All sales shall be made by the Commissioner of the General Land Office, or under his direction, and he shall prescribe suitable regulations whereby all purchasers shall be required to reside upon as a home the land purchased by them for three consecutive years next succeeding the date of their purchase, except when otherwise provided. Such regulations shall require the purchaser to reside upon the land for three consecutive years herein mentioned, and to make proper proof of such residence and occupancy to the Commissioner of the General Land Office within two years next after the expiration of said three years, by his affidavit, corroborated by the affidavits of three disinterested and credible persons, to be certified by some officer authorized to administer oaths, and on making such proof the Commissioner shall issue to the purchaser, his heirs and assigns, a certificate showing that fact. If, however, any purchaser has sold his purchase, or any part thereof, his vendee shall be permitted to compute the time of the occupancy of his vendor as a part of his own occupancy; and if any person has sold the whole or any part of his purchase under this or any former law, his vendee, or if he refuses to do so, the vendor himself, may make proof of occupancy as provided herein.
