State on oath that we were with A. M. & Stark
County Surveyor of said Orange County Texas
on the 8th day April 1901 and assisted him
to run out the line of the David Odum Sur-
vey and the D. J. Natgras 1280 over State School
survey and we state that said surveys do not have
any point connect with each other and that
there is a strip of land 3600 or more wide between the
west line of said David Odum survey and the
East line of said D. J. Natgras survey: we fur-
ther state that no part of the improvements
of M. Beauchamp are upon said D. J. Natgras
survey and that all of said Beauchamp improve-
ments are up said strip of land which lies

Dear Sir:- Your application to the County Surveyor of Orange County calling for survey No. ---, Block No. ---, 137 acres of land in Orange county, together with the field notes rendered in accordance therewith, have been received, examined and action in the matter suspended awaiting receipt of the following corrections and information:

The County Surveyor and his deputy have made surveys showing the J. Robinson pre-emption in two positions. Field notes for this survey place it adjoining the Jno. S. Norris and establish this between it and the Harvey Vanway pre-emption. Field notes of N. O. Brenizer's 126.8 acres place it adjoining Harvey Vanway and establish Brenizer's survey between it and the Norris. Which is the right position of J. Robinson? The County surveyor must send a certified sketch showing the position of Robinson on the ground relative to the Vanway and Norris and give explanation how he found position of these surveys. Please give this matter your prompt attention and when corresponding with this office with regard hereto mention File No. 1894 Orange Co.

Very respectfully,

Nicholson.
