The State of Texas,

County of Bosque

Before Me, the undersigned County Clerk in and for the County aforesaid, this day came and personally appeared Edmond Snell (fame) a resident citizen of said County, who being by me duly sworn, declares that he is a bona fide settler upon 160 acres of vacant public land, situated in said County, and surveyed for Edmond Snell on the 1st day of October 1878, by L. H. Scrutcherfield a Surveyor of said County: that he has occupied and improved the same as a Homestead for a period of three consecutive years, beginning on the 1st day of Oct 1878, that he is married and that he makes this affidavit for the purpose of obtaining a title to the same for a Homestead, under an Act supplementary to "An Act for the Benefit of Actual Occupants of the Public Lands," approved May 26th, 1873, and Acts prior thereto; and that he has not a Homestead other than the above.

AND, also, at the same time came and personally appeared J. M. Robertson and S. B. Swann, two credible resident citizens of said County, to me well known, who being duly sworn, depose and say that Edmond Snell the person first above named in this affidavit, has actually settled upon and cultivated as a Homestead, the land surveyed for him on the 1st day of Oct 1878, by the Surveyor aforesaid, for the period of three years, and they, nor either of them, have any interest in the said land.
