Dear Sir - Owing to the fact that you now refuse to patent surveys made by virtue of Confederate Scrip Nos. 1258 H. W. Wells,
1473 Elbert Carter, 1099 G. B. Kennedy and 659 Mrs. M. C. Williams until there is some legislative action had with reference to such locations. We request that you either let us withdraw the connected field notes of said locations filed by us some time ago (wherein we appropriated $\frac{1}{2}$ of said locations to the school fund) or that they be considered as not applied until some action is had on
