No. 2563 **Land Scrip.** 640 Acres.

The State of Texas--General Land Office.

THIS IS TO CERTIFY, That the **Texas & Pacific Railroad Company**, having completed a section of 203 MILES AND 4624 FEET of their Road, to-wit:

FIRST—From Sherman east, 42 miles and 4624 feet; switches and turn-outs, 3 miles and 2112 feet.

SECOND—Commencing 20 miles east from Dallas, and running east 74 miles and 2640 feet; switches and turn-outs, 15, 184 feet.

THIRD—Commencing at Marshall and running north 74 miles; switches and turn-outs 6 miles and 1584 feet.

Making a total measurement of main track, single line, one hundred and ninety-one and three-tenths (191.3) miles, and of switches and turn-outs, twelve miles and 2640 feet, is entitled, under the provisions of its charter, and the general laws governing the same, to SIX HUNDRED AND FORTY ACRES of land, which may, by virtue of this Certificate, be located upon the odd sections within said Railway Company's reservation, and to be surveyed in the following manner:

First.—Two sections of land adjoining and connecting with each other must be surveyed, one for the State and the other for the Company.

Second.—The surveys to be made square unless prevented by previous entries or navigable streams.

Third.—The Commissioner will select and number the surveys and report the result to the Surveyor, who will fill up the blanks, left in his records for that purpose, accordingly. (As a matter of convenience in describing the surveys, when reporting the numbers, the Surveyor should number the field notes temporarily in pencil.)

Fourth.—Fractions of land of less size than 1280 acres of land, surrounded by previous surveys, must be equally divided, one-half surveyed for the State and the other half for the Company, and the residue of the Certificate may in like manner be located elsewhere, until the same is exhausted.

Fifth.—The even numbers will be reserved to the State, and the odd numbers to the Company.

In Testimony Whereof, I hereunto set my hand and affix the impress of the seal of said office, this 25th day of May, A. D. 1876.

Commissioner.

Phadon Fisher,
Chief Clerk

Noting the number of the survey, should number the land notes temporarily in hand.

NOTE.—The Commission will select and number the survey and select the result to the survey, who will fill up

the blank left in the records for that purpose accordingly. (As a matter of convenience in describing the survey, when

the number of land of less than 1280 acres of land, accompanied by

numbers to the Company.

NOTE.—The land numbers will be returned to the State, and the only

in the manner of locating the survey, and the result of the Commission and

and the other land for the Company, and the result of the Commission and

previous survey must be shown, if desired, one-half survey for the State

and the other half for the Company, and the result of the Commission and

numbers to the Company.

NOTE.—The land numbers will be returned to the State, and the only

in the manner of locating the survey, and the result of the Commission and

and the other land for the Company, and the result of the Commission and

previous survey must be shown, if desired, one-half survey for the State

and the other half for the Company, and the result of the Commission and

numbers to the Company.

Phadon Fisher
Commissioner
