 ning July the 5th A. D. 1851

John K. Hart Chain W. M. James
 Marian Goodby Men Deputy Surveyor
 for Houston District

J. W. James Deputy Surveyor for Houston district
do solemnly swear under the oath of my office that
the survey designated by the foregoing plat and
field notes was made by me on the 8th day of July
A.D. 1851 in accordance with law and that the
lines corners and courses of the same together
with the marks natural and artificial are truly
as described therein in witness my hand this
14th day of July A.D. 1851 W. M. James
Deputy Surveyor
for Houston district

J. H. Hollard District Surveyor for Houston
District hereby certify that I have examined
the foregoing plat and field notes and
find them correct and the survey made
according to law, the same is recorded in
Book C. 95- July the 15th 1851. J. H. Hollard
District Surveyor
for Houston District

Mr Geo. H. Smyth Care Sir I send these field notes
and wish you to apply them on my headright certifi-
cate which is in your office and surveyed on the
Grogg League and consequently have lifted the
south half of my 640 Acre survey on said League
and to your satisfaction at liberty to patent as it
I sent with last set of field notes \$1.00 which will
pay for patent on these 320 acres you will please
send patent by mail to Crockett Co
July the 15th 1851. Yours Truly

Oct the 26th 1853

I W. M. James District Surveyor for Haustan district do Here By Certify that I from an Examination in the Field By an actual Survey and Measurement I find ^{that} Charles Mc Henry Ellices Survey of 520 Acres which was Surveyed Originally by me and patented by Commissionsers Smytht Begins at a Point which is S 45 W 490 Varas and S 45 E 1244 Varas from the South Corner of John Walkers Survey of 26 Labars as per Sketch

W. M. James
D. S. H. A

Mr. Crosby Dear Sir

Herewith please find the pattern of Mr Ellice Survey of 520 Acres of Land which he wishes you to correct so as to correspond with the above stated connection the corresponding correction is made on the Records of this office as you already have the field notes and a Re Survey want only the connection I donat see the propriety in making a Re Survey if this information does not answer advise me immediately and I will go down and Resurvey the same
Yours Truly
W. M. James

There was no error of this office in patenting the claim. The patent corresponds with the field notes & map and can not be changed without being canceled - We have no right to cancel it.
