Corrected fieldnotes

Proof of Settlement under Homestead Act.

The State of Texas,

County of Bosque

Before Me, the undersigned Geo Clerk in and for the County aforesaid, this day came and personally appeared A. Danner a resident citizen of said County, who being by me duly sworn, declares that he is a bona fide settler upon 160

acres of vacant public land, situated in said County, and surveyed for him on the 18th day of Decr 1872, by L. H. Scutchfield

a Surveyor of said County: that he has occupied and improved the same as a Homestead for a period of three consecutive years, beginning on the 8th day of Oct 1873 that he is married and that he makes this affidavit for the purpose of obtaining a title to the same for a Homestead, under an Act supplementary to "An Act for the Benefit of Actual Occupants of the Public Lands," approved May 26th, 1873, and Acts prior thereto; and that he has not a Homestead other than the above.

AND, also, at the same time came and personally appeared K. Grinland and S. Jensen, two credible resident citizens of said County, to me well known, who being duly sworn, depose and say that A. Danner the person first above named in this affidavit, has actually settled upon and cultivated as a Homestead, the land surveyed for him on the 18th day of Decr 1872, by the Surveyor aforesaid, for the period of three years, and they, nor either of them, have any interest in the said land.

A. Danner
K. Grinland
S. Jensen

Sworn to and subscribed before me, and I hereby certify that K. Grinland and S. Jensen are credible and trustworthy citizens of said County.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of said County, at office, this 25th day of Feb 1878.
