Comm. General Land office

Dear Sir I herewith Enclose Field Note  
for 100. Acres of Land for Isaac Harold Spencer  
and also the Patent fee and wish the Patent  
forwarded to me by mail at your earliest  
Convenience.

Also please return the Certificate for future  
location of the balance <sup>mulam 3<sup>rd</sup></sup> 1968

I also send Corrections for the Survey of  
Otho Swenson & A Greenland 1966

Swensons Survey <sup>is</sup> in Error in that  
on the East line it calls for 990 Varas when it is  
actually 1200 vs on the Ground

The Error in Greenlands Survey is that it  
calls for 2660 vs. in length when it is only 2509 vs.

hoping these Corrections may remedy the  
Errors.

I remain yours truly

Ward Keeler

County Surveyor Bly

P.S. Will you please give me information how a small  
Island in the "Mrazas River" can be located lying  
between the Counties of Bosque & Johnson  
of N.K.
