Cert issued for 4428 acres

By virtue of orig cert 3 surveys were made  
3590 acres in Mil S-858 ptd

125 " " " " 873 ptd

712 " " " " 873 abandoned

After the surveys of 3590 and 125 acres were ptd, an unlocated balance certificate was issued April 24/67 for 713 acres.

The issuance of the unlocated Balance was in fact an abandonment of the 712 acre survey. The U/B. Cert. was owned by Jennie De Cordova, and the abandonment was effected by Jacob De Cordova, her agent and kinsman, hence his right to abandon cannot be very well questioned. Subsequent to the issuance of the U/B. Cert. both the owner & the office have recognized the abandonment of survey of 712 acres in Mil S-873, by the location and patenting the survey of 180 acres on the U/B. Cert. in Mil S-907. Hence the survey of 712 acres is abandoned. Robinson
