authority on this day personally  
appeared R. Dysart who after  
being by me duly sworn on his

Affiant further certifies  
that his said father has  
long since abandoned  
said 160 acres, and that  
he never did in truth  
and in fact live on it,  
but simply cut some  
poles on the land which  
he afterwards sold.
