THE STATE OF TEXAS,

County of Grayson

N^o 56
TO ALL WHOM IT MAY CONCERN:

Be it known, That, on the 23rd day of April A. D., 1850 came Uriah Burns, Administrator of the Estate of Alexander Thompson deceased, and claimed three hundred and Twenty acres of land for the Heirs of the said Thompson deceased, he having been a settler in the Colony granted to Peters and others. Whereupon the aforesaid Burns took and subscribed the following oath, viz:

I, Uriah Burns Administrator of the Estate of Alexander Thompson deceased, do solemnly swear, that to the best of my knowledge and belief, the said Thompson never received any land from the State of Coahuila and Texas, nor from the Republic or State of Texas, and that he emigrated to Texas and entered the Colony which was granted to Peters and others, as a Colonist, on the 1st of July 1848. And he was then over seventeen years of age, and that he continued and remained a settler in said Colony to the time of his decease, and performed all the duties required of him as a good citizen. So help me God.

Uriah Burns

Be it further known. The facts set forth in the foregoing affidavit are fully corroborated by testimony given on oath by the persons who hereunto sign their names.

Wm Ditch

Jepptha S. Burns

Be it further known. The Heirs of Alexander Thompson deceased, are entitled to three hundred and Twenty acres of land within the limits of said Colony, the said A. Thompson having emigrated to the Colony under the Second contract.

The land selected by said deceased has been surveyed by the Colony Contractors, but cannot be herein designated, there being no map or field notes of the Colony in possession of the Commissioner. Therefore the Heirs and legal Representatives of said deceased, are entitled to have said lands surveyed by the County or District Surveyor. Committed that this claim shall not be transferred.

I, THOMAS WILLIAM WARD, Commissioner, duly appointed and qualified under the provisions of an Act of the Legislature, entitled "An Act to secure to all actual settlers within the limits of the Colony granted to Peters and others, commonly known as Peters' Colony, the land to which they are entitled as Colonists," do hereby certify that the within is a true copy of the entry in my Record Book,

IN TESTIMONY WHEREOF, I hereunto sign my name and make the impress of my Official Seal, at the town of Shuman this 23rd day of April A. D. 1850.
