Certificate No.

Mgl.

General Land Office,

Austin, Texas. *March 31st* 1874

J. J. Groves

I ~~JACOB KEUBLER~~, Commissioner of the General Land Office of the State of Texas, do hereby certify that the annexed is a correct and true copy of the Original Certificate on file in this office, and that the field Notes of a Survey, located in *Posque*... county, made by virtue of the aforesaid Certificate, have been returned to this office, and ~~having been found to conflict with~~

and abandoned and account of conflict

that this Copy is floated in lieu of the original Certificate, for re-location, but without any prejudice to the rights of any person by virtue of such Certificate, in accordance with an act, entitled "An Act, to better protect the Papers,, Record and Files in the General Land Office." Approved June 2, 1873.

IN TESTIMONY WHEREOF *I hereunto set my hand and affix the impress of the seal of said office, the day and date above written,*

J. J. Groves
Commissioner.

N^o 815. State of Texas 320 Acres

Know all men to whom these presents shall come, That Richard G. Wyatt having served faithfully and honorably in the army of the Republic of Texas, for the term of ^{Months} from the Twenty fifth day of December 1835 until the first day of February 1836 and having received an honorable discharge is entitled to two hundred and twenty acres Bounty Land for which this is his Certificate And the said Richard G. Wyatt is entitled to hold said Land; or to Sub, Alienate, Convey and donate the same, and to exercise all rights of ownership over it.

In Testimony whereof I have hereunto set my hand at Austin this Twelfth day of May 1857

The State of Texas, J. L. A. Scrutcher
County of Bosque Deputy Surveyor
Bosque County,
do hereby certify that the 197 acre
Survey made for Mary O. Heiler,
assignee of Rehd. & Wyatt, by me,
does not conflict with the Holcomb
and Peck surveys, the lines of the
Holcomb and Peck, and John Sewell's
surveys being found. And the distance
as given in ^{my} field notes is correct
Survey for 98 acres, said to be in
conflict with Johnson's survey, does
not come within 400 yds of that
survey, by actual measurement
Survey for 25 acres is correct ^{and}
not in conflict with the ^{Survey} Grimland
as found by actual measurement
by myself, and also by Ward
Keeler, late County Surveyor.

In reply to yours of 30th June 1874
G. W. Dillard

you say that the 1724 Aco is correct
but is not summoned

It was summoned at the
time it was being by a file of
Sarwell & Miller the said file still
remains

1724 Aco I have submitted to Mr
W^m Mabouly the County Surges but
will do so again he certifies that
the filed note or record balances & that
there is no error but I will inform
myself & let you know

As to the transfer I will
send you to Mr Corrie & let him
attend to it himself

Yours truly

J. H. Sautchick
