Dear Sir

I am in receipt of your valued favor of 5/12th in reference to M. Demagins application and in reply will say that None of said 6.2 acres of land is within inclosure of settler except about $\frac{1}{6}$ of an acre on extreme N. E. angle of same - near corner of J. W.

Packer survey. Will this constitute a preference claim? If not I am prepared to make affidavit required by your office. In addition I may say that party who now owns J. W. Packer survey & party who has $\frac{1}{6}$ ² undivided told me at time I surveyed land that he would
