No. *936*

1280 Acres.

GENERAL LAND OFFICE,

Austin, Texas, September 25, 1881

This is to Certify, that *Mrs. P. C. Lathaw* is entitled to have surveyed by any legally authorized Surveyor, upon any of the vacant, unreserved and unappropriated public domain of the State of Texas, *Twelve Hundred and Eighty Acres of Land* in accordance with the provisions of an act entitled

"An act granting to *P. C. Lathaw* who have been permanently disabled by reason of wounds received while in the service of this State, or of the Confederate States, a land certificate for *Twelve Hundred and Eighty Acres of land,*" approved April 9, 1881, said *P. C. Lathaw* having made the *location* required by said act.

and shall be located *in* of this State for the benefit of the permanent School Fund, either location shall be patented, and both locations shall be made upon any of the Public Domain of this State not reserved by law from location.

In Testimony Whereof, I herunto set my hand and affix the impress of the seal of said office, the date first above written.

Course survey of 850
Acres in name Geo. Peoples
Noch 1st Class 1193.

Map indicates excess.
Corrected F/Notes required
This sur. has been sold
as 931 acres, on the
theory that the said
Peoples is good for
1 labor (177 acres) & this
should exclude said
acreage -

If that be the case
then the correction of
this should exclude
said 177 acres. If the
Peoples is invalid, then
this should take in
all the territory in its
original bounds.

APPLICATION TO PURCHASE EXCESS ACREAGE

(TITLED OR PATENTED SURVEYS)

RECEIVED
DEC 9 1955
GENERAL LAND OFFICE

TO THE COMMISSIONER OF THE GENERAL LAND OFFICE, AUSTIN, TEXAS:

1. I hereby apply to purchase for cash the excess acreage within the following described survey, the area of which is believed to exceed the quantity called for in the patent, under the provisions of Sec. 4 of House Bill No. 9, passed at the Regular Session of the Forty-sixth Legislature, and approved June 19, 1939.

2. The said tract of land is known as Mrs. P. C. Latham Survey, A-964, McCoy Sec. 13 48
Survey No. _____, Block No. _____, Certificate No. 936,
Tsp. No. _____, situated in Cherokee County, Texas,
about 11.7 miles S67°15'W from Rusk,
the county seat.

3. I am the owner of _____ a full interest in said survey, having acquired the same by (Indicate briefly the source of your title.) deed dated January 5, 1917, from North Texas Lumber Company to Southern Pine Lumber Company, which deed is recorded in Volume 73, page 544, of the Deed Records of Cherokee County, Texas.

and I am therefore entitled to pay for such excess acreage as actually exists within such survey at such price as the School Land Board may fix.

4. I hereby request an appraisalment of said land as is fully described by corrected field notes of this survey which accompany this application—(or) now on file in the General Land Office.

CORRECTED FIELD NOTES of a survey of

1397.99 acres of land for

Southern Pine Lumber Company

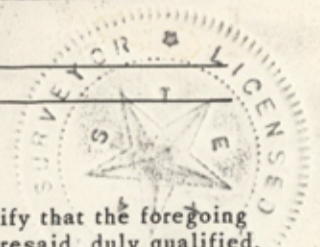

by virtue of Section 4 of House Bill No. 9, passed at the Regular Session of the Forty-sixth Legislature, and approved June 19, 1939, regulating the sale of excess acreage in titled or patented surveys. Said land is situated in Cherokee County, about 11.7 miles S 67° 15' W from Rusk, the county seat, and is described by metes and bounds as follows, to-wit:

Beginning at

to the place of beginning

Variation 8° 30' E
 Bearings marked X
 Surveyed October 26, , 19 55

Chain Carriers G. K. Myrhaugen
L. J. Huffman

I, W. B. Chambers, Licensed State Land Surveyor, do hereby certify that the foregoing survey was made by me on the ground, according to law, on the date and with the chain carriers aforesaid, duly qualified, and that the limits, corners, and boundaries with the marks of the same, natural and artificial, are truly and correctly described and set forth in the foregoing Plat and Field Notes, just as I found them on the ground.

This 2nd day of Dec., 19 55

W. B. Chambers
 Licensed State Land Surveyor

Filed for record in my office, the 2nd day of December 19 55, at 5:00 o'clock P. M., and duly recorded the 2nd day of December 19 55, in Book 1, Page 417 of the County Surveyors Records of Cherokee County, Texas.

ACCEPTANCE OF TERMS OF SALE OF EXCESS ACREAGE

(Titled or Patented Surveys)

Diboll, Texas, February 22, 1956

TO THE COMMISSIONER OF THE GENERAL LAND OFFICE, AUSTIN, TEXAS:

I hereby accept the terms of sale of 294.99 acres of land as excess acreage within the tract of land hereinafter described as stated in your letter dated January 30, 1956, and apply for a Deed of Acquittance to the same under the provisions of Section 4 of House Bill No. 9, passed by the Regular Session of the Forty-sixth Legislature, and approved June 19, 1939.

The said tract of land is situated in Cherokee County, Texas, about 11.7 miles S 67 deg. W from Ruck, the county seat, and is briefly described as follows, to-wit:

<u>Survey</u>	<u>No.</u>	<u>Block No.</u>	<u>Certificate No.</u>
Mrs. P. C. Latham			936

<u>Tsp. No.</u>	<u>Excess Acreage</u>	<u>Acres in Survey</u>	<u>Classification</u>
	294.99	1397.99	

I agree to pay for said 294.99 acres of land the price of \$18.00 Dollars per acre as fixed by the School Land Board, and I hereby enclose the sum of \$5,309.82 Dollars as the cash payment therefor.

I further agree that the sale of such excess acreage is made without mineral reservation to the State.

I further agree that the sale shall inure distributively to the benefit of the true and lawful owners of said survey in proportion to their holdings.

SOUTHERN PINE LUMBER COMPANY

NOTARY PUBLIC IN AND FOR
ANGELINA

County, Texas

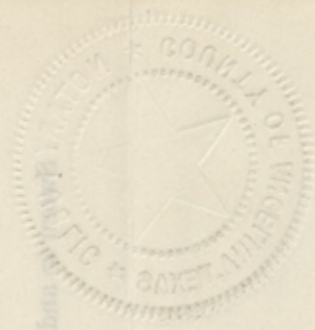

IMPORTANT NOTICE

*NOTE: The stipulation with reference to the reservation of minerals contained in the letter referred to in the first paragraph of this Acceptance of Terms of Sale should be included in this space.

The sale of excess acreage is made in every instance with such reservation of minerals, or with no mineral reservation, accordingly as may have been the case when the survey was titled or patented.

37923

37924

NOTE: The application will reference to the reservation of minerals contained in the laws referred to in the first two sections, accordingly no map shall be filed when the survey was filed or patented. The sale of excess acreage is made in every instance with such reservation of interests of all mineral owners except of the purchase of lands of this State, as indicated in this space.

January 30, 1956

Southern Pine Lumber Company
Diboll, Texas

Attention: Mr. Arthur Temple, Jr. President

Gentlemen:

The School Land Board, at a meeting held in my office January 26, 1956, fixed a price of \$18.00 per acre at which you may pay for the excess of 294.99 acres in the P. C. Latham Survey, Certificate 936, Cherokee County. This price is based on the information submitted in your questionnaire.

A form of acceptance is enclosed, which you should sign before some officer authorized to administer an oath. When this acceptance is executed, it should be returned to me together with the sum of \$5,309.82, which according to my calculation, is the amount due on the excess acreage listed above. Under the present law, we are required to charge a fee for issuing Deeds of Acquittance; in this case, that fee is \$10.00, which may be included in the check for the payment of the land. The check for the above amounts should be made payable to the State Treasurer.

In addition to this sum, it will be necessary to forward a separate check for \$1.04 to defray the expense of recording the Deed of Acquittance in Cherokee County. The check for this latter sum should be made payable to the Commissioner of the General Land Office.

Upon receipt of the acceptance properly executed and the sums above mentioned, a Deed of Acquittance will be issued and forwarded to the County Clerk for recording with instructions to forward to you when the same is recorded.

Sincerely yours,

EARL RUDDER, COMMISSIONER

Austin. Feb. 24, 1909.

J. T. ROBISON, COMMISSIONER.
J. H. WALKER, CHIEF CLERK.

Mr. I. D. Fairchild,
Lufkin, Texas.

Dear Sir:

Confirming my telegram of yesterday, you are advised that the Thompson survey in Cherokee Co. has been passed for patent to J. E. Stevenson and patent will be mailed as soon as written and signed. If you desire this patent delivered to you, it will be necessary for you to file in this office order for such delivery signed by Mr. Stevenson.

Relative to the P. C. Latham survey, cert. 936, you are advised that this survey contains 1108 acres. Mr. J. E. Stevenson and H. E. Street filed application in this office March 17, 1906, to purchase timber on this section as containing 1108 acres. The Latham survey covers a survey of 850 acres, being one of the surveys made by virtue of certificate No. 224, issued to Jno Peoples for one league and one labor of land. The Jno. Peoples's certificate, however, was only recommended for one labor, and the owners of the Jno. Peoples's certificate would be entitled to one labor, or 177 acres, out of the surveys made by virtue of this certificate, and the examiner at that time was of the opinion that this 177 acres should be taken out

L. THORISON, COMMISSIONER
J. H. WALKER, CHIEF CLERK

Dear Sir:

Confirming my telegram of yesterday, you are advised that the Thompson survey in Cherokee Co. has been passed for patent to J. E. Stevenson and patent will be mailed as soon as written and signed. If you desire this patent delivered to you, it will be necessary for you to file in this office order for each delivery signed by Mr. Stevenson.

Relative to the P. G. Latham survey, tract 236, you are advised that this survey contains 1108 acres. Mr. J. Stevenson and Mr. E. Green filed application in this office March 17, 1909, to purchase timber on this section as containing 1108 acres. The Latham survey covers a survey of 850 acres, being one of the surveys made by virtue of certificate No. 234, issued to the People for one league and one labor of land. The Jno. People's certificate, however, was only recommended for one labor, and the owners of the Jno. People's certificate would be entitled to one labor, or 177 acres, out of the surveys made by virtue of this certificate, and the examiner at that time was of the opinion that this 177 acres should be taken out of the survey.

of the P. C. Latham survey, thus reducing it to 931 acres., upon which basis the sale of this timber was made. Upon further examination of these claims it is found that there were six surveys made by virtue of certificate No. 224 Jno. Peoples, and this ~~xxxxxx~~ certificate being entitled to only 177 acres, such survey of one labor should be taken out of the first survey made by virtue of this certificate, and as near as can be determined from the records of this office the first survey made by virtue of this certificate appears to be covered by the J. H. Lindsey pre-emption survey of 139 acres, and patent has been refused on said Lindsey survey upon the ground that it was inferior to the Peoples. Most of the labor to which the Peoples certificate was entitled having been absorbed by this survey, it would not be entitled to any of the land covered by the P. C. Latham, and therefore this survey should be sold as containing all of the land embraced within the original bounds of this tract. The map indicates that the Latham survey is excessive and therefore before patent can issue it will be necessary to have a resurvey made of the Latham, taking in all of the territory in its original bounds. When field notes of such resurvey are filed in this office and the area of this section determined you should then make payment at the state treasury for land and timber at the original purchase price over and above the 931 acres, payment for which has been made.
