surface acres in the Unit.

2. Description of Unit Area. The Unit Area (herein so called) shall consist of **264.869 acres**, more or less, being the lands more particularly described on Exhibit "B", which is attached hereto and incorporated herein by reference for all purposes, and the unit shall be limited to the interval and depths lying from the surface of the earth to the base of the Barnett Shale formation **INSOFAR AND ONLY INSOFAR** as to oil, gas, and associated and constituent hydrocarbons produced from a well or wells classified as an oil well or a gas well. This Second Amendment to the Declaration of Pooled Unit – Hickman Unit covers all production from the lands described on the attached Exhibit "B" which is produced from any well drilled to the unitized interval underlying the Unit Area.

3. Unit Name. The pooled unit created hereby shall be known as the "**Hickman Unit**."

4. Additional Interest; Consent. In the event the undersigned own any leasehold interest or mineral interest other than those specifically described or referred to herein covering the lands inside the Unit Area, including any unleased mineral interest in lands inside the Unit Area, or any interest for which ratification of the pooled unit created hereby is necessary, such interest or interests are hereby pooled and combined into said pooled unit as hereby declared without the necessity of specifically enumerating such interests or the specific lands covered by such interests or in which they are held.

5. Right to Amend. The undersigned hereby expressly reserve the right, from time to time, to amend this Fifth Amendment to the Declaration of Pooled Unit – Hickman Unit, and the respective terms and provisions hereof, and to change the size and area of, and interests covered by the pooled unit described herein, including without limitation, the power (i) to change, reduce, enlarge or extend the size or configuration of the Unit Area; (ii) to include any other formation or formations and any other mineral or minerals therein, thereunder or produced therefrom, all in accordance with the terms and provisions of the Leases; (iii) to include in the pooled unit described herein or in any amendments hereto, oil, gas and mineral leases, or interests in the lands described therein, covering interests in the Unit Area, which are secured or obtained subsequent to the date hereof, or prior to the date hereof and not included and described herein, and (iv) to include in the pooled unit described herein or in any amendments hereto, full or undivided interests in the Unit Area which are not otherwise included herein by the respective owner of such full or undivided interests.

6. Dissolution of Unit. The pooled unit formed hereby may be dissolved by Chesapeake Operating, Inc., acting as the Operator of the pooled unit, at any time by an instrument filed for record in Tarrant County, Texas, after any failure to establish unit production or after cessation of operations upon the pooled unit.

7. Multiple Originals. This instrument may be executed in any number of multiple counterparts, each of which shall have the same force and effect as an original instrument executed by all of the undersigned parties, regardless of whether such counterpart is executed prior to or subsequent to the date hereof or the filing of record of a counterpart hereof. Further, this instrument may not be ratified, consented to or approved by any party, individual, person or entity except upon the express written consent of all the undersigned parties hereto. This Fifth Amendment to the Declaration of Pooled Unit – Hickman Unit, and each counterpart or ratification hereof, shall be binding upon each party who executed the same, and shall have the effect of pooling such party's undivided ownership interest in the leases covered hereby, without regard to whether any other party owning an interest in the Leases or Unit Area may execute this instrument, or a counterpart or ratification hereof.

8. General Provisions. This instrument shall bind, inure to the benefit of, and be exercised by heirs, assigns, and successors in interest of all parties. When the context requires, singular nouns and pronouns include the plural.

Except as amended hereby, said Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781, the Third Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas as document number D208193199, and document number D208278832 and the Fourth Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208405912, and document number D209063814 remains in full force and effect.

EXECUTED by the undersigned parties on the respective dates of acknowledgment hereof, to be effective for all purposes as of the date first above written.

FIFTH-AMENDMENT
DECLARATION OF POOLED UNIT
HICKMAN UNIT

Electronically Recorded
Chesapeake Operating, Inc

STATE OF TEXAS §
§ **KNOW ALL PERSONS BY THESE PRESENTS:**
COUNTIES OF TARRANT §

This Fifth Amended Declaration of Pooled Unit is executed to be effective as of July 23, 2007, by the undersigned parties, who are the owners of an interest in the leasehold estates created under those certain Oil, Gas and Mineral Leases (the "Leases") which are more particularly described on Exhibit "A" attached hereto and incorporated herein by reference for all purposes, or who are the owners of an interest in the mineral estate in the lands described in the Leases, who join in the execution hereof to evidence their consent to the pooling, unitization and combination of the leases and mineral estates herein described in Exhibit "A".

RECITALS

WHEREAS, each of the Leases authorizes the lessee thereunder to pool, unitize or combine all or a portion of the lands covered thereby with other land, lands, lease, or leases, to form a pooled unit for the exploration, development and production of oil, gas and associated and constituent hydrocarbons from the lands covered by the Leases; and

D209103865

WHEREAS, the pooling, unitization and combination of the Leases and mineral estates to the extent necessary to form the hereinafter described pooled unit are necessary and advisable in the judgment of the undersigned.

WHEREAS, the purpose and intent of this Fifth Amendment to the Declaration of Pooled Unit – Hickman Unit is to Modify and Amend the interest pooled within the Hickman Unit boundary dimensions by replacing the Exhibit "A" from both the Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781, the Third Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208193199, and document number D208278832 and the Fourth Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208405912, and document number D209063814.

FOURTH-AMENDMENT
DECLARATION OF POOLED UNIT
HICKMAN UNIT

L0206735

STATE OF TEXAS §
§ KNOW ALL PERSONS BY THESE PRESENTS:
COUNTIES OF TARRANT §

This Amended Declaration of Pooled Unit is executed to be effective as of July 23, 2007, by the undersigned parties, who are the owners of an interest in the leasehold estates created under those certain Oil, Gas and Mineral Leases (the "Leases") which are more particularly described on Exhibit "A" attached hereto and incorporated herein by reference for all purposes, or who are the owners of an interest in the mineral estate in the lands described in the Leases, who join in the execution hereof to evidence their consent to the pooling, unitization and combination of the leases and mineral estates herein described in Exhibit "A".

RECITALS

WHEREAS, each of the Leases authorizes the lessee thereunder to pool, unitize or combine all or a portion of the lands covered thereby with other land, lands, lease, or leases, to form a pooled unit for the exploration, development and production of oil, gas and associated and constituent hydrocarbons from the lands covered by the Leases; and

WHEREAS, the pooling, unitization and combination of the Leases and mineral estates to the extent necessary to form the hereinafter described pooled unit are necessary and advisable in the judgment of the undersigned.

WHEREAS, the purpose and intent of this Fourth Amendment to the Declaration of Pooled Unit – Hickman Unit is to Modify and Amend the interest pooled within the Hickman Unit boundary dimensions by replacing the Exhibit "A" from both the Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, and the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781, and the Third Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas, as document number D208193199, and document number D208278832.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual benefits to be derived by the parties hereto and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agree as follows:

1. Declaration of Unit. In accordance with the provisions of the Leases, the undersigned do hereby declare, pool, unitize and combine the Leases, including all renewals, extensions, ratifications and

UND 715-0004

amendments thereof, and the lands covered thereby and the mineral estates therein, to the extent necessary to form and create the Unit Area described below. Production from the Unit shall be allocated proportionately among all of the tracts within the Unit in the proportion which the number of surface acres in each of such tracts bears to the total number of surface acres in the Unit.

2. Description of Unit Area. The Unit Area (herein so called) shall consist of **264.869 acres**, more or less, being the lands more particularly described on Exhibit "B", which is attached hereto and incorporated herein by reference for all purposes, and the unit shall be limited to the interval and depths lying from the surface of the earth to the base of the Barnett Shale formation **INSOFAR AND ONLY INSOFAR** as to oil, gas, and associated and constituent hydrocarbons produced from a well or wells classified as an oil well or a gas well. This Second Amendment to the Declaration of Pooled Unit – Hickman Unit covers all production from the lands described on the attached Exhibit "B" which is produced from any well drilled to the unitized interval underlying the Unit Area.

3. Unit Name. The pooled unit created hereby shall be known as the "**Hickman Unit**"

4. Additional Interest; Consent. In the event the undersigned own any leasehold interest or mineral interest other than those specifically described or referred to herein covering the lands inside the Unit Area, including any unleased mineral interest in lands inside the Unit Area, or any interest for which ratification of the pooled unit created hereby is necessary, such interest or interests are hereby pooled and combined into said pooled unit as hereby declared without the necessity of specifically enumerating such interests or the specific lands covered by such interests or in which they are held.

5. Right to Amend. The undersigned hereby expressly reserve the right, from time to time, to amend this Fourth Amendment to the Declaration of Pooled Unit – Hickman Unit, and the respective terms and provisions hereof, and to change the size and area of, and interests covered by the pooled unit described herein, including without limitation, the power (i) to change, reduce, enlarge or extend the size or configuration of the Unit Area; (ii) to include any other formation or formations and any other mineral or minerals therein, thereunder or produced therefrom, all in accordance with the terms and provisions of the Leases; (iii) to include in the pooled unit described herein or in any amendments hereto, oil, gas and mineral leases, or interests in the lands described therein, covering interests in the Unit Area, which are secured or obtained subsequent to the date hereof, or prior to the date hereof and not included and described herein, and (iv) to include in the pooled unit described herein or in any amendments hereto, full or undivided interests in the Unit Area which are not otherwise included herein by the respective owner of such full or undivided interests.

6. Dissolution of Unit. The pooled unit formed hereby may be dissolved by Chesapeake Operating, Inc., acting as the Operator of the pooled unit, at any time by an instrument filed for record in Tarrant County, Texas, after any failure to establish unit production or after cessation of operations upon the pooled unit.

7. Multiple Originals. This instrument may be executed in any number of multiple counterparts, each of which shall have the same force and effect as an original instrument executed by all of the

undersigned parties, regardless of whether such counterpart is executed prior to or subsequent to the date hereof or the filing of record of a counterpart hereof. Further, this instrument may not be ratified, consented to or approved by any party, individual, person or entity except upon the express written consent of all the undersigned parties hereto. This Fourth Amendment to the Declaration of Pooled Unit – Hickman Unit, and each counterpart or ratification hereof, shall be binding upon each party who executed the same, and shall have the effect of pooling such party's undivided ownership interest in the leases covered hereby, without regard to whether any other party owning an interest in the Leases or Unit Area may execute this instrument, or a counterpart or ratification hereof.

8. General Provisions. This instrument shall bind, inure to the benefit of, and be exercised by heirs, assigns, and successors in interest of all parties. When the context requires, singular nouns and pronouns include the plural.

Except as amended hereby, said Declaration of Pooled Unit – Hickman Unit dated the effective date of July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, document number D207267415, document number D207318508, and document number D207322771, the First-Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in three counterparts in the Official Public Records of Tarrant County, Texas, as document number D207331593, and document number D208009650, and the Second Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed as document number D208108781, and the Third Amended Declaration of Pooled Unit – Hickman Unit dated effective July 23, 2007, which was filed in two counterparts in the Official Public Records of Tarrant County, Texas as document number D208193199, and document number D208278832 remains in full force and effect.

EXECUTED by the undersigned parties on the respective dates of acknowledgment hereof, to be effective for all purposes as of the date first above written.

STATUS OF REQUIREMENTS SET FORTH IN TITLE OPINIONS

Subject Lands are addressed in fifteen different Title Opinions, each of which set forth numerous Comments and Requirements. While we have been furnished a multitude of instruments as curative instruments to address some of the Comments and Requirements set forth in the title opinions, the cover sheets from your agents contain many instances of statements that you have elected to waive certain Requirements. We trust that you have made the decision to waive such requirements after giving due consideration to the title and business risk attendant to waiving such Requirements. We have addressed certain Requirements in the "Additional Comments and Requirements" section below that we believe should be satisfied prior to distributing any proceeds from production to the relevant royalty owner.

ADDITIONAL COMMENTS AND REQUIREMENTS

COMMENT NO. 1:

Please Refer to the Title Opinions described as items 1 through 15, inclusive, under the heading "Materials Examined" above that cover the chain of title to Subject Lands described therein. The comments, requirements and qualifications set forth in such Title opinions are incorporated herein.

REQUIREMENT NO. 1:

As stated above.

COMMENT NO. 2:

Paragraph 4 of the Oil and Gas Leases that cover Subject Lands provide, generally, that Lessee has the right, at its option, either before or after production is established, to pool the lands covered by the Leases into a cooperative unit for the exploration and development of all lands included in such cooperative unit, on such terms and conditions as Lessee may consider prudent, and any such cooperative unit formed by Lessee shall consist of such amount of acreage, configuration, and number of wells, as Lessee determines at the exercise of Lessee's reasonable judgment. Paragraph 4 of the Leases also provide that Lessee has the right to revise any cooperative unit formed by expansion or contraction, or both, either before or after production is established. In exercising its authority to pool lands into a cooperative unit, or to revise the cooperative unit, the Leases require Lessee to file for record a declaration of pooling which requires the unit and the effective date of pooling. Paragraph 4 of the Leases further states that in the event of revision of the cooperative unit, the proportion of unit production on which royalties are payable shall "thereafter be adjusted accordingly". The instruments submitted for examination included an original Declaration of Pooled Unit for the Hickman Unit, with a stated effective date of July 23, 2007, which was filed for record on July 31, 2007 as Document No. D207267415 in the Official Public Records of Tarrant County, Texas, and which pooled tracts of Subject Lands totaling 182.591 acres. We have been informed that the date of first production of the mineral estate under the lands pooled as the Hickman Unit was September 5, 2007. Thereafter, the size and configuration of the Hickman Unit was revised by a First-Amendment Declaration of Pooled Unit, with a stated effective date of July 23, 2007, and which was filed for record on January 9, 2008 as Document No. D208009650 in the Official Public Records of Tarrant County, Texas, and which revised the Unit to a stated total of 176.004 acres. Under Texas law, when the oil and gas lease requires the Lessee to file for record a written declaration of pooling, the cooperative unit established by such declaration, becomes effective on the date such declaration is filed for record. Even though the First-Amended Declaration of Pooled Unit contains a statement that the effective date is intended to be July 23, 2007, due to the fact that (1) the Leases containing a provision requiring the filing of a written declaration of pooling, and (2) the Leases containing a provision that in the event of revision of the cooperative unit, the proportion of unit production on which royalties are payable shall *thereafter* be adjusted accordingly, it is our opinion that the royalties payable under the Leases for production for the period from September 5, 2007 through January 9, 2008, should be paid in accordance with the provisions of the original Declaration of Pooled Unit, and the royalties payable from production from the Unit for the period from January 10, 2008, until the time such Unit is further revised by a written declaration, should be paid in accordance with the provisions of the First-Amended Declaration of Pooled Unit. At your request, in the "Royalty" section hereinabove, we have set forth only the division of royalty for the Unit as established by the First-Amendment Declaration of Pooled Unit.

REQUIREMENT NO. 2:

In the event that you wish for us to provide royalty information for the Unit as established by the original Declaration of Pooled Unit, please advise us of such fact.

COMMENT NO. 3:

Except as noted in the Title Opinions identified in items 1 through 15, inclusive, in the "Materials Examined" section hereinabove, the minerals underlying the roads, streets and highways adjacent to and within the exterior boundaries of the Subject Lands are owned by the owners of the adjacent and abutting tracts, each owning to the centerline of the abutting street, road, or highway. We further noted in such Title Opinions, that except as noted therein, the Leases covering Subject Lands purport to cover only the tract or tracts described in such Lease, but they contain a "Mother Hubbard" clause that is sufficient to include within such lease the interest in the minerals underlying any adjacent roads, streets and highways which is owned by the Lessor of such lease. You have informed us that you have obtained leases from the General Land Office of the State of Texas covering a portion of Valkus Street, and a portion of Lancaster Avenue, and that you intend to revise the Hickman Unit by inclusion of such portions of such streets, as well as other lands.

REQUIREMENT NO 3:

In the event that the Hickman Unit is revised in the future by a written declaration filed for record, you should submit a copy of the recorded written declaration revising the Hickman Unit for examination, at which time a supplemental opinion will be issued.

COMMENT NO. 4:

We have been informed by your agents at Dale Property Services, LLC and Dale Resources, LLC, that although the public records of Tarrant County, Texas reflect that 100% of the leasehold interest in the Leases that cover Subject Lands is vested in Chesapeake Exploration, LLC, all Working Interest Owners identified in the "Working Interest" section hereinabove entered into a Participation Agreement that covers the Leases and lands included in the Hickman Unit, and pursuant to which the identified Working Interest Owners are entitled to an assignment of working interest in the leases in an amount that is dependant upon whether the assignment was made before or after payout. Your agents have further informed us that a declaration of payout dated December 21, 2007 was issued, and have furnished us with the division of working interest based upon such prior payout. We have relied upon the information provided by your agents in arriving at the opinions set forth in this Opinion. Furthermore, the Working Interest ownership set forth in the "Working Interest" section hereinabove is contingent upon an assignment of such working interests pursuant to the Participation Agreement between the working interest participants.

REQUIREMENT NO. 4A:

In the event that you are not satisfied in our reliance upon the information furnished by your agents, at Dale Property Services, LLC and Dale Resources, LLC, please advise us of that fact.

REQUIREMENT NO. 4B:

Pursuant to the provisions of the Participation Agreement, Chesapeake Exploration, L.L.C. should execute an assignment of the agreed percentage of working interest in the Leases covering Subject Lands contained within the boundaries of the Hickman Unit, file the assignment for record in the Official Public Records of Tarrant County, Texas, and furnish a copy of such recorded assignment for examination.

COMMENT NO. 5:

The Hickman Unit, as currently composed pursuant to the First-Amended Declaration of Pooled Unit, is comprised of lands and leases within the West Gateway AMI, together with lands covered by the Perfect Performance Products, LLC Lease (Tract Forty-Two herein), the Bradley F. Peden, et ux Lease (Tract Fifty-Three herein), and one tract covered by the Rose Daniel I, LP Lease (Tract Forty-Eight herein), which leases are West Fork Excluded AMI leases. The West Gateway AMI Leases are burdened with overriding royalty interests of (1) 1.0% to Dale Employee Retirement Plan pursuant to the Assignments of such Leases to Chesapeake Exploration Limited Partnership, and (2) 3% to SC Energy, Ltd. pursuant to Paragraph 12 of the Oil and Gas Lease from SC Energy, Ltd. (being a drillsite override). The West Fork Excluded Leases are burdened with overriding royalties of (1) 0.6% to Dale Employee Retirement Plan pursuant to the Assignments of such Leases to Chesapeake Exploration Limited Partnership, and (2) 3% to Thor Partners, L.P., pursuant to an Agreement. We have been informed by your agents at Dale Property Services, LLC and Dale Resources, LLC, (1) that although the West Fork Excluded Leases are not subject to the 3% overriding royalty interest to SC Energy, Ltd. for the drillsite, the assignment of working interest to the working interest partners will include the SC Energy, Ltd. override as a "Permitted Encumberance", and (2) that Chesapeake Exploration, L.L.C. is to be burdened with an additional 0.4% overriding interest to Dale Employee Retirement Plan in the Rosie Daniel I, LP West Fork Excluded AMI tract (Tract Forty-Eight herein). We have relied upon the information provided by your agents in arriving at the opinions set forth in this Opinion.

REQUIREMENT NO. 5A:

In the event that you are not satisfied in our reliance upon the information furnished by your agents, at Dale Property Services, LLC and Dale Resources, LLC, please advise us of that fact.

REQUIREMENT NO. 5B:

In the event that any of the facts set forth in Comment No. 5 is incorrect, or in the event that the West Fork Excluded AMI working interest owners do not agree to having the West Fork Excluded AMI tracts burdened with a 3% overriding royalty interest to SC Energy, Ltd. as a "Permitted Encumberance" as anticipated, please advise us of such fact.

COMMENT NO. 6:

The First-Amendment Declaration of Pooled Unit, recorded as Document No. D208009650, Official Public Records, Tarrant County, Texas erroneously lists Barney Robinson as the owner of the mineral estate under Tract Fifteen of Subject Lands, when the correct owner is Union Pacific Railroad Company, which is the royalty owner credited with Tract Fifteen in the "Royalty" section hereinabove.

REQUIREMENT NO. 6:

Out of an abundance of caution, you should execute and file for record a Corrected First-Amendment Declaration of Pooled Unit which lists Union Pacific Railroad Company as the owner of the mineral estate under Tract Fifteen of Subject Lands.

COMMENT NO. 7:

The First-Amendment Declaration of Pooled Unit, recorded as Document No. D208009650, Official Public Records, Tarrant County, Texas, erroneously lists "Tarrant County Water Control District" as the owner of the mineral estate under Tract Thirty-Six of Subject Lands. As set forth in Comment No. 5 of the Title Opinion dated July 23, 2007, the boundary line between Tract 1 described in the Title Opinion (Tract Thirty-Five herein) and Tract 2 described in the Title Opinion (Tract Thirty-Seven herein) is the center of Sycamore Creek. Therefore, the mineral estate under Tract Thirty-Six of Subject Lands is owned one-half by TXU Mineral Development Co. I, LP and TXU Mineral Development Co. II, LP and one-half by James L. Bilderback and wife, Sonia Bilderback, as credited in the "Royalty" section hereinabove.

REQUIREMENT NO. 7:

You should execute and file for record a Corrected First-Amendment Declaration of Pooled Unit which lists TXU Mineral Development Co. I, LP and TXU Mineral Development Co. II, LP as the owners of the mineral estate under that portion of Tract Thirty-Six of Subject Lands which lies West of the centerline of Sycamore Creek, and James L. Bilderback and wife Sonia Bilderback as the owners of the mineral estate under that portion of Tract Thirty-Six of Subject Lands which lies East of the centerline of Sycamore Creek.

COMMENT NO. 8:

In the Title Opinions listed as items 1 through 15 in the "Materials Examined" section hereinabove, we set forth the liens that affected the mineral estates under Subject Lands, and set forth requirements that such liens be subordinated to the Base Leases by the lienholder. The supplemental instruments contained subordinations for many of the referenced liens, but not all.

REQUIREMENT NO. 8:

You should closely monitor and continue the process of obtaining subordination agreements from all lienholders, and file the subordination agreements for record in the Official Public Records of Tarrant County, Texas.

COMMENT NO. 9:

The curative instruments submitted for examination were voluminous, and satisfied many, but not all, of the requirements set forth in the Title Opinions identified as items 1 through 15 in the "Materials Examined" section hereinabove. Although not all requirements have been satisfied, pursuant to the prior agreement for abbreviated examinations, we have not addressed any of the title defects or unsatisfied requirements set forth in the Title Opinions if such defects have been cured by limitations, or do not pose a serious threat to the title supporting the Base Leases.

REQUIREMENT NO. 9:

Advisory only.

COMMENT NO. 10:

Record title to Tract Twenty of Subject Lands is vested on Bobby E. Choate. The Base Lease covering Tract Twenty of Subject Lands was executed by "Elva Lee Choate, a widow". We have not been furnished either the probate proceedings concerning the Estate of Bobby E. Choate, Deceased, or an affidavit concerning the marital history and heirship concerning Bobby E. Choate.

REQUIREMENT NO. 10:

The royalty payable to Elva Lee Choate should be placed in suspense until it can be confirmed that the ownership interest of Bobby E. Choate in the mineral estate under Tract Twenty of Subject Lands is now vested in Elva Lee Choate. You should obtain and submit for examination either the probate proceedings concerning the Estate of Bobby E. Choate, Deceased, or an affidavit concerning the marital history and heirship concerning Bobby E. Choate.

COMMENT NO. 11:

Prior to distributing any proceeds of production from Subject Lands and subject to the satisfaction of the requirements set forth herein, you should receive a duly executed division order from each of the owners of interest in production from the Subject Lands as set forth above under the heading "Consolidated Division of Interest for Division Order Purposes."

REQUIREMENT NO. 11:

As stated above. We direct your attention to Section 91.402 of the Texas Natural Resources Code, which describes the statutory prerequisites of and limitations to division orders in general and addresses the obligations of an owner of interest to execute a division order prior to his right to receive proceeds of production.

LIMITATIONS

This Opinion does not cover (i) minerals other than oil, gas, and associated hydrocarbons; (ii) the location of the property on the ground, questions of boundary conflicts with adjacent surveys, matters of area or any other matters which are discoverable or resolved by survey; (iii) the genuineness, authenticity or enforceability of any instruments relied upon; or (iv) any other matters not discoverable with ordinary professional care by methods of examination described. This Opinion is subject to the rights of parties in possession, any applicable bankruptcy or insolvency laws, liens for taxes not yet due, statutory and constitutional mechanic's and materialman's liens not of record, enforcement of regulations or orders by any governmental authority having jurisdiction over the property, capacity or competency of parties, forgery, fraud, delivery, and alteration after delivery. This Opinion assumes the authorization of all parties executing instruments in any representative capacity. This Opinion may not be used in connection with any transaction subject to federal or state laws regulating the issuance or sale of securities. This Opinion does not cover any instruments which are not listed in the Runsheet. This Opinion is subject to all comments, qualifications, limitations and disclaimers set forth in the Runsheet. All recording references herein are to the applicable records of Tarrant County, Texas. The plat of the Subject Lands attached as an exhibit to this Opinion is for informational purposes only and is not intended to be an accurate depiction or description of the Subject Lands or the exterior boundaries of the Subject Lands. This Opinion is rendered solely for the benefit of the addressee and may not be relied on by any other person or entity for any purpose.

Please contact J. Patrick Murphy at (817) 877-3352 if you have any questions or comments concerning this Opinion or the comments and requirements set forth herein.
