Report of Surveyor on work to locate the
 A. A. Crane Survey. I found the original
 S. E. Cor. of the Andrew Lee as reported by W. M.
 Cox who was present when surveyed; it was also shown
 another Cor. 83^m N. of this & said to be the true S. E.
 Cor. & at the Crabtree Cor. From this ran S 61° W
 & struck E. side of W. M. Cox 83^m N 38° W. of fence
 Cor. at pile of rocks & claimed as S. E. Cor. Cox - Ran
 East line of Cox & at 319^m crossed S. Young Co. Cr. & at 950
 m. found old corner rock pile. From this Cor. reverse
 ran back S 30° E. 602^m to S. E. Cor. Dillard
 228^{1/2} a. Survey. & continuing same course found
 the distance to the true N. line Wm Crabtree to
 be 866^m making the vacancy 264^m wide (N & S.)
 & 395^m (E & W). Certified to as correct

TEXAS PUB. BUREAU, FORT WORTH.

To the Com. Genl Land Office.
I, H. S. Dillard Co. Surveyor of Bosque Co.
do hereby certify that the 18 1/2 a. Survey filed
on under Scrap Land act & surveyed by me for
A. A. Conine was enclosed at the time of my
Survey, separate & apart from all other lands, &
that it was understood, at the time, to be an
enclosure made by said Conine to designate a
strip of vacant land ~~not~~ included in neither
the Giff Smith pasture nor the enclosure of Mrs
Conine - mother of applicant -
