Sir

In reference to your card, dated
June 26th 1874. I would hereby certify
that there is no pre-emption known
in this county in the name of
Larson. Such a survey has been
made but the pre-emptionist
has made no sign and is not
and has never been on the land.
The survey is shown on the
Books, but the man is not
in the county. If there is any
error in the Person corner
I have not been able to find
it.

Respectfully,

L. A. Southfield.
