CONFEDERATE SCRIPT.

No. 1217

1280 Acres.

GENERAL LAND OFFICE,

Austin, Texas, November 19, 1881

This is to Certify, That R. W. Floyd
is entitled to have surveyed by any legally authorized Surveyor, upon any of
the vacant, unincorporated and unappropriated public domain of the State of Texas,
Twelve Hundred and Eighty Acres of Land
in accordance with the provisions of an act entitled

"An act granting to persons who have been permanently disabled by reason of
wounds received while in the service of this State, or of the Confederate States, a land
certificate for Twelve Hundred and Eighty Acres of land," approved April 9, 1881,
said R. W. Floyd having made the proof required by
said act.

A like amount of land shall be located by virtue of this
Certificate for the benefit of the permanent School Fund,
before either location shall be patented, and both loca-
tions shall be made upon any of the Public Domain of
Texas not reserved by law from location.

In Testimony Whereof, I herunto set my hand and
affix the impress of the seal of said office, the date first
above written.

See letter to W. H. Morris, Co. Surveyor
Montague Co. dated July 28/1904.
on Page 89, Letter Book 761.
J.D.T. 7/22/04.

The State of Texas
County of Montague
I, W. H. Morris, County Surveyor of Montague County, Texas,
do hereby certify, that the above sketch, represents every survey shown thereon, as they are
on the ground, and that in making the G W Mansfield Survey of 158 7/10 acres, out of the
R M Floyd Survey no 2, I began at a point 1666 rods East from the South West corner
of Sec no 50 for E J R R Co. and ran North 2442 rods, and struck the South line of the
J Heath Survey, 266 rods East, from the South West corner of said Heath Survey, and
I then went to the South West corner of said Heath Survey, which is well identified
with both of the bearing trees still there with the old marks plain, and from
there I ran East with the South line of said Heath Survey 400 rods, and then made
a corner, and then ran S 35° 10' W 2447 rods, back to the point 1666 rods East of the S W
corner of Sec no 50, I then made my beginning corner there, and then ran out the
G W Mansfield Survey, according to the calls in the field notes.
corners marked thus O, are old corners, that I found and identified by the original
bearings, and corners marked thus □, are old corners that I found, with bearings
still standing, that was made by some surveyor, but no field notes are of record here,
showing them, or describing them, and corners marked thus Δ, are corners I have made
myself since I have been County Surveyor.
All of which I certify to be true and correct.
Given under my hand, this the 21st day of July 1904.
